

Int'l. Fishing and Related Activities

§ 300.33

including the owner, charterer and master.

Pacific Island Party means a Pacific island nation that is a party to the Treaty.

Regional Director means the Director, Southwest Region, or a designee.

Transship means to unload any or all of the fish on board a licensed vessel either ashore or onto another vessel.

Treaty Area means the area described in paragraph 1(k) of Article I of the Treaty.

§ 300.32 Vessel licenses.

(a) Each vessel fishing in the Licensing Area must have a license issued by the Administrator for the licensing period being fished, unless excepted by § 300.39. Each licensing period begins on June 15 and ends on June 14 of the following year.

(b) Upon receipt, the license or a duly certified copy, facsimile or telex confirmation must be carried on board the vessel when in the Licensing Area or Closed Areas and must be produced at the request of authorized officers, authorized party officers, or authorized inspectors. Prior to receipt of the license, but after issuance, a vessel may be used to fish, provided the number of the issued license is available on board.

(c) Application forms for licenses to use a vessel to fish in the Licensing Area may be requested from, and upon completion, must be returned to, the Regional Director. All of the information requested on the form and the following must be supplied before the application will be considered complete:

(1) The licensing period for which the license is requested.

(2) The name of an agent, located in Port Moresby, Papua New Guinea, who, on behalf of the license holder, will receive and respond to any legal process issued in accordance with the Treaty.

(3) Documentation from an insurance company showing that the vessel will be fully insured for the licensing period against all risks and liabilities normally covered by maritime liability insurance.

(4) If the owner or charterer is the subject of proceedings under the bankruptcy laws of the United States, reasonable assurances that the owner or charterer will be financially able to

fulfill any and all responsibilities under the Treaty, Act, and regulations, including the payment of any penalties or fines.

(5) A copy of the vessel's USCG Certificate of Documentation.

(d) The number of available licenses are set forth in Schedule 2 of Annex II of the Treaty.

(e) Applications for vessels may be submitted at any time; complete applications will be forwarded to the Secretary of State for transmittal to the Administrator.

(f) The Secretary, in consultation with the Secretary of State, may determine that a license application for a vessel should not be forwarded to the Administrator if:

(1) The application is not in accord with the Treaty, Act, or regulations;

(2) The owner or charterer is the subject of proceedings under the bankruptcy laws of the United States, and reasonable financial assurances have not been provided to the Secretary that the owner or charterer will be financially able to fulfill any and all responsibilities under the Treaty, Act, and regulations, including the payment of any penalties or fines;

(3) The owner or charterer has not established to the satisfaction of the Secretary that the vessel will be fully insured for the licensing period against all risks and liabilities normally covered by maritime liability insurance; or

(4) The owner or charterer has not paid any final penalty assessed by the Secretary in accordance with the Act.

(g) An applicant will be promptly notified if that applicant's license application will not be forwarded to the Administrator, and of the reasons therefor. Within 15 days of notification by the Regional Director that the application will not be forwarded, an applicant may request reconsideration by providing a petition for reconsideration accompanied by new or additional information.

§ 300.33 Compliance with applicable national laws.

The operator of the vessel shall comply with each of the applicable national laws, and the operator of the

vessel shall be responsible for the compliance by the vessel and its crew with each of the applicable national laws, and the vessel shall be operated in accordance with those laws.

§ 300.34 Reporting requirements.

(a) License holders shall comply with the reporting requirements of parts 4 and 5 of Annex I to the Treaty.

(b) Information provided by license holders under Schedule 5 of Annex I of the Treaty shall be provided on the designated Forum Fisheries Agency form(s) to the Regional Director within 2 days of reaching port.

(c) Information provided by license holders under Schedule 6 of Annex I of the Treaty shall be provided on the designated Forum Fisheries Agency form(s) to the Regional Director within 2 days of completing unloading.

(d) Any information required to be recorded, or to be notified, communicated or reported pursuant to a requirement of these regulations, the Act, or the Treaty shall be true, complete and correct. Any change in circumstances that has the effect of rendering any of the information provided false, incomplete or misleading shall be communicated immediately to the Regional Director.

§ 300.35 Vessel and gear identification.

While a vessel is in the Licensing Area, a Limited Area closed to fishing, or a Closed Area, a recent and up-to-date copy of the International Code of Signals (INTERCO) shall be on board and accessible at all times. The operator shall comply with the 1989 Food and Agricultural Organization standard specifications for the marking and identification of fishing vessels. The international radio call sign of the vessel shall be painted in white on a black background, or in black on a white background, and be clear, distinct, and uncovered, in the following manner:

(a) On both sides of the vessel's hull or superstructure, with each letter and number being at least 1 m high and having a stroke width of 16.7 cm, with the background extending to provide a border around the mark of not less than 16.7 cm.

(b) On the vessel's deck, on the body of any helicopter and on the hull of any

skiff, with each letter and number being at least 30 cm high, and having a stroke width of 5 cm with the background extending to provide a border around the mark of not less than 5 cm.

(c) On any other equipment being carried by and intended to be separated from the vessel during normal fishing operations, with each letter and number being at least 10 cm high and having a stroke width of 1.7 cm, with the background extending to provide a border around the mark of not less than 1.7 cm.

§ 300.36 Closed area stowage requirements.

At all times while a vessel is in a Closed Area, the fishing gear of the vessel shall be stowed in a manner as not to be readily available for fishing. In particular, the boom shall be lowered as far as possible so that the vessel cannot be used for fishing, but so that the skiff is accessible for use in emergency situations; the helicopter, if any shall be tied down; and launches shall be secured.

§ 300.37 Radio monitoring.

The international distress frequency, 2,182 MHz, and 156.8 MHz (Channel 16, VHF) shall be monitored continuously from the vessel for the purpose of facilitating communication with the fisheries management, surveillance and enforcement authorities of the Parties.

§ 300.38 Prohibitions.

(a) Except as provided for in § 300.39, in addition to the prohibitions in § 300.4, it is unlawful for any person subject to the jurisdiction of the United States to do any of the following:

(1) To violate the Act or any provision of any regulation or order issued pursuant to Act.

(2) To use a vessel for fishing in violation of an applicable national law.

(3) To violate the terms and conditions of any fishing arrangement to which that person is a party.

(4) To use a vessel for fishing in a Limited Area in violation of the requirements set forth in Schedule 3 of Annex I of the Treaty on "Limited Areas".
