

this section. Such fish may be eviscerated, gilled, and scaled, but must otherwise be maintained in a whole condition.

(b) A Caribbean spiny lobster in or from the Caribbean EEZ must be maintained with head and carapace intact.

(c) Shark, swordfish, and tuna species are exempt from the requirements of paragraph (a) of this section.

(d) In the Gulf EEZ:

(1) Bait is exempt from the requirement to be maintained with head and fins intact.

(i) For the purpose of this paragraph (d)(1), bait means—

(A) Packaged, headless fish fillets that have the skin attached and are frozen or refrigerated;

(B) Headless fish fillets that have the skin attached and are held in brine; or

(C) Small pieces no larger than 3 in³ (7.6 cm³) or strips no larger than 3 inches by 9 inches (7.6 cm by 22.9 cm) that have the skin attached and are frozen, refrigerated, or held in brine.

(ii) Paragraph (d)(1)(i) of this section notwithstanding, a finfish or part thereof possessed in or landed from the Gulf EEZ that is subsequently sold or purchased as a finfish species, rather than as bait, is not bait.

(2) Legal-sized finfish possessed for consumption at sea on the harvesting vessel are exempt from the requirement to have head and fins intact, provided—

(i) Such finfish do not exceed any applicable bag limit;

(ii) Such finfish do not exceed 1.5 lb (680 g) of finfish parts per person aboard; and

(iii) The vessel is equipped to cook such finfish on board.

(e) In the South Atlantic EEZ, a greater amberjack on or offloaded ashore from a vessel that has a permit specified in §622.4(a)(2)(vi) may be deheaded and eviscerated, but must otherwise be maintained in a whole condition through offloading ashore.

(f) A golden crab in or from the South Atlantic EEZ must be maintained in whole condition through landing ashore. For the purposes of this paragraph, whole means a crab that is in its natural condition and that has not been gutted or separated into component pieces, e.g., clusters.

(g) A Caribbean conch resource in or from the Caribbean EEZ must be maintained with meat and shell intact.

(h) A maximum of five cut-off (damaged) king mackerel may be possessed in the Gulf, Mid-Atlantic, or South Atlantic EEZ on, and offloaded ashore from, a vessel that is operating under a trip limit for king mackerel specified in §622.44(a). Such cut-off (damaged) king mackerel are not counted against the trip limit and may not be sold or purchased.

(i) In the South Atlantic EEZ, snapper-grouper lawfully harvested in Bahamian waters are exempt from the requirement that they be maintained with head and fins intact, provided valid Bahamian fishing and cruising permits are on board the vessel and the vessel is in transit through the South Atlantic EEZ. For the purpose of this paragraph (i), a vessel is in transit through the South Atlantic EEZ when it is on a direct and continuous course through the South Atlantic EEZ and no one aboard the vessel fishes in the EEZ.

[61 FR 34934, July 3, 1996, as amended at 61 FR 43959, Aug. 27, 1996; 61 FR 65483, Dec. 13, 1996; 63 FR 10567, Mar. 4, 1998; 63 FR 38303, July 16, 1998]

§622.39 Bag and possession limits.

(a) *Applicability.* (1) The bag and possession limits apply for species/species groups listed in this section in or from the EEZ. Bag limits apply to a person on a daily basis, regardless of the number of trips in a day. Possession limits apply to a person on a trip after the first 24 hours of that trip. The bag and possession limits apply to a person who fishes in the EEZ in any manner, except a person aboard a vessel in the EEZ that has on board the commercial vessel permit required under §622.4(a)(2) for the appropriate species/species group. However, see §622.32 for limitations on taking prohibited and limited-harvest species. The limitations in §622.32 apply without regard to whether the species is harvested by a vessel operating under a commercial vessel permit or by a person subject to the bag limits. The possession of a commercial vessel permit notwithstanding, the bag and possession limits apply when the vessel is operating as a

charter vessel or headboat. A person who fishes in the EEZ may not combine a bag limit specified in this section with a bag or possession limit applicable to state waters. A species/species group subject to a bag limit specified in this section taken in the EEZ by a person subject to the bag limits may not be transferred at sea, regardless of where such transfer takes place, and such fish may not be transferred in the EEZ.

(2) Paragraph (a)(1) of this section notwithstanding, bag and possession limits also apply for Gulf reef fish in or from the EEZ to a person aboard a vessel that has on board a commercial permit for Gulf reef fish—

(i) When trawl gear or entangling net gear is on board. A vessel is considered to have trawl gear on board when trawl doors and a net are on board. Removal from the vessel of all trawl doors or all nets constitutes removal of trawl gear.

(ii) When a longline or buoy gear is on board and the vessel is fishing or has fished on a trip in the reef fish longline and buoy gear restricted area specified in §622.34(c). A vessel is considered to have a longline on board when a power-operated longline hauler, a cable of diameter and length suitable for use in the longline fishery, and gangions are on board. Removal of any one of these three elements, in its entirety, constitutes removal of a longline.

(iii) For a species/species group when its quota has been reached and closure has been effected.

(iv) When the vessel has on board or is tending any trap other than a fish trap authorized under §622.40(a)(2), a stone crab trap, or a spiny lobster trap.

(3) Paragraph (a)(1) of this section notwithstanding, the bag and other limits specified in §622.35(b) apply for South Atlantic snapper-grouper in or from the EEZ to a person aboard a vessel for which a commercial permit for South Atlantic snapper-grouper has been issued that has on board a longline in the longline closed area.

(b) *Gulf reef fish*—(1) *Bag limits*. (i) Greater amberjack—1.

(ii) Groupers, combined, excluding jewfish and Nassau grouper—5.

(iii) Red snapper—5.

(iv) Snappers, combined, excluding red, lane, and vermilion snapper—10.

(v) Gulf reef fish, combined, excluding those specified in paragraphs (b)(1)(i) through (iv) of this section and excluding dwarf sand perch and sand perch—20.

(2) *Possession limits*. A person who is on a trip that spans more than 24 hours may possess no more than two daily bag limits, provided such trip is on a vessel that is operating as a charter vessel or headboat, the vessel has two licensed operators aboard, and each passenger is issued and has in possession a receipt issued on behalf of the vessel that verifies the length of the trip.

(c) *King and Spanish mackerel*—(1) *Bag limits*. (i) Atlantic migratory group king mackerel—

(A) Mid-Atlantic and South Atlantic, other than off Florida—3.

(B) Off Florida—2, which is the daily bag limit specified by Florida for its waters (Rule 46-12.004(1), Florida Administrative Code). If Florida changes its limit, the bag limit specified in this paragraph (c)(1)(i)(B) will be changed to conform to Florida's limit, provided such limit does not exceed 5.

(ii) Gulf migratory group king mackerel—2.

(iii) Atlantic migratory group Spanish mackerel—10.

(iv) Gulf migratory group Spanish mackerel—

(A) Off Louisiana, Mississippi, and Alabama—10.

(B) Off Florida—10, which is the daily bag limit specified by Florida for its waters (Rule 46-23.005(1), Florida Administrative Code). If Florida changes its limit, the bag limit specified in this paragraph (c)(1)(iv)(B) will be changed to conform to Florida's limit, provided such limit does not exceed 10.

(C) Off Texas—7, which is the daily bag limit specified by Texas for its waters (Rule 31-65.72(c)(4)(A), Texas Administrative Code). If Texas changes its limit, the bag limit specified in this paragraph (c)(1)(iv)(C) will be changed to conform to Texas' limit, provided such limit does not exceed 10.

(2) *Possession limits*. A person who is on a trip that spans more than 24 hours may possess no more than two daily bag limits, provided such trip is on a

vessel that is operating as a charter vessel or headboat, the vessel has two licensed operators aboard, and each passenger is issued and has in possession a receipt issued on behalf of the vessel that verifies the length of the trip.

(d) *South Atlantic snapper-grouper*—(1) *Bag limits.* (i) Greater amberjack—3.

(ii) Groupers, combined, excluding jewfish and Nassau grouper, and tilefishes—5.

(iii) Hogfish in the South Atlantic off Florida—5.

(iv) Snappers, combined, excluding cubera snapper measuring 30 inches (76.2 cm), TL, or larger, in the South Atlantic off Florida, and excluding vermilion snapper—10, of which no more than 2 may be red snapper. (See § 622.32(c)(2) for limitations on cubera snapper measuring 30 inches (76.2 cm), TL, or larger, in or from the South Atlantic EEZ off Florida.)

(v) Vermilion snapper—10.

(2) *Possession limits.* Provided each passenger is issued and has in possession a receipt issued on behalf of the vessel that verifies the duration of the trip—

(i) A person aboard a charter vessel or headboat on a trip that spans more than 24 hours may possess no more than two daily bag limits.

(ii) A person aboard a headboat on a trip that spans more than 48 hours and who can document that fishing was conducted on at least 3 days may possess no more than three daily bag limits.

(3) *Longline bag limits.* Other provisions of this paragraph (d) notwithstanding, a person on a trip aboard a vessel for which the bag limits apply that has a longline on board is limited on that trip to the bag limit for South Atlantic snapper-grouper for which a bag limit is specified in paragraph (d)(1) of this section, and to zero for all other South Atlantic snapper-grouper. For the purpose of this paragraph (d)(3), a vessel is considered to have a longline on board when a power-operated longline hauler, a cable or monofilament of diameter and length suitable for use in the longline fishery, and gangions are on board. Removal of any one of these three elements constitutes removal of a longline.

(e) *Caribbean queen conch*—(1) *Applicability.* Paragraph (a)(1) of this section notwithstanding, the bag limit of paragraph (e)(2) of this section does not apply to a fisherman who has a valid commercial fishing license issued by Puerto Rico or the U.S. Virgin Islands. See § 622.44 for the commercial daily trip limit.

(2) *Bag limit.* The bag limit for queen conch in or from the Caribbean EEZ is 3 per person or, if more than 4 persons are aboard, 12 per boat.

[61 FR 34934, July 3, 1996, as amended at 61 FR 65483, Dec. 13, 1996; 61 FR 65985, Dec. 16, 1996; 62 FR 23674, May 1, 1997; 62 FR 67723, Dec. 30, 1997; 63 FR 8356, Feb. 19, 1998; 63 FR 38303, July 16, 1998]

EFFECTIVE DATE NOTE: At 63 FR 18147, Apr. 14, 1998, in § 622.39, paragraph (b)(1)(iii) was suspended and paragraph (b)(1)(vi) was added, effective Apr. 29, 1998, through Oct. 13, 1998.

§ 622.39 Bag and possession limits.

* * * * *

(b) * * *

(1) * * *

(vi) Redsnapper—4.

§ 622.40 Limitations on traps and pots.

(a) *Tending*—(1) *Caribbean EEZ.* A fish trap or Caribbean spiny lobster trap in the Caribbean EEZ may be pulled or tended only by a person (other than an authorized officer) aboard the fish trap or spiny lobster trap owner's vessel, or aboard another vessel if such vessel has on board written consent of the trap owner, or if the trap owner is aboard and has documentation verifying his identification number and color code. An owner's written consent must specify the time period such consent is effective and the trap owner's gear identification number and color code.

(2) *Gulf EEZ.* A fish trap in the Gulf EEZ may be pulled or tended only by a person (other than an authorized officer) aboard the vessel with the fish trap endorsement to fish such trap. If such vessel has a breakdown that prevents it from retrieving its traps, the owner or operator must immediately notify the nearest NMFS Office of Enforcement and must obtain authorization for another vessel to retrieve and land its traps. The request for such authorization must include the requested
