

(l) *Change in application information.* Within 15 days after a change in the information contained in an application submitted under this section, a written notice of the change must be submitted to the Regional Director. If the written notice of the change in information is not received by the Regional Director within 15 days, the permit is void.

(m) *Alteration.* Any permit that has been altered, erased, or mutilated is invalid.

(n) *Display.* Any permit issued under this part must be maintained in legible condition and displayed for inspection upon request by any authorized officer.

(o) *Sanctions.* Procedures governing enforcement-related permit sanctions and denials are found at subpart D of 15 CFR part 904.

(p) *Limited access American lobster permit renewal.* To renew a limited access permit in 1996 and thereafter, a completed application must be received by the Regional Director by December 31 of the year in which the permit is required. Failure to renew a limited access American lobster permit or confirmation of permit history in any year prevents the renewal of such in subsequent years.

(q) *Abandonment or voluntary relinquishment of limited access American lobster permits.* If a vessel's limited access American lobster permit or confirmation of permit history is voluntarily relinquished to the Regional Director, or abandoned through failure to renew or otherwise, no limited access American lobster permit or confirmation of permit history may be reissued or renewed based on that vessel's history.

[59 FR 31943, June 21, 1994, as amended at 60 FR 21997, May 4, 1995; 60 FR 45682, Sept. 1, 1995; 60 FR 62225, Dec. 5, 1995]

§ 649.5 Operator permits.

(a) *General.* Beginning on January 1, 1995, any operator of a vessel issued a Federal limited access American lobster permit under § 649.4(b), or any operator of a vessel of the United States that fishes for, possesses, or lands American lobsters, in or harvested from the EEZ must have been issued and carry on board a valid operator's permit issued under this section. This requirement does not apply to party, charter, and dive boats that possess six

or fewer American lobsters, not intended for or resulting in trade, barter or sale, per person aboard the vessel at any time, or to recreational vessels, and vessels that fish exclusively in state waters for American lobsters.

(b) *Operator application.* Applicants for a permit under this section must submit a completed permit application on an appropriate form obtained from the Regional Director. The application must be signed by the applicant and submitted to the Regional Director at least 30 days prior to the date on which the applicant desires to have the permit made effective. The Regional Director will notify the applicant of any deficiency in the application, pursuant to this section.

(c) *Condition.* Vessel operators who apply for an operator's permit under this section must agree, as a condition of this permit, that the operator and vessel's fishing, catch, crew size, and pertinent gear (without regard to whether such fishing occurs in the EEZ or landward of the EEZ, and without regard to where such fish or gear are possessed, taken, or landed), are subject to all requirements of this part while fishing in the EEZ or on board a vessel permitted under § 649.4(b). The vessel and all such fishing, catch, and gear will remain subject to all applicable state or local requirements. Further, such operators must agree, as a condition of this permit, that if the permit is suspended or revoked pursuant to 15 CFR part 904, the operator cannot be on board any fishing vessel issued a Federal Fisheries Permit or any vessel subject to Federal fishing regulations while the vessel is at sea or engaged in offloading. If a requirement of this part and a management measure required by state or local law differ, any operator issued a permit under this part must comply with the more restrictive requirement.

(d) *Information requirements.* An applicant must provide at least all the following information and any other information required by the Regional Director: Name, mailing address, and telephone number; date of birth; hair color; eye color; height; weight; social security number (optional) and signature of the applicant. The applicant

must also provide two color passport-size photographs.

(e) *Fees.* The Regional Director may charge a fee to recover the administrative expense of issuing a permit required under this section. The amount of the fee is calculated in accordance with the procedures of the NOAA Financial Handbook for determining the administrative costs of each special product or service. The fee may not exceed such costs and is specified with each application form. The appropriate fee must accompany each application; if it does not, the application will be considered incomplete for purposes of paragraph (f) of this section.

(f) *Issuance.* Except as provided in subpart D of 15 CFR part 904, the Regional Director shall issue an operator's permit within 30 days of receipt of a completed application, if the criteria specified in this section are met. Upon receipt of an incomplete or improperly executed application, the Regional Director will notify the applicant of the deficiency in the application. If the applicant fails to correct the deficiency within 30 days following the date of notification, the application will be considered abandoned.

(g) *Expiration.* A Federal operator permit will expire upon the renewal date specified in the permit.

(h) *Duration.* A permit is valid until it is revoked, suspended, or modified under 15 CFR part 904, or otherwise expires, or the applicant has failed to report a change in the information on the permit application to the Regional Director as specified in paragraph (k) of this section.

(i) *Replacement.* Replacement permits, for otherwise valid permits, may be issued by the Regional Director when requested in writing by the applicant, stating the need for replacement and the Federal operator permit number assigned. An applicant for a replacement permit must also provide two color passport-size photos of the applicant. An application for a replacement permit will not be considered a new application. An appropriate fee may be charged.

(j) *Transfer.* Permits issued under this section are not transferable or assignable. A permit is valid only for the person to whom it is issued.

(k) *Change in application information.* Notice of a change in the permit holder's name, address, or telephone number must be submitted in writing to, and received by, the Regional Director within 15 days of the change in information. If written notice of the change in information is not received by the Regional Director within 15 days, the permit is void.

(l) *Alteration.* Any permit that has been altered, erased, or mutilated is invalid.

(m) *Display.* Any permit issued under this part must be maintained in legible condition and displayed for inspection upon request by any authorized officer.

(n) *Sanctions.* Vessel operators with suspended or revoked permits may not be on board a federally permitted fishing vessel in any capacity while the vessel is at sea or engaged in offloading. Procedures governing enforcement related permit sanctions and denials are found at subpart D of 15 CFR part 904.

(o) *Vessel owner responsibility.* Vessel owners are responsible for ensuring that their vessels are operated by an individual with a valid operator's permit issued under this section.

§649.6 Dealer permits.

(a) All dealers must have been issued, and have in their possession, a valid permit issued under this section.

(b) *Dealer application.* Applicants for a permit under this section must submit a completed application on an appropriate form provided by the Regional Director. The application must be signed by the applicant and submitted to the Regional Director at least 30 days before the date upon which the applicant desires to have the permit made effective. For 1994, a copy of an applicant's completed application will serve as a temporary permit until the applicant has received a permanent permit. The Regional Director will notify the applicant of any deficiency in the application, pursuant to this section.

(c) *Information requirements.* Applications must contain at least the following information and any other information required by the Regional Director: Company name, place(s) of business,
