(d) *Fees.* The Regional Director may charge a fee to recover the administrative expense of issuing a permit required under this section. The amount of the fee is calculated in accordance with the procedures of the NOAA Finance Handbook for determining the administrative costs of each special product or service. The fee may not exceed such costs and is specified with each application form. The appropriate fee must accompany each application; if it does not, the application will be considered incomplete for purposes of paragraph (e) of this section.

(e) *Issuance.* Except as provided in subpart D of 15 CFR part 904, the Regional Director will issue a permit at any time during the fishing year to an applicant, unless the applicant has failed to submit a completed application. An application is complete when all requested forms, information, and documentation have been received. Upon receipt of an incomplete or improperly executed application, the Regional Director will notify the applicant of the deficiency in the application. If the applicant fails to correct the deficiency within 30 days following the date of notification, the application will be considered abandoned.

(f) *Expiration.* A Federal dealer permit will expire upon the renewal date specified in the permit.

(g) *Duration.* A permit is valid until it is revoked, suspended, or modified under 15 CFR part 904, or otherwise expires, or ownership changes, or the applicant has failed to report any change in the information on the permit application to the Regional Director as required by paragraph (j) of this section.

(h) *Replacement.* Replacement permits, for otherwise valid permits, may be issued by the Regional Director when requested in writing by the appli-

cant, stating the need for replacement and the Federal dealer permit number assigned. An application for a replacement permit will not be considered a new application. An appropriate fee may be charged.

(i) *Transfer.* Permits issued under this section are not transferable or assignable. A permit is valid only for the person, or other business entity, to which it is issued.

(j) *Change in application information.* Within 15 days after a change in the information contained in an application submitted under this section, a written report of the change must be submitted to, and received by, the Regional Director. If written notice of the change in information is not received by the Regional Director within 15 days, the permit is void.

(k) *Alteration.* Any permit that has been altered, erased, or mutilated is invalid.

(l) *Display.* Any permit, or a valid duplicate thereof, issued under this section must be maintained in legible condition and displayed for inspection upon request by any authorized officer.

(m) *Federal versus state requirements.* If a requirement of this part differs from a fisheries management measure required by state law, any dealer issued a Federal dealer permit must comply with the more restrictive requirement.

(n) *Sanctions.* Procedures governing enforcement-related permit sanctions and denials are found at subpart D of 15 CFR part 904.
