§723.412

(6) The person to whom delivered and the pounds involved.

Any such firm shall report this information to the State FSA office of the State in which the business is located within 15 days of the end of the marketing year, except for tobacco handled for an association operating the price support program and tobacco purchased by such firm at auction or for which such firm had previously reported on Form MQ-79. Where such firm qualifies for the exemption in §723.405 of this part, the firm is only required to report such tobacco received for storage that does not belong to such firm.

§ 723.412 Separate records and reports from persons engaged in tobacco related businesses.

Any person who is required to keep any record or make any report as a warehouse operator, dealer, buyer, trucker, or as a person engaged in the hauling, processing, or storage of tobacco, and who is engaged in more than one such business, shall keep such records as will enable such person to make separate reports for each such business in which such person is engaged to the same extent for each such business as if the person were engaged in no other business.

§ 723.413 Length of time records and reports are to be kept.

Records to be kept and copies of the reports required to be made by any person under this subpart shall be on a marketing year basis and shall be retained for 3 years after the end of the marketing year. Records shall be kept for such longer period of time as may be requested in writing by the State FSA executive director, or the Director.

§723.414 Failure to keep records and make reports or making false report or record.

(a)(1) Failure to keep records and make reports. Under the provisions of section 373(a) of the Act, any warehouse operator, processor, buyer, dealer, trucker, or person engaged in the business of sorting, redrying, stemming, packing, or otherwise processing tobacco who fails to make any report or keep any

record as required, or who makes any false report or record, is guilty of a misdemeanor, and upon conviction shall be subject to a fine of not more than \$500 for each offense. In addition, any tobacco warehouse operator, dealer, or buyer who fails, upon being requested to do so, to remedy a violation by submitting complete reports and keeping accurate records shall be subject to an additional fine, not to exceed \$5,000.

- (2) Failure to obtain producer marketing card or sale memo. The failure of any dealer or warehouse operator to obtain
- (i) Producer's marketing card, MQ-76 and MQ-77, to identify a sale of producer tobacco, or
- (ii) Dealer identification card, MQ-79-2, to cover a resale of tobacco, shall constitute a failure to make a report.
- (b) False representation—warehouse operators, dealers, and processors. The monetary penalties described in this part are in addition to penalties prescribed by other criminal statutes including 18 U.S.C. 231 which provides for a fine of not more than \$10,000 or imprisonment for not more than 5 years, or both, for a person convicted of knowingly and willingly committing such acts as making a false acreage report, altering a marketing card, falsely identifying tobacco or buying and selling unused "103 percent of quota poundage" on marketing cards.
- (c) Misrepresentation and scheme or device. A warehouse operator or dealer who is determined by FSA to have knowingly:
- (1) Adopted any scheme or device which tends to defeat the purpose of the tobacco program.
- (2) Made any fraudulent representation.
- (3) Misused a MQ-76 or MQ-79-2, or
- (4) Sold excess tobacco, shall pay a marketing quota penalty as prescribed in this part.
