

7. When a Sub-adviser change is proposed when the Portfolio has an Affiliated Sub-adviser, the Portfolio's Board, including a majority of the Independent Trustees, will make a separate finding reflected in its minutes, that such change is in the best interest of the Portfolio and its investors and does not involve a conflict of interest from which RMA, Sector, or the Affiliated Sub-adviser derives an inappropriate advantage.

8. RMA will provide general management services to the Portfolio, subject to Portfolio Board review. Sector will, subject to Portfolio Board review and approval, (i) together with RMA, set the Portfolio's overall investment strategies, (ii) select Sub-advisers, (iii) allocate and, when appropriate, reallocate the Portfolio's assets among Sub-advisers, (iv) monitor and evaluate Sub-adviser performances, and (v) supervise Sub-adviser compliance with the Portfolio's investment objective, policies, and restrictions.

9. Independent counsel knowledgeable about the Act and the duties of Independent Trustees will be retained to represent the Independent Trustees. The selection of such counsel will be placed within the discretion of the Independent Trustees.

10. Sector will provide the Portfolio's Board no less frequently than quarterly with information about Sector's profitability for each series of the Portfolio relying on the relief requested in the application. Whenever a Sub-adviser is hired or terminated, Sector will provide the Portfolio's Board with information showing the expected impact on Sector's profitability, and quarterly reports will reflect the impact on profitability of the hiring or termination of Sub-advisers during the quarter.

11. No director, trustee, or officer of Sector, RMA, or the Portfolio will own directly or indirectly (other than through a pooled investment vehicle over which such person does not have control) any interest in a Sub-adviser except for: (a) Ownership of interests in RMA or Sector or any entity that controls, is controlled by, or is under common control with RMA or Sector; or (b) ownership of less than 1% of the outstanding securities of any class of equity or debt of a publicly traded company that is either a Sub-adviser or an entity that controls, is controlled by, or is under common control with a Sub-adviser.

For the SEC, by the Division of Investment Management, pursuant to delegated authority.

Margaret H. McFarland,

Deputy Secretary.
