SUPPLEMENTARY INFORMATION:

Title: Acquisition for Food Coupon Books.

OMB Number: 0584-0022.

Form Number: FCS-260.

Expiration Date: 08/31/98.

Type of Request: Revision of a currently approved collection.

Abstract: Section 7(e) of the Food Stamp Act of 1977, as amended, (the Act) (7 U.S.C. 2016(e)) requires the U.S. Department of Agriculture (USDA) to prescribe appropriate procedures for the delivery of food coupon books to coupon issuers. States and local agencies use Form FNS-260, Requisition of Food Coupon Books, to order supplies of coupon books. The forms are completed and submitted in hard copy or electronic format to the appropriate Food and Nutrition Service (FNS) regional office. The hard-copy format is normally used only when the electronic format is unavailable. The regional offices enter the order for coupon books into a database where it is automatically reviewed for conformance with policy for ordering. After the order passes the edit checks, FNS then transmits them electronically to the contractor who ships the coupon books. No coupon books are shipped until a completed order has been received and approved by FNS. The order of coupon books is essential to carrying out the policy of the Act of 1977.

The need to print and order food coupons as the sole benefit delivery instrument for the Food Stamp Program has changed. Many areas of the country have switched to Electronic Benefit Transfer (EBT) Systems and no longer issue food coupons to participating households. This has resulted in a direct reduction in the number of States and local agencies completing and submitting food coupon book orders. However, some areas are still using coupons and we must continue to require these areas to order food coupon books. The Office of Management and Budget's (OMB) approval of this information collection expires on August 31, 1998. We intend to seek an extension of OMB's approval for an additional 3 years.

The number of respondents that must complete and submit food coupon orders is estimated to be 1,000 annually; a reduction of 150 respondents. It is estimated that respondents will order coupons at least once every six months. It is further estimated that it takes about 30 minutes to complete and transmit the coupon book order. Thus, total annual burden associated with this information collection is estimated to be 3,000 hours annually (1,000 × 6 × 30 minutes).

It should be noted that current versions of this form reflect our agency name as the Food and Consumer Service and the form number as FCS-260. The form will be revised at the next opportunity to change the agency's name to the Food and Nutrition Service and the form number to FNS-260. The hard-copy version of the form will also be revised when the current supply is exhausted.

Affected Public: State and local governments.

Estimated Number of Respondents: 1,000.

Estimated Number of Responses per respondent: 6,000.

Estimated Time per Response: one half hour.

Estimated Total Annual Burden: 3,000 hours; a reduction of 450 annually.

Dated: March 16, 1998.

Administrator, Food and Nutrition Service.
