### Notice of Lodging of Consent Decree and Stipulated Amendment Pursuant to the Comprehensive Environmental Response, Compensation and Liability Act

In accordance with Departmental policy, 28 CFR 50.7, and in accordance with Section 122(d) of the Comprehensive Environmental Response, Compensation and Liability Act ("CERCLA"), notice is hereby given

that on March 17, 1998, a proposed Second Consent Decree in *United States v. Lockheed Martin Corporation, et al.*, Case No. CV 91-4527 MRP (Tx) was lodged with the United States District Court for the Central District of California.

In this action the United States and State allege that the defendants are liable under CERCLA for costs incurred by the United States and State in conducting response actions at the Burbank Operable Unit Site, which is a part of the San Fernando Valley Superfund Site. In addition, the United States seeks injunctive relief for a portion of the remedy specified in the Record of Decision.

This consent decree represents a settlement for a partial remedy for the Burbank Operable Unit, San Fernando Valley Area 1 Superfund Site ("Site"), and the recovery of a substantial portion of costs. This is the second consent decree pertaining to the Burbank Operable Unit. This settlement between the United States and the Settling Defendants is for past and future costs, and the operation and maintenance of the remedy which was designed and constructed pursuant to the first consent decree which was entered in this action on March 25, 1992, as well as that part of the remedy which was designed and constructed pursuant to a unilateral order ("UAO") issued under Section 106 of CERCLA. The decree also provides for the recovery of over \$11 million in response costs and the recovery of all future site specific costs.

The Second Consent Decree changes some of the terms and conditions of the first consent decree. Therefore, a Stipulated Amendment to Consent Decree is also being lodged with the Court. The Stipulated Amendment ensures consistency between the first and second consent decrees.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the proposed Second Consent Decree. Comments should be addressed to the Assistant Attorney General of the Environment and Natural Resources Division, Department of Justice, Washington, D.C. 20530, and should refer to *United States v. Lockheed Martin Corporation, et al.* San Fernando Valley (Burbank Operable Unit Superfund Site), D.J. Ref. 90-11-2-442. Commenters may request an opportunity for a public meeting in the affected area, in accordance with Section 7003(d) of the Resource Conservation and Recovery Act ("RCRA"), 42 U.S.C. 6973(d).

The proposed Second Consent Decree and Stipulated Amendment to Consent

Decree may be examined at the Office of the United States Attorney, Central District of California, 300 North Los Angeles Street, Los Angeles, California 90012, and at the Region IX, Office of the Environmental Protection Agency, 75 Hawthorne Street, San Francisco, California 94105. The proposed Second Consent Decree may be examined at the Environmental Enforcement Section Document Center, 601 Pennsylvania Avenue Building, N.W., Washington, D.C. 20004 (202-347-2072).
