MESSAGE

FROM

THE PRESIDENT OF THE UNITED STATES

RETURNING

WITHOUT MY APPROVAL S. 1502, THE DISTRICT OF COLUMBIA
STUDENT OPPORTUNITY SCHOLARSHIP ACT OF 1998

MAY 20, 1998.—Ordered to be printed

U.S. GOVERNMENT PRINTING OFFICE

WASHINGTON : 1998

To the Senate of the United States:

I am returning herewith without my approval S. 1502, the "District of Columbia Student Opportunity Scholarship Act of 1998."

If we are to prepare our children for the 21st Century by providing them with the best education in the world, we must strengthen our public schools, not abandon them. My agenda for accomplishing this includes raising academic standards; strengthening accountability; providing more public school choice, including public charter schools; and providing additional help to students who need it through tutors, mentors, and after-school programs. My education agenda also calls for reducing class size, modernizing our schools and linking them to the Internet, making our schools safe by removing guns and drugs, and instilling greater discipline.

This bill would create a program of federally funded vouchers that would divert critical Federal resources to private schools instead of investing in fundamental improvements in public schools. The voucher program established by S. 1502 would pay for a few selected students to attend private schools, with little or no public accountability for how those funds are used, and would draw resources and attention away from the essential work of reforming the public schools that serve the overwhelming majority of the District's students. In short, S. 1502 would do nothing to improve public education in the District of Columbia. The bill won't hire one new teacher, purchase one more computer, or open one after-school program.

Although I appreciate the interest of the Congress in the educational needs of the children in our Nation's Capital, this bill is fundamentally misguided and a disservice to those children.

The way to improve education for all our children is to increase standards, accountability, and choice within the public schools. I urge the Congress to send me legislation I have proposed to reduce class size, modernize our schools, end social promotions, raise academic standards for all students, and hold school systems, schools, and staff accountable for results.

WILLIAM J. CLINTON.
