EXPLANATORY STATEMENT, DIVISION J

DIVISION J—DEPARTMENT OF STATE, FOREIGN OPERATIONS, AND RELATED PROGRAMS APPROPRIATIONS

The following is an explanation of the effects of this division of the House amendment to the Senate amendment to H.R. 2764 (hereafter referred to as “the amended bill”) relative to the versions of the Department of State, Foreign Operations, and Related Programs Appropriations Act, 2008 (H.R. 2764) passed by the House of Representatives and the Senate. In implementing this amended bill, the departments, agencies, organizations, and commissions should be guided by the directives and instructions set forth in House Report 110–197 and Senate Report 110–128 accompanying the bill H.R. 2764, unless specifically addressed in the accompanying amended bill and explanatory statement to the contrary.

TITLE I—DEPARTMENT OF STATE AND RELATED AGENCIES

DEPARTMENT OF STATE

ADMINISTRATION OF FOREIGN AFFAIRS

DIPLOMATIC AND CONSULAR PROGRAMS

(INCLUDING TRANSFER OF FUNDS)

The amended bill provides \$5,359,802,000 for Diplomatic and Consular Programs, instead of \$4,747,078,000 as proposed by the House and \$4,729,973,000 as proposed by the Senate. Of this amount, \$781,632,000 is designated emergency spending pursuant to section 5 preceding division A of this Act, of which \$575,000,000 is for operations and \$206,632,000 is for worldwide security protection.

The amended bill includes a total of \$974,760,000 for worldwide security protection, instead of \$964,760,000 as proposed by the House and \$909,598,000 as proposed by the Senate.

The amended bill does not include a proviso proposed by the Senate regarding funding for the Office of the Director of United States Foreign Assistance. The Appropriations Committees are concerned that there are insufficient personnel to adequately explain the Department’s budget request and respond to congressional inquiries. The Appropriations Committees support expanding the Department’s budgetary operations. The Appropriations Committees request the Under Secretary of State for Management to assess the current capacity of resource management offices and make recommendations to develop an adequately staffed, integrated budget formulation, justification, and execution office. These recommenda-

tions should be submitted to the Appropriations Committees not later than May 1, 2008.

The amended bill includes \$360,905,000 for public diplomacy international information programs under this heading and an additional \$6,000,000 is available in fee revenue generated by the Border Security Program. This brings the estimated total for public diplomacy international information programs to \$366,904,000 in fiscal year 2008, which is \$2,000,000 above the budget request.

The amended bill includes \$2,000,000 to establish and operate a public/private public diplomacy center as proposed by the House. The Senate did not include a similar provision.

The amended bill includes \$5,000,000 for a demonstration program to expand access to consular services, including through the use of mobile consular services, as proposed by the Senate. The Department of State shall consult with the Appropriations Committees regarding this program prior to the initial obligation of funds.

The amended bill provides \$4,000,000 for compensation to the families of members of the Foreign Service or other United States Government employees or their dependents who were killed in terrorist attacks since 1979, as proposed by the House. All funds for compensation are available for obligation only upon enactment of a specific authorization in a subsequent Act of Congress.

The amended bill includes a proviso to allow the Secretary of State to reemploy Foreign Service annuitants on a temporary basis where necessary to meet the demand for passport adjudication and processing, as proposed by the Senate. The amended bill does not include \$40,000,000 for passport operations, facilities, and systems, as proposed by the Senate. As the Department of State has informed the Appropriations Committees that it intends to expend \$1,898,540,000 from fee revenue for the Border Security Program in fiscal year 2008 (an increase of \$612,213,000 above the fiscal year 2007 level), the Senate provision is not necessary at this time. The Appropriations Committees direct the Department of State to submit quarterly reports on obligations and expenditures for Consular Affairs including the level of personnel, personnel specifically for passport processing, the capacity of passport processing facilities, and projected and actual fee revenue, similar to the reporting requirements contained in House Report 110-197. The Committees will continue to closely monitor passport workload and backlogs to ensure that the Department has the resources, hiring authority and trained personnel necessary to provide timely passport services.

The amended bill does not include a proviso designating \$3,000,000 for the operations of the Office on Right-Sizing the United States Government Overseas Presence, as proposed by the House.

The amended bill does not include a proviso making \$5,000,000 available for the Program for Research and Training on Eastern Europe and the Independent States of the Former Soviet Union (title VIII), as proposed by the House. The funding and authority for this purpose are provided in section 634(q) of this Act.

The amended bill does not include a proviso granting the Secretary of State the authority to transfer up to \$200,000,000 from appropriations in this Act and prior Acts making appropriations for

the Department of State, foreign operations, and export financing to the Millennium Challenge Corporation (MCC), as proposed by the Senate.

The amended bill provides \$5,000,000 for the Ambassador's Fund for Cultural Preservation, instead of \$6,000,000 as proposed by the Senate. The House did not have a similar provision. Of this amount, not less than \$1,500,000 shall be used for grants of not less than \$500,000 for significant historic preservation projects, such as archeological restoration of Phnom Bakhen, Cambodia, and Mayan sites in the Peten region of Guatemala.

The Appropriations Committees support a pilot program to improve management and protection of United States Government properties overseas that have cultural, architectural, or historical value.

The amended bill includes a proviso, similar to that proposed by the House, prohibiting the use of funds under this heading to process licenses for the export of satellites of United States origin to the People's Republic of China.

The Department of State shall provide \$18,000,000 for security enhancements to soft targets such as overseas schools and residential compounds. The Appropriations Committees expect that the additional funds will be prioritized to those countries and regions impacted by political and religious extremism.

The amended bill includes a new proviso withholding \$500,000 in funds appropriated under this heading from obligation until the Secretary of State submits a report to the Appropriations Committees outlining a plan to increase the capacity of the United States Embassy Moscow to monitor human rights and Russian laws relating to the press and human rights and other civil society groups. The Department of State shall consult with the Appropriations Committees regarding this plan, prior to the obligation of funds.

The amended bill includes a new proviso giving the Secretary of State the authority to transfer certain unobligated balances of funds appropriated under the heading "Diplomatic and Consular Programs" to "Emergencies in the Diplomatic and Consular Service" for rewards payments.

The amended bill includes sufficient funds to maintain at not less than the current service level funding for the salaries and expenses of the Office of the Special Coordinator for Tibetan Issues.

The Appropriations Committees direct the Secretary to implement the Western Hemisphere Travel Initiative no earlier than the statutory deadline of June 1, 2009 and endorse the report required in Senate Report 110-128 related to travel document issuance.

The Bureau of Diplomatic Security should develop a comprehensive facility plan to consolidate and expand hard and soft skills training and report to the Appropriations Committees no later than May 1, 2008.

The Appropriations Committees are encouraged that the Department of State has provided access to Iraq for a small number of Government Accountability Office (GAO) personnel to conduct oversight; however, the Appropriations Committees are dismayed that the Department of State is attempting to limit access to Iraq by additional GAO temporary duty teams who may have need for extended field visits in the International Zone to conduct oversight.

Section 3804 of Public Law 110–28, the U.S. Troop Readiness, Veterans’ Care, Katrina Recovery, and Iraq Accountability Appropriations Act of 2007, provides for the GAO to operate in Iraq for not less than 45 consecutive days and for the provision of necessary life support, which shall include housing, food, and transportation. The Appropriations Committees direct the Secretary of State to certify not later than 30 days after enactment of this Act that section 3804 has been implemented.

The amended bill includes \$2,000,000 for the Library of Congress’s capital security cost sharing program fees (sec. 634(m)). The Appropriations Committees note that this one time appropriation is a result of an anomaly arising from the fiscal year 2007 continuing resolution.

The Appropriations Committees note that no funding is provided for the 2010 Olympics, as proposed by the Senate.

CAPITAL INVESTMENT FUND

The amended bill provides \$60,062,000 for the Capital Investment Fund, instead of \$59,062,000 as proposed by the House and \$63,743,000 as proposed by the Senate.

OFFICE OF INSPECTOR GENERAL

The amended bill provides \$34,008,000 for the Office of Inspector General (OIG), instead of \$32,508,000 as proposed by the House and \$35,508,000 as proposed by the Senate.

The Appropriations Committees support an independent Department of State OIG, which has sufficient resources and authority to properly carry out its duties as set forth in the Inspector General Act of 1978. The Appropriations Committees request that the OIG report not later than April 1, 2008 on personnel vacancies; the aggregate number of requests from other agencies and the Congress to assist in investigations or to conduct oversight; a summary of those requests which were not accommodated and whether denial of such requests was due to a lack of personnel, or insufficient resources, or for other reasons.

EDUCATIONAL AND CULTURAL EXCHANGE PROGRAMS

The amended bill provides \$505,441,000 for Educational and Cultural Programs, instead of \$501,400,000 as proposed by the House and \$509,482,000 as proposed by the Senate.

The amended bill does not include language providing for the transfer of \$6,000,000 to the Trust Fund established by section 313 of the Legislative Branch Appropriations Act, 2001, as proposed by the House.

The amended bill does not include language providing up to \$2,000,000 for the Senator Paul Simon Study Abroad Foundation, subject to authorization, as proposed by the Senate. The Appropriations Committees are supportive of this effort, and will review the new authorities and funding requirements once the program is authorized. The Appropriations Committees support expanding study abroad opportunities for United States students, diversifying the study abroad population, and increasing study in non-traditional countries. Over the past decade study abroad by United States stu-

dents has increased by 150 percent and funding provided by the Congress has also increased significantly; the amount provided in fiscal year 2008 reflects an 8.4 percent increase in a single year. The Appropriations Committees endorse the report requirement contained in Senate Report 110–128 to expand the capacity of study abroad.

Funding under this heading should be allocated to the following activities in the amounts designated in the table below, subject to the requirements of section 619:
