21 through (iii).

22 “(C) ACTION BY ADVISORY COMMITTEE.—
23 In the case that the Administrator requests a
24 recommendation of the Advisory Committee
25 under this paragraph, with respect to adding a

1 list in subsection (a)(3) or that exposure to
2 airborne toxins, other hazards, or adverse
3 conditions resulting from the September 1,
4 2001, terrorist attacks is not substantially

13 AMOUNTS AND METHODOLOGIES.—The WTC

20 3305(b)(1)(B)(iii), the Administrator deter-
21 mines that a bundling, capitation, pay for per-

23 better ensure high quality and efficient delivery

19 “(B) WITHHOLDING OF PAYMENT FOR
20 MEDICALLY UNNECESSARY TREATMENT.—The
21 Administrator shall withhold such reimburse-

1 “(d) MEDICAL TREATMENT PROTOCOLS.—

2 “(1) DEVELOPMENT.—The Data Centers shall

1 “(b) NETWORK REQUIREMENTS.—Any health care
2 provider participating in the network under subsection (a)

3 “(2) PRO-RATION AND PAYMENT OF REMAINING
4 CLAIMS.—

5 “(A) IN GENERAL.—With respect to the
6 one-year period beginning on the date on which
7 the first payment is made under this title for
8 claims filed pursuant to the regulations updated
9 under section 407(b), the Special Master shall
10 examine the total number of such claims paid
11 during such period and the amounts of the pay-
12 ments made for such claims to project the total
13 number and amount of claims expected to be
14 paid under this title during the 10-year period
15 described in paragraph (1). If, based on such
16 projection, the Special Master determines that
17 there will be insufficient funds available under
18 paragraph (1) to pay such claims during such
19 10-year period, beginning on the first day fol-
20 lowing such one-year period, the Special Master
21 shall ratably reduce the amount of compensa-
22 tion due claimants under this title in a manner
23 to ensure, to the extent possible, that—

24 “(i) all claimants who, before applica-
25 tion of the limitation under the second sen-

1 tence of paragraph (1), would have been
2 determined to be entitled to a payment
3 under this title during such 10-year period,
4 receive a payment during such period; and

5 “(ii) the total amount of all such pay-
6 ments made during such 10-year period do
7 not exceed the amount available under the
8 second sentence of paragraph (1) to pay
9 claims during such period.

10 “(B) PAYMENT OF REMAINDER OF CLAIM
11 AMOUNTS.—In any case in which the amount of
12 a claim is ratably reduced pursuant to subpara-
13 graph (A), on or after the first day after the
14 10-year period described in paragraph (1), the
15 Special Master shall pay to the claimant the
16 amount that is equal to the difference be-
17 tween—

18 “(i) the amount that the claimant
19 would have been paid under this title dur-
20 ing such period without regard to the limi-
21 tation under the second sentence of para-
22 graph (1) applicable to such period; and

23 “(ii) the amount the claimant was
24 paid under this title during such period.

25 “(e) ATTORNEY FEES.—

1 “(1) IN GENERAL.—Notwithstanding any con-
2 tract, and except as provided in paragraphs (2) and
3 (3), the representative of an individual may not
4 charge, for services rendered in connection with the
5 claim of an individual under this title, more than 10
6 percent of an award made under this title on such
7 claim.

8 “(2) LIMITATION.—

9 “(A) IN GENERAL.—Except as provided in
10 subparagraph (B), in the case of an individual
11 who was charged a legal fee in connection with
12 the settlement of a civil action described in sec-
13 tion 405(c)(3)(C)(iii), the representative of
14 the individual may not charge any amount for
15 compensation for services rendered in connec-
16 tion with a claim filed under this title.

17 “(B) EXCEPTION.—If the legal fee charged
18 in connection with the settlement of a civil ac-
19 tion described in section 405(c)(3)(C)(iii) of an
20 individual is less than 10 percent of the aggre-
21 gate amount of compensation awarded to such
22 individual through such settlement and the
23 claim of the individual under this title, the rep-
24 resentative of such individual may charge an
25 amount for compensation for services rendered

1 in connection with such claim under this title to
2 the extent that such amount charged is not
3 more than—

4 “(i) 10 percent of such aggregate
5 amount, minus

6 “(ii) the total amount of all legal fees
7 charged for services rendered in connection
8 with such settlement.

9 “(3) EXCEPTION.—With respect to a claim
10 made on behalf of an individual for whom a lawsuit
11 was filed in the Southern District of New York prior
12 to January 1, 2009, in the event that the represent-
13 ative believes in good faith that the fee limit set by
14 paragraph (1) or (2) will not provide adequate com-
15 pensation for services rendered in connection with
16 such claim because of the substantial amount of
17 legal work provided on behalf of the claimant (in-
18 cluding work performed before the enactment of this
19 legislation), application for greater compensation
20 may be made to the Special Master. Upon such ap-
21 plication, the Special Master may, in his or her dis-
22 cretion, award as reasonable compensation for serv-
23 ices rendered an amount greater than that allowed
24 for in paragraph (1). Such fee award will be final,
25 binding, and non-appealable.”

2 ing any entity treated as a member of such
3 group by reason of this sentence).

4 “(4) FOREIGN PARENT CORPORATION.—For
5 purposes of this subsection, the term ‘foreign parent
6 corporation’ means, with respect to any deductible
7 related-party payment, the common parent of the
8 foreign controlled group of entities referred to in
