Presidential Determination No. 97-35 of September 26, 1997

Presidential Determination on Classified Information Concerning the Air Force's Operating Location Near Groom Lake, Nevada

*Memorandum for the Administrator of the Environmental Protection
Agency [and] the Secretary of the Air Force*

I find that it is in the paramount interest of the United States to exempt the United States Air Force's operating location near Groom Lake, Nevada (the subject of litigation in *Kasza v. Browner* (D. Nev. CV-S-94-795-PMP) and *Frost v. Perry* (D. Nev. CV-S-94-714-PMP)), from any applicable requirement for the disclosure to unauthorized persons of classified information concerning that operating location. Therefore, pursuant to 42 U.S.C. 6961(a), I hereby exempt the Air Force's operating location near Groom Lake, Nevada, from any Federal, State, interstate, or local provision respecting control and abatement of solid waste or hazardous waste disposal that would require the disclosure of classified information concerning that operating location to any unauthorized person. This exemption shall be effective for the full one-year statutory period.

Nothing herein is intended to: (a) imply that in the absence of such a Presidential exemption, the Resource Conservation and Recovery Act (RCRA) or any other provision of law permits or requires disclosure of classified information to unauthorized persons; or (b) limit the applicability or enforcement of any requirement of law applicable to the Air Force's operating location near Groom Lake, Nevada, except those provisions, if any, that would require the disclosure of classified information.

The Secretary of the Air Force is authorized and directed to publish this determination in the **Federal Register**.

Notice of September 30, 1997

Continuation of Iran Emergency

On November 14, 1979, by Executive Order 12170, the President declared a national emergency to deal with the threat to the national security, foreign policy, and economy of the United States constituted by the situation in Iran. Notices of the continuation of this national emergency have been transmitted annually by the President to the Congress and the **Federal Register**. The most recent notice appeared in the **Federal Register** on October 31, 1996. Because our relations with Iran have not yet returned to normal, and the process of implementing the January 19, 1981, agreements with Iran is still underway, the national emergency declared on November 14, 1979, must continue in effect beyond November 14, 1997. Therefore, in accordance with section 202(d) of the National Emergencies Act (50 U.S.C.

Title 3—The President

1622(d)), I am continuing the national emergency with respect to Iran. This notice shall be published in the **Federal Register** and transmitted to the Congress.
