SUPPLEMENTARY INFORMATION: In 1993, the Department of Defense, Housing Facility (DODHF), Novato, California, was designated for closure pursuant to the Defense Base Closure and Realignment Act of 1990, as amended. Pursuant to this designation, on December 19, 1994, the majority of the land and facilities at this installation were declared surplus to the federal government and available for use by (a) non-federal public agencies pursuant to various statutes which authorize conveyance of property for public projects, and (b) homeless provider groups pursuant to the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411) as amended. Notice of DODHF surplus property was published in the **Federal Register** on March 13, 1995 (60 FR 13415). This notice covered all physical locations on DODHF, with the Navy reserving 181 Capehart Housing Units, 29 Hillside Housing Units and 25 Knolls Housing Units for federal agencies (Coast Guard and Veterans Affairs). Subsequent to the screening, the Coast Guard submitted a revised request for property and the Veterans Affairs withdrew its request entirely. This resulted in the revision of the City of Novato's (Local Redevelopment Authority) reuse plan dated October 1995. For clarification purposes, the following described property is determined surplus: 181 Capehart Family Housing units; 29 Hillside Family Housing Units.

Pursuant to paragraph (7)(B) of Section 2905(b) of the Defense Base Closure and Realignment Act of 1990, as amended, this notice of surplus property at the DODHF, Novato, California, is published in the **Federal Register**.

Dated: April 8, 1998.

Michael I. Quinn,

Commander, Judge Advocate General's Corps, U.S. Navy, Federal Register Liaison Officer.

BILLING CODE 3810-FF-P

DEPARTMENT OF ENERGY

Golden Field Office; Notice of Solicitation for Financial Assistance Applications; Clean Cities Program

AGENCY: Golden Field Office, Department of Energy.

ACTION: Notice of Solicitation for Financial Assistance Applications Number DE-PS36-98GO10295.

SUMMARY: Through this solicitation, DOE is supporting private and/or public sector efforts to improve the organizational and business practices of local Clean Cities coalitions organized to achieve the Energy Policy Act of 1992 (EPAAct) objectives for accelerating the use of alternative fuels.

To carry the EPAAct initiative forward, DOE's Clean Cities program has encouraged the formation of public and private sector coalitions in major metropolitan areas throughout the U.S. for the purposes of working together cooperatively to expand rapidly both production and utilization of AFVs and development of the necessary refueling infrastructure to support such vehicle use.

The objective of this scope of work is to incorporate a collection of information, communication, planning and training tools in order to best support and assist ongoing local Clean Cities coalition efforts to be effective organizations in building new markets for alternative fuels and alternative fuel vehicles. The services provided by this cooperative agreement award will assist local Clean Cities in achieving the objectives they established through Memoranda of Understanding with local partners in each community and DOE.

DATES: The solicitation will be issued on or about April 17, 1998.

ADDRESSES: To obtain a copy of the Solicitation once it is issued, submit a written request to the U.S. Department of Energy, Golden Field Office, 1617 Cole Boulevard, Golden, CO, 80401, Attention: Mr. John Golovach, Contract Specialist. For convenience, requests for the Solicitation may be faxed to Mr. Golovach at (303) 275-4753. The Solicitation can also be accessed via the internet at the following address: <http://www.eren.doe.gov/golden/solicit.htm>. A list of requestors of the solicitation will also be published and may be obtained electronically through the Golden Field Office Home Page at <http://www.eren.doe.gov/golden/solicit.htm>.

SUPPLEMENTARY INFORMATION: EPAAct was enacted to improve energy security and urban air quality. The Clean Cities program was initiated by DOE for the purposes of fulfilling voluntary commitment provisions, Section 505 of EPAAct, in order to accelerate the public and private sector use of alternative fuel vehicles (AFVs). The Clean Cities program is a growing national network of local coalitions that are dependent upon an integrated information and training system to remain effective. The scope of the Clean Cities Program will require expertise in the following exemplary areas of support: (a) Alternative fuels and alternative fuel vehicles; (b) Alternative fuels and air quality legislation and regulations; (c) Knowledge of key members of industry; (d) Intergovernmental organizations; (e) Training and curricula development and materials; (f) Marketing, advertising, and public outreach; (g) Organizational planning; and (h) Meetings and workshop facilitation. Through this solicitation, the Department of Energy seeks to support local Clean Cities partnerships in the following three general areas of interest: (1) Training and Outreach to Local Clean Cities; (2) Public Outreach; and (3) Alternative Fuel Market Development.
