SUPPLEMENTARY INFORMATION:

Overview

The Violent Crime Control and Law Enforcement Act of 1994 (Pub. L. 103-322) authorizes the Department of Justice to make grants to increase deployment of law enforcement officers devoted to community policing on the streets and rural routes in this nation. UHP enables interested agencies to supplement their current sworn forces, or interested jurisdictions to establish a new agency, through Federal grants for up to three years. All policing agencies, as well as jurisdictions seeking to establish new policing agencies, are eligible to apply for this program.

Grants will be made of up to 75 percent of the total salary and benefits for each new officer over three years, and up to a maximum of \$75,000 per officer, with the remainder to be paid by state or local funds. Funding will begin once the new officers have been hired or on the date of the award, whichever is later, and will be paid over the course of the grant. Funding may not be applied to officers hired pre-award without written authorization from the COPS Office.

Waivers of the non-Federal matching requirement may be requested under UHP, but will be granted only upon a showing of extraordinary fiscal hardship.

COPS grant funds must not be used to replace funds that eligible agencies otherwise would have devoted to future officer hiring. In other words, any hiring under UHP must be in addition to, and

not in lieu of, officers that otherwise would have been hired. All grant recipients must develop a written plan to retain their COPS-funded officer positions after Federal funding has ended. This plan must be submitted to the COPS Office with your application.

In hiring additional officers, agencies may not reduce the scope of their customary screening and training procedures, and must include community policing principles in their training curricula.

An award under the COPS Universal Hiring Program will not affect the consideration of an agency's eligibility for a grant under other COPS programs.

The Catalog of Federal Domestic Assistance (CFDA) reference for this program is 16.710.

Dated: April 20, 1998.

Director.
