**Title: Charter Service Operations**  
(OMB Number: 2132-0543)

**Background:** Section 5323(d) of the Federal Transit Laws (FT Laws) requires all applicants for financial assistance from FTA to enter into a charter bus agreement with the Secretary of Transportation (delegated to the Administrator of FTA in 49 CFR 1.51(a)). Section 5323(d) of the FT Laws provides protections for private intercity charter bus operators from unfair competition by FTA recipients. Section 5302(a)(7) of the FT Laws as interpreted by the Comptroller General permits FTA recipients, but does not state that recipients have a right, to provide charter bus service with FTA funded facilities and equipment only if it is incidental to the provision of mass transportation service. These statutory requirements have been implemented in FTA's charter regulation, 49 CFR Part 604.

49 CFR 604.7 requires all applicants for financial assistance under Section 5309, 5336, or 5311 of the FT Laws to include two copies of a charter bus agreement with the first grant application submitted after the effective date of the rule. The applicant signs the agreement, but FTA executes it only upon approval of the application. This is a one-time submission with incorporation by reference in subsequent grant applications. Section 604.11(b) requires recipients to provide notice to all private charter operators and allow them to demonstrate that they are willing and able to provide the charter service the recipient is proposing to provide. The notice must be published in a newspaper and sent to any private operator requesting notice and to the United Bus Owners of

America and the American Bus Association, the two trade associations to which most private charter operators belong. To continue receiving federal financial assistance, recipients must publish this notice annually. Section 604.13(b) requires recipients to notify each private operator that presented evidence of the recipient's determination whether the private operator meets the definition of "willing and able." This notice is also an annual requirement. On December 30, 1988, FTA issued an amendment to the Charter Service Regulation which allows additional exceptions for certain non-profit social service groups that meet eligibility requirements.

**Respondents:** State and local government, business or other for-profit institutions, and non-profit institutions.

**Estimated Annual Burden on**

**Respondents:** 1.2 hours for each of the 1,656 respondents.

**Estimated Total Annual Burden:**

1,984 hours.

**Frequency:** Annual.

Issued: June 26, 1998.
