

short of extinction is a priority 2 task. All other actions necessary to provide for full recovery of listed species are priority 3 tasks.

NMFS has modified the priorities assigned to certain recovery tasks in the Implementation Schedule to better reflect NMFS guidance on priority rankings (55 FR 24296). These changes resulted in downgrading from priority 1 to 2 the following recovery tasks: 1.2B, 1.2C, 1.3A, 2.2C, 2.3A, 2.4A, 2.4B, 2.4E, and 2.4F. Recovery task 1.1D was changed from priority 1 to priority 3, and tasks 2.6A, 2.6B, and 3.1H were changed from priority 2 to priority 3. In many cases, the above changes were made in recognition that there is insufficient information available for many shortnose sturgeon populations to determine which factors may be limiting recovery and threatening the survival of specific populations. As new information becomes available, priority rankings for recovery tasks may warrant additional changes.

COMMODITY FUTURES TRADING COMMISSION

**Chicago Mercantile Exchange:
Proposed Amendments to the Cash
Settlement Provisions of the CME
Brazilian Real Futures Contract**

AGENCY: Commodity Futures Trading Commission.

ACTION: Notice of availability of proposed amendments to the terms and conditions of commodity futures contract.

SUMMARY: The Chicago Mercantile Exchange (CME or Exchange) has submitted proposed amendments related to the cash settlement provisions of its Brazilian Real futures contract. Under the proposal, the CME proposes to adopt procedures to set an alternative cash settlement price in the event the Central Bank of Brazil does not determine and/or the SISBACEN does not disseminate the official average offer rate of Brazilian reais per U.S. dollar on the last day of trading. That alternative cash settlement price would be based on the results of the CME survey of financial institutions inside of Brazil who are active in the Brazilian reais per commercial U.S. dollar spot and/or non-deliverable forward (NDF) markets. The Acting Director of the Division of Economic Analysis (Division) of the Commission, acting pursuant to the authority delegated by Commission Regulation 140.96, has determined that publication of the proposals for comment is in the public interest, will assist the Commission in considering the views of interested persons, and is consistent with the purpose of the Commodity Exchange Act.

DATES: Comments must be received on or before January 4, 1999.

ADDRESSES: Interested persons should submit their views and comments to Jean A. Webb, Secretary, Commodity Futures Trading Commission, Three Lafayette Centre, 1155 21st Street, NW Washington, DC 20581. In addition, comments may be sent by facsimile transmission to facsimile number (202) 418–5521, or by electronic mail to secretary@cftc.gov.
