Revision of Form MMS-2005, Oil and Gas Lease of Submerged Lands Under the Outer Continental Shelf Lands Act

ACTION: Notice of extension of comment period and announcement of public workshop.

SUMMARY: This notice extends the period that MMS will accept comments on the revision of Form MMS-2005, Oil and Gas Lease of Submerged Lands Under the Outer Continental Shelf Lands Act to February 8, 1999. The document was published in the **Federal Register** on November 9, 1998 (63 FR 60380). In response to requests received at the December 10, 1998 workshop, MMS will hold an additional workshop to further discuss the document in January 1999. The date and location will be announced in a subsequent **Federal Register** notice.

FOR ADDITIONAL INFORMATION CONTACT: Terry Holman, 202-208-3822 or e-mail to Terry.Holman@mms.gov. Comments may be sent to Terry Holman, Minerals Management Service, Mail Stop 4230, 1849 C Street, NW, Washington, DC 20240.

SUPPLEMENTARY INFORMATION: MMS has determined that Form MMS-2005, the lease document, needs revision due to changes in regulations since it was last reviewed in 1986. MMS has revised the form to reflect plain English and has rewritten it for clarity and organization. To reduce the need for future revisions to the document due to changes in regulations, MMS refers the Lessee to applicable laws, and rules and regulations of the Department. Much of the wording of existing Form MMS-2005 that specifically cites, incorporates by reference, or restates statutory and regulatory requirements is therefore deleted from the proposed revision.

Dated: December 22, 1998.

Director, Minerals Management Service.
