**Medicare and Medicaid Program;  
Appeal of the Loss of Nurse Aide  
Training Programs; Correction**

**AGENCY:** Health Care Financing  
Administration (HCFA), HHS.

**ACTION:** Correction of interim final rule  
with comment period.

**SUMMARY:** This document corrects a  
technical error that appeared in the  
interim final rule with comment period  
published in the **Federal Register** on  
July 23, 1999, entitled “Medicare and  
Medicaid Programs; Appeal of the Loss  
of Nurse Aide Training Programs.”

**EFFECTIVE DATE:** July 23, 1999.

**SUPPLEMENTARY INFORMATION:**

**Background**

In FR Doc. 99–18802 of July 23, 1999,  
(64 FR 39934), there was a technical  
error. The error relates to an omission of  
a needed change to our hearing  
regulations and the accompanying  
preamble discussion. Specifically, the  
interim final regulation explicitly made  
appealable determinations of  
substandard quality of care that lead to  
a nursing home’s loss of its nurse aide  
training program. What was  
inadvertently omitted was a needed  
revision to § 498.3(b)(12) (Initial  
determinations by HCFA) which  
excludes a loss of nurse aide training  
from the list of initial determinations  
that are appealable. Because this  
provision is so flatly inconsistent with  
the rest of the recently published

interim final rule, which made this  
determination appealable, § 498.3(b)(12)  
needs to be revised as well to make it  
consistent with the rest of the nurse aide  
training appeal rule.

The provision in this correction  
notice is effective as if it had been  
included in the document published in  
the **Federal Register** on July 23, 1999.

**Correction of Errors**

In FR Doc. 99–18802 of July 23, 1999,  
make the following corrections:

1. On page 39936, column one, a  
paragraph is added after the second full  
paragraph to read as follows:

“We are revising § 498.3(b) (Initial  
determinations by HCFA) by revising  
paragraph (12) to remove the reference  
to the loss of the approval for a nurse  
aide training program as an exception to  
an initial determination.”

**§ 498.3 [Corrected]**

2. On page 39937, in column 3, in the  
regulations text, the amendatory  
language for item 2 should be revised to  
read as follows:

“2. In § 498.3, paragraphs (b)(12) and  
(b)(13) are revised, a new paragraph  
(b)(15) is added, and paragraph  
(d)(10)(iii) is revised to read as follows:”

3. On page 39937, in column 3, in  
§ 498.3, paragraph (b)(12) is correctly  
revised to read as follows:

**§ 498.3 Scope and applicability**
