

physically based simulations of Vision 21 components, modules, and plants are sought; an integrated suite of codes (software) called the "virtual demonstration" or "virtual plant" is needed to illustrate equipment configuration and orientation and simulate plant operation.

Awards

DOE anticipates issuing financial assistance (cooperative agreements) for each project selected. DOE reserves the right to support or not support, with or without discussions, any or all applications received in whole or in part, and to determine how many awards may be made through the solicitation subject to the funds available. Approximately \$5 million - \$10 million of DOE funding is planned for this solicitation in each of the three years FY00, FY01, and FY02. Cost sharing by the applicant is required, and details of the cost sharing requirement are contained in the solicitation.

Solicitation Release Date

A draft of this Program Solicitation is available for comment on FETC's World Wide Web Server Internet System at <http://www.fetc.doe.gov/business/solicit> until August 20, 1999. The final Program Solicitation is expected to be ready for release on or about September 30, 1999. Applications must be prepared and submitted in accordance with the instructions and forms contained in the Program Solicitation.
