

Volume No. 1, the following revised tariff sheets, bearing a proposed effective date of August 1, 1999: Substitute Eighth Revised Sheet No. 456

Columbia states that this filing is being submitted in compliance with the Commission Letter Order issued on July 23, 1999. On June 30, 1999, Columbia filed tariff sheets in Docket No. RP99-354-000 to conform its Tariff to Version 1.3 of the consensus industry standards, promulgated by the Gas Industry Standards Board (GISB). The Commission directed that pipelines implemented these standards by filing revised tariff sheets not more than 60 days and not less than 30 days prior to the August 1, 1999 implementation date required by Order No. 587-K. By letter order dated July 23, 1999, the Commission accepted the filed tariff sheets with one exception and required Columbia to revise its Tariff to incorporate the change within 15 days of the date of the Letter Order.

In the June 30, 1999 filing, Columbia included GISB standard 2.3.18 in Section 37 of its General Terms and Conditions by reference and also included the standard in Section 8.3 of its General Terms and Conditions. The order directed Columbia to revise its Tariff to incorporate the standard either by reference, or verbatim. The instant filing is in response to the Letter Order, wherein Columbia is removing the standard by reference from sheet No. 456.

Columbia states that copies of its filing and have been mailed to all firm customers, interruptible customers and affected state commissions.
