[T.D. ATF-414]

RIN 1512-AB91

Rules of Practice in Permit Proceedings; Technical Amendments

AGENCY: Bureau of Alcohol, Tobacco and Firearms (ATF), Department of the Treasury.

ACTION: Final rule, Treasury decision.

SUMMARY: This Treasury decision amends the provisions of its rules of practice in permit proceedings to change the title designation "District Director" to "Director of Industry Operations (DIO)" wherever it appears, and to make other necessary conforming amendments. All such changes are to provide clarity and uniformity throughout Title 27 Code of Federal Regulations.

EFFECTIVE DATE: September 10, 1999.

FOR FURTHER INFORMATION CONTACT: Nancy M. Kern, Regulations Division,

650 Massachusetts Avenue, NW, Washington, DC 20226, (202-927-8210).

SUPPLEMENTARY INFORMATION:

Background

The Bureau of Alcohol, Tobacco and Firearms (ATF) administers regulations published in Chapter I of Title 27 Code of Federal Regulations. ATF determined that the regulations in part 200 should be revised to reflect the current ATF field structure reorganization, which established the positions of "Director of Industry Operations" for the respective ATF operating Field Divisions, and eliminated the positions of "District Directors" (formerly Regional Directors) for such districts.

These amendments do not make any substantive changes and are only intended to improve the clarity of Title 27.

Paperwork Reduction Act

The provisions of the Paperwork Reduction Act of 1995, Public Law 104-13, 44 U.S.C. Chapter 35, and its implementing regulations, 5 CFR part 1320, do not apply to this final rule because there are no recordkeeping or reporting requirements.

Regulatory Flexibility Act

Because no notice of proposed rulemaking is required for this rule, the provisions of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) do not apply.

Executive Order 12866

This final rule is not subject to the requirements of Executive Order 12866 because the regulations make nonsubstantive technical amendments to previously published regulations.

Administrative Procedure Act

Because this final rule merely makes technical amendments and conforming changes to improve the clarity of the regulations, it is unnecessary to issue this final rule with notice and public procedure under 5 U.S.C. 553(b), or with the 30-day delayed effective date under 5 U.S.C. 553(b).

[FRL–6434–4]

Finding of Failure To Submit a Required State Implementation Plan for Carbon Monoxide; Nevada—Las Vegas Valley

AGENCY: Environmental Protection Agency (EPA).

ACTION: Final rule.

SUMMARY: EPA is taking final action in making a finding, under the Clean Air Act (CAA or Act), that Nevada failed to make a carbon monoxide (CO) nonattainment area state implementation plan (SIP) submittal required for the Las Vegas Valley under the Act. Under certain provisions of the Act, states are required to submit SIPs providing for, among other things, reasonable further progress and attainment of the CO national ambient air quality standards (NAAQS) in areas classified as serious. The deadline for submittal of this plan for the Las Vegas Valley was May 3, 1999.

This action triggers the 18-month time clock for mandatory application of sanctions and 2-year time clock for a federal implementation plan (FIP) under the Act. This action is consistent with the CAA mechanism for assuring SIP submissions.

EFFECTIVE DATE: This action is effective as of August 31, 1999.

SUPPLEMENTARY INFORMATION:

I. Background

The CAA Amendments of 1990 were enacted on November 15, 1990. Under section 107(d)(1)(C) of the amended CAA, each CO area designated nonattainment prior to enactment of the 1990 Amendments, such as the Las Vegas Valley area, was designated nonattainment by operation of law upon
