This action will open the public lands to surface entry and nonmetalliferous mining subject to other segregations of record. The lands located within the National Forest will be open to such forms of disposition as may by law be made of National Forest System lands and nonmetalliferous mining. The lands have been and remain open to metalliferous mining and mineral leasing.

FOR FURTHER INFORMATION CONTACT: Sandra Ward, BLM Montana State Office, P.O. Box 36800, Billings, Montana 59107-6800, 406-255-2949.

By virtue of the authority vested in the Secretary of the Interior by Section 204 of the Federal Land Policy and Management Act of 1976, 43 U.S.C. 1714 (1994), it is ordered as follows:

1. The Executive Order 5327 dated April 15, 1930, which established the oil shale reserve for classification purposes, is hereby revoked in its entirety. The areas involved aggregate approximately 278,734 acres in Beaverhead County.

2. At 9 a.m., on October 12, 1999, the public lands shall be opened to the operation of the public land laws generally and the National Forest System lands shall be opened to such forms of disposition as may by law be made of National Forest System lands, subject to valid existing rights, the provisions of existing withdrawals, other segregations of record, and the requirements of applicable law. All valid applications received at or prior to 9 a.m., on October 12, 1999, shall be considered as simultaneously filed at that time. Those received thereafter shall be considered in the order of filing.

3. At 9 a.m. on October 12, 1999, the lands shall be opened to location and entry under the United States mining laws for nonmetalliferous minerals,

subject to valid existing rights, the provisions of existing withdrawals, other segregations of record, and the requirements of applicable law. Appropriation of the lands that were classified pursuant to the Executive order stated in paragraph 1 under the general mining laws for nonmetalliferous minerals prior to the date and time of restoration is unauthorized. Any such attempted appropriation, including attempted adverse possession under 30 U.S.C. 38 (1994), shall vest no rights against the United States. Acts required to establish a location and to initiate a right of possession are governed by State law where not in conflict with Federal law. The Bureau of Land Management will not intervene in disputes between rival locators over possessory rights since Congress has provided for such determinations in local courts.
