

Commission's Regulations and Section 12.4 of the General Terms and Conditions of VGS' FERC Gas Tariff. VGS states that this is its first ACA charge filing, and that it has revised Sheet No. 4 to reflect the ACA unit charge of \$.0022 per Dekatherm specified by the Commission in Bill No. M9G90036.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room. Viking Gas Transmission Company; Notice of Tariff Filing

September 3, 1999.

Take notice that on August 30, 1999, Viking Gas Transmission Company (Viking), tendered for filing as part of its FERC Gas Tariff, First Revised Volume No. 1, the tariff sheets listed on Appendix A to the filing. Viking requests an effective date of September 1, 1999 for all of the sheets.

Viking states that the purpose of this filing is to clean-up Viking's tariff by making miscellaneous corrections and updates.

Viking states that copies of the filing have been mailed to all of its jurisdictional customers and to affected state regulatory commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission,

888 First Street, NE, Washington, DC 20426, in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make the protestants parties to the proceedings. Williams Gas Pipelines Central, Inc.; Notice of Proposed Changes in FERC Gas Tariff

September 3, 1999.

Take notice that on August 27, 1999, Williams Gas Pipelines Central, Inc. (Williams), tendered for filing a part of its FERC Gas Tariff, Original Volume No. 1, the following tariff sheets with the proposed effective date of September 1, 1999:

Ninth Revised Sheet No. 6
Twelfth Revised Sheet No. 6A

Williams states that the purpose of the instant filing is to permit Williams to place into effect on September 1, 1999, tariff sheets that recover the GSR costs filed in Docket No. RP99-257-000 and RP89-183-085 and accepted and suspended by order dated March 31, 1999. Williams is concurrently filing a motion to place these tariff sheets into effect on September 1, 1999. As noted in that motion, if the Stipulation and Agreement certified to the Commission in this and related dockets on July 28, 1999 is approved without modification and becomes effective as to all parties, the GSR surcharges and rate components on the tariff sheets being submitted herewith would be eliminated.

Williams stated that a copy of its filing was served on all participants

listed on the service lists maintained by the Commission in the dockets referenced above and on all of Williams' jurisdictional customers and interested state commissions.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with § 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in § 154.210 of the Commission's regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room. Athens Generating Company, L.P., et al.; Electric Rate and Corporate Regulation Filings

September 2, 1999.

Take notice that the following filings have been made with the Commission:

1. Athens Generating Company, L.P.

[Docket No. EG99-219-000]

Take notice that on August 27, 1999, Athens Generating Company, L.P. (Athens), a limited partnership with its principal place of business at 7500 Old Georgetown Road, Bethesda, MD 20814, filed with the Federal Energy Regulatory Commission an application for determination of exempt wholesale generator status pursuant to Part 365 of the Commission's regulations.

Athens proposes to construct, own or lease and operate a nominally rated 1080 MW natural gas-fired, combined cycle power plant in the Town of Athens, Greene County, New York. The proposed power plant is expected to commence commercial operation in the first quarter of 2002. All output from the plant will be sold by Athens exclusively at wholesale.
