[AAG/A Order No. 174-99]

Exemption of Records System Under the Privacy Act

AGENCY: Executive Office for Immigration Review, Department of Justice.

ACTION: Proposed rule.

SUMMARY: The Department of Justice proposes to exempt a Privacy Act system of records from subsection (d) of the Privacy Act, 5 U.S.C. 552a. This system of records, the "Practitioner Complaint/Disciplinary Files," (Justice/EOIR-003) may contain information which relates to official Federal investigations and matters of law and regulatory enforcement of the Executive Office for Immigration Review (EOIR). Accordingly, where applicable, the exemptions are necessary to avoid interference with the law and regulatory enforcement functions of EOIR. Specifically, the exemptions are necessary for the following: To prevent subjects of investigations from frustrating the investigatory process; to preclude the disclosure of investigative techniques; to impede the identification of confidential sources and of law and

regulatory enforcement personnel, as well as to protect their physical safety; to ensure EOIR's ability to obtain facts from information sources; to protect the privacy of third parties; and to safeguard classified information as required by Executive Order 12958.

DATES: Submit any comments by October 12, 1999.

ADDRESSES: Address any comments to Mary E. Cahill, Management and Planning Staff, Justice Management Division, Department of Justice, Washington, DC 20530 (Room 1400, National Place Building).

FOR FURTHER INFORMATION CONTACT: Mary E. Cahill, (202) 307-1823.

Regulatory Flexibility Act

This Order relates to individuals rather than small business entities. Nevertheless, pursuant to the requirements of the Regulatory Flexibility Act, 5 U.S.C. 601-612, it is hereby stated that the order will not have a "significant economic impact on a substantial number of small entities."

Executive Order 12988

The rule complies with the applicable standards provided in sections 3(a) and 3(b)(2) of Executive Order No. 12988.

Executive Order 12866

List of Subjects in Part 16

Administrative Practices and Procedures, Courts, Freedom of Information Act, Privacy Act, and Government in Sunshine Act.

Dated: August 25, 1999.

Stephen R. Colgate,
Assistant Attorney General for Administration.

Pursuant to the authority vested in the Attorney General by 5 U.S.C. 552a and delegated to me by Attorney General Order No. 793-78, it is proposed to amend 29 CFR part 16 as follows:

PART 16—[AMENDED]

1. The authority for part 16 continues to read as follows:

Authority: 5 U.S.C. 301, 552, 552a, 552b(g), 553; 18 U.S.C. 4203(a)(1); 28 U.S.C. 509, 510, 534; 31 U.S.C. 3717, 9701.

2. It is proposed to amend 28 CFR 16.83 by adding paragraphs (c) and (d) to read as follows:

§ 16.83 Exemption of the Executive Office for Immigration Review System—limited access.

* * * * *

(c) The following system of records is exempted from 5 U.S.C. 552a(d).

(1) Practitioner Complaint/Disciplinary Files (JUSTICE/EOIR 003).

This exemption applies only to the extent that information in this system is subject to exemption pursuant to 5 U.S.C. 552a(j)(2), (k)(1), and (k)(2). To the extent that information in a record pertaining to an individual does not relate to national defense or foreign policy, official Federal investigations, and/or law enforcement matters, the exemption does not apply. In addition, where compliance would not appear to interfere with or adversely affect the overall law or regulatory enforcement process, the applicable exemption may be waived by the Executive Office for Immigration Review.

(d) Exemption from subsection (d) is justified for the following reasons:

(1) From the access and amendment provisions of subsection (d) because access to the records contained in this system of records could inform the subject of the investigation of an actual or potential criminal, civil, or regulatory violation or the existence of that investigation; of the nature and scope of the information and evidence obtained as to the subject's activities; of the identity of confidential sources, witnesses, and law enforcement personnel; and of information that may enable the subject to avoid detection or apprehension. These factors would present a serious impediment to effective law and regulatory enforcement where they prevent the successful completion of the investigation, endanger the physical safety of confidential sources, witnesses, and law enforcement personnel, and/or lead to the improper influencing of witnesses, the destruction of evidence, or the fabrication of testimony. In addition, granting access to such information could disclose security-sensitive or confidential business information or information that would constitute an unwarranted invasion of the personal privacy of third parties. Finally, access to the records could result in the release of properly classified information which would compromise the national defense or disrupt foreign policy. Amendment of

the records would interfere with ongoing investigations and law enforcement activities and impose an enormous administrative burden by requiring investigations to be continuously reinvestigated.
