SUPPLEMENTARY INFORMATION: This is a summary of the Commission's *Order* in WT Docket No. 99-87, DA 99-1861, adopted and released on September 10, 1999. The full text of the *Order* is available for inspection and copying during normal business hours in the FCC Reference Information Center, Room CY-A257, 445 Twelfth Street, SW., Washington, DC 20554, and may also be purchased from the Commission's duplicating contractor, International Transcription Services, Inc., 445 Twelfth Street, SW., Room CY-B400, Washington, DC 20554, (202) 314-3070. The *Order* is also available on the Internet at the Commission's web site: <http://www.fcc.gov/wtb/documents.html>.

1. On March 25, 1999, the Commission released a *Notice of Proposed Rule Making* ("NPRM"), WT Docket No. 99-87, RM-9332, RM-9405, FCC 99-52, 63 FR 23571, May 3, 1999. The *NPRM* initially stated that comments and reply comments would be due on or before July 2, 1999 and August 2, 1999, respectively. On May 19, 1999 the Commission released an *Order*, WT Docket No. 99-87, RM-9332, RM-9405, FCC 99-950, 64 FR 30288, June 7, 1999, extending the deadline for comments to August 2, 1999 and reply comments to September 16, 1999.

2. On September 8, 1999, the Land Mobile Communications Council ("LMCC") filed a "Request for Extension of Time to File Reply Comments" to extend the deadline for filing reply comments to September 30, 1999. LMCC contends that an extension is warranted due to the voluminous initial responses to the *NPRM*, the multiple questions raised therein as well as coinciding comment deadlines in other Commission proceedings that significantly impact the private wireless industry.

3. Although the Commission does not routinely grant extensions of time in rule making proceedings, we agree that an extension will afford parties the necessary time to coordinate and file reply comments that will facilitate the compilation of a more complete record in this proceeding, without causing

undue delay of the Commission's consideration of the issues.

Accordingly, *it is ordered* that the "Request for Extension of Time to File Reply Comments" filed by the Land Mobile Communications Council is granted. Interested parties may file reply comments on or before September 30, 1999.

4. This action is taken pursuant to the authority provided in 47 CFR 1.46 and under delegated authority pursuant to 47 CFR 0.131, 0.331.
