

comments, in the alternative, on the likelihood of future dumping.

*Department's Position:* Because we have determined that NHCI is not eligible for revocation, based on the fact

that it did not make sales in commercial quantities during the three year period being analyzed, we do not reach the likelihood of future dumping issue.

*Final Results of Review*

As a result of this review, we find that the following margin exists for the period August 1, 1997, through July 31, 1998:

Manufacturer/exporter	Period	Margin
Norsk Hydro Canada Inc .....	8/1/96-7/31/97	0

The results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the review and for future deposits of estimated duties for the manufacturers/exporters subject to this review. The Department will issue appraisal instructions directly to the Customs Service.

Furthermore, the following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of these final results of this new shipper administrative review, as provided by section 751(a)(1) of the Act: (1) the cash deposit rate for the reviewed company will be the rate indicated above; (2) for companies not covered in this review, but covered in previous reviews or the original less-than-fair-value investigation, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation, but the manufacturer is, the cash deposit rate will be the most recent rate established for the manufacturer of the merchandise; and (4) if neither the exporter nor the manufacturer is a firm covered in this or any previous review or the original investigation, the cash deposit rate will be the "all others" rate of 21 percent established in the amended final determination of sales at less than fair value (58 FR 62643 (November 29, 1993)).

These deposit requirements will remain in effect until publication of the final results of the next administrative review.

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective orders ("APOs") of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.306. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing this administrative review and notice in accordance with sections 751(a)(1) and 771(i)(1) of the Act.

Dated: September 8, 1999.

**Notice of Extension of Time Limit for Final Results of the Antidumping Duty Administrative Review of Certain Welded Carbon Steel Pipes and Tubes From Thailand**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of extension of time limit for final results of antidumping duty administrative review.

**SUMMARY:** The Department of Commerce ("the Department") is extending the time limit for the final result for the 1997-1998 antidumping duty administrative review for the antidumping order on certain welded carbon steel pipes and tubes from Thailand. This review covers the period March 1, 1997 through February 28, 1998. The extension is made pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended.

**EFFECTIVE DATES:** September 17, 1999.

**FOR FURTHER INFORMATION CONTACT:** John Totaro at (202) 482-1374; AD/CVD Enforcement Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230.

**The Applicable Statute**

Unless otherwise indicated, all citations to the Tariff Act of 1930 ("the Act") are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act.

**Postponement of Final Results**

On April 13, 1999, the Department published in the **Federal Register** the preliminary results for this review. See 64 FR 17998. Section 751(a)(3)(A) of the Act requires the Department to complete an administrative review within 120 days of publication of the preliminary results. If it is not practicable to complete the review within the 120-day time limit, section 751(a)(3)(A) of the Act allows the Department to extend the time limit to 180 days from the date of publication of the preliminary results. On August 18, 1999, the Department published in the **Federal Register** an extension of the time limit for the final results of this review until September 10, 1999. See 64 FR 44892. However, the Department has determined that it is not practicable to issue its final results within this time limit (See Decision Memorandum from Joseph A. Spetrini to Robert S. LaRussa dated September 10, 1999). We are therefore fully extending the deadline for the final results in this review to 180 days from the date on which the notice of preliminary results was published. The fully extended deadline for the final results is October 12, 1999.

Dated: September 10, 1999.
