Background

On September 4, 1996, the Department published in the **Federal Register** (61 FR 46621) the antidumping duty order on large newspaper printing presses ("LNPP") and components thereof, whether assembled or unassembled, from Japan. On May 28, 1999, Goss Graphic Systems, Inc. ("Goss") requested that the Department conduct a changed circumstances administrative review to determine, pursuant to 19 CFR 351.216(b), whether to revoke in part the antidumping duty order on LNPPs from Japan with regard to imports of the elements and components of LNPP systems, and additions thereto, imported to fulfill a contract for one or more complete LNPP systems, as described in detail below under "Scope of Review." Goss states that it is no longer interested in maintaining the order as applied to the category of merchandise described in the request.
