BILLING CODE 7535-01-M

NATIONAL LABOR RELATIONS BOARD

Privacy Act of 1974; Publication of Revised System of Records Notice

AGENCY: National Labor Relations Board (NLRB).

ACTION: Revised publication of System of Records Notice NLRB-4, Claim Records.

SUMMARY: The Privacy Act of 1974, as amended, requires that each agency publish a notice of a proposed new System of Records, as well as proposals to revise existing Systems of Records. This notice alters an existing Privacy Act System of Records Notice NLRB-4, Claim Records, by deleting two routine uses, dividing one routine use into two distinct uses for purposes of clarity, amending the language of four routine uses, changing the system manager, and the address of the system location, and updating the citations referring to 29 CFR 102.117; as well as making several insignificant administrative language revisions.

All persons are advised that in the absence of submitted comments, views, or arguments considered by the NLRB as warranting modification of the notice as herewith to be published, it is the intention of the NLRB that the notice shall be effective upon expiration of the comment period without further action by this Agency.

DATES: The amended System of Records Notice will become effective without further notice 30 days from the date of this publication (January 13, 2000) unless comments are received on or

before that date which result in a contrary determination.

ADDRESSES: All persons who desire to submit written comments, views, or arguments for consideration by the NLRB in connection with the proposed revised System of Records Notice shall file them with the Executive Secretary, National Labor Relations Board, 1099 14th Street, NW, Room 11600, Washington, DC 20570-0001.

Copies of all such communications will be available for examination by interested persons during normal business hours in the Office of the Executive Secretary, National Labor Relations Board, 1099 14th Street, NW, Room 11600, Washington, DC 20570-0001.

FOR FURTHER INFORMATION CONTACT: John J. Toner, Executive Secretary, National Labor Relations Board, 1099 14th Street, NW, Room 11600, Washington, DC 20570-0001.

SUPPLEMENTARY INFORMATION: The following changes have been made to the existing NLRB System of Records Notice NLRB-4, Claim Records.

1. Routine uses 1 and 2 have been deleted because the specified "need to know" in them is authorized by 5 U.S.C. 552a(b) (1) and (5).

2. Routine use 3 has been amended by changing reference from "Agency" to "NLRB" for more specificity, and has been renumbered 1.

3. Routine use 4 has been amended to specify more exactly the information that may be disclosed to a court or an adjudicative body in the course of presenting evidence or argument including disclosure to opposing counsel or witnesses in the course of civil discovery, and has been renumbered 2.

4. Routine use 5 has been renumbered 3.

5. Routine use 6 has been amended to specify more exactly the categories of users and the information that may be disclosed, and has been renumbered 4.

6. The language of routine use 7 has been amended to specify that on disclosure to an inquiring congressional office, the subject individual must be a constituent about whom the records are maintained, and has been renumbered 5.

7. Routine use 8 has been renumbered 6.

8. Routine use 9 has been divided into two distinct uses for purposes of clarity, one dealing solely with arbitrators and the other with officials of labor organizations. The language has been amended to conform to the intent of routine use (e) in the Government-wide system of records OPM/GOVT-2,

Employee Performance File System Records, to eliminate the NLRB requirement that the information that may be disclosed to a labor organization "shall be furnished in depersonalized form, i.e., without personal identifiers." Routine use (e) is a Government-wide system of records OPM/GOVT-2 which provides that the information will be "disclosed to an arbitrator to resolve disputes under a negotiated grievance procedure or to officials of labor organizations under 5 U.S.C. Chapter 71 when relevant and necessary to their duties of exclusive representation." The NLRB is deleting the requirement that "[W]herever feasible and consistent with the responsibilities under the Act, such information shall be furnished in depersonalized form, i.e., without personal identifiers," a requirement not contained in OPM-GOVT-2 routine use (e). Routine use 9 has been renumbered 7 and 8.

9. The manager, system location, and address of NLRB-4 has been changed from "Library and Administrative Services Branch" to "Director, Division of Administration" and from "NLRB, 1717 Pennsylvania Avenue, NW, Washington, DC 20570-0001" to "NLRB, 1099 14th Street, NW, Washington, DC 20570-0001."

10. References to 29 CFR 102.117 citations in NLRB-4 have been changed to read as follows for the paragraphs in Notification Procedures, 29 CFR 102.117(f); Records Access Procedures, 29 CFR 102.117 (g) and (h); and Contesting Records Procedures, 29 CFR 102.117(i).

A report of the proposal to revise this system of records was filed pursuant to 5 U.S.C. 552(r) with Congress and the Office of Management and Budget.

Dated: Washington, DC, December 3, 1999.

By direction of the Board.

John J. Toner,
Executive Secretary.
