Large Newspaper Printing Presses and Components Thereof, Whether Assembled or Unassembled, from Japan: Final Results of Changed Circumstances Antidumping Duty Administrative Review and Intent To Revoke Antidumping Duty Order, In Part

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of final results of changed circumstances antidumping

duty administrative review and intent to revoke antidumping duty order, in part.

SUMMARY: On November 3, 1999, the Department of Commerce published a notice of preliminary results of changed circumstances review and intent to revoke the order, in part, of the antidumping duty order on large newspaper printing presses and components thereof, whether assembled or unassembled, from Japan. We gave interested parties an opportunity to comment on the preliminary results. No party opposed the preliminary results. We received comments only from Mitsubishi Heavy Industries, Ltd., requesting that the Department of Commerce clarify the application of the proposed certification requirements with respect to entries of the merchandise covered by the partial revocation.

We are now revoking this order, in part, based on the fact that producers accounting for substantially all production of the domestic like product, as described in our preliminary results of changed circumstances, support the request of Goss Graphic Systems, Inc., the petitioner and a U.S. producer of the subject merchandise, for revocation, in part, of the order with regard to large newspaper printing presses ("LNPP") and components thereof, whether assembled or unassembled, from Japan, as described below.

EFFECTIVE DATE: December 27, 1999.
