## DEPARTMENT OF JUSTICE

**Immigration and Naturalization Service**

[INS No. 1927-98]

**Eligibility Pilot Program Citizen Attestation Employment**

**AGENCY:** Immigration and Naturalization Service, Justice.

**ACTION:** Notice.

**SUMMARY:** In April 1999, the Immigration and Naturalization Service (Service) will begin testing the Citizen Attestation Employment Eligibility Pilot Program. On September 15, 1997, the Service published a notice in the **Federal Register** providing the requirements and guidance to employers that might be interested in participating in a pilot program(s) for employment eligibility confirmation. The notice also instructed employers to contact the Service if they elected to participate in the program(s). The pilot programs discussed in that notice were the Basic Pilot, the Citizen Attestation Pilot, and the Machine-Readable Document Pilot. These pilot programs are required by the Illegal Immigration Reform and Immigrant Responsibility Act of 1996 (IIRIRA). Employers in all 50 states were originally invited to submit election forms expressing interest in the Citizen Attestation Pilot Program, but the Service reserved the right to limit the pilot to certain states based on the level of employer interest and on further determinations as to states driver licensing procedures. This notice is to advise employees that the Citizen Attestation Pilot will be offered to all employers in the states of Arizona, Maryland, Massachusetts, Michigan, and Virginia.

**DATES:** There is no deadline for volunteering to participate in the Citizen Attestation Pilot Program, but interested employers should contact the Service as soon as possible to maximize their opportunity to participate.
