Industrial Nitrocellulose From the United Kingdom: Notice of Extension of Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of Extension of time limits for preliminary results of antidumping duty administrative review of industrial nitrocellulose from the United Kingdom.

SUMMARY: The Department of Commerce ("the Department") is extending the time limits for the preliminary results of the antidumping duty administrative review of the antidumping order on industrial nitrocellulose from the United Kingdom. This review covers one producer/exporter of industrial nitrocellulose for the period July 1, 1997, through June 30, 1998.

EFFECTIVE DATE: April 6, 1999.

FOR FURTHER INFORMATION CONTACT: Todd Peterson or Thomas Futtner, AD/CVD Enforcement Group II, Office 4, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington D.C. 20230, telephone (202) 482-4195 or 482-3814, respectively.

SUPPLEMENTARY INFORMATION:

Applicable Statute and Regulations

Unless otherwise indicated, all citations to the Tariff Act of 1930, as amended ("the Act") are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act. In addition, unless otherwise indicated, all citations to the Department's regulations are references to the provisions codified at 19 CFR part 351 (1998).

Extension of Time Limits for Preliminary Results

The Department initiated this administrative review on August 27, 1998 (63 FR 45796). Under section 751(a)(3)(A) of the Act, the Department may extend the deadline for completion of an administrative review if it determines that it is not practicable to complete the review within the statutory time limit. Due to the complexity of a certain issue in this case, the Department determines that it is not practicable to complete the preliminary results of this review within the statutory time limit. See memorandum from Holly A. Kuga to Robert S. LaRussa, which is on file in Room B-099 at the Department's headquarters. Therefore, the Department is extending the time limit for the preliminary results of the aforementioned review to July 31, 1999. The final determination will occur within 120 days of the publication of the preliminary results.

This extension of time limits is in accordance with section 751(a)(3)(A) of the Act.

Dated: March 30, 1999.

Louis Apple,

Acting Deputy Assistant Secretary, AD/CVD Enforcement Group II.

American Fisheries Act (AFA) measures on non-pollock fisheries, and initial review of amendments to fishery management plans to conform with the AFA.

3. Final review of management measures for seabird protection, and review an experimental fishery permits, if available, for bird avoidance measures.

4. Review of logbook data collection for the halibut charter fisheries off Alaska.

5. Initial review of fishery management plan amendments:

a. A non-pelagic trawl ban in Cook Inlet.

b. Initial review of alternatives for shark management.

6. Initial review of a proposed rebuilding plan for *C. bairdi* crab in the Bering Sea.

Advisory Panel

The agenda for the Advisory Panel will include the same subjects as listed below for the Council's plenary session, with the exception of Halibut Charter Guideline Harvest Level (Item 2), and Crab LLP Eligibility (Item 6), which they considered at their February 1999 meeting, and Magnuson-Stevens Act Reauthorization (Item 10), the NMFS Budget (Item 12), and the status reports listed in Item 1.

Council

The agenda for the Council's plenary session will include the following issues. The Council may take appropriate action on any of the issues identified.

1. The Council will receive the following reports, taking action if required:

a. Reports from the National Marine Fisheries Service (NMFS) and the Alaska Department of Fish and Game (ADF&G) on the current status of the groundfish fisheries off Alaska.

b. Reports from the U.S. Coast Guard and NMFS Enforcement on recent enforcement activities.

c. Report from the National Research Council on a recent ecosystems management study.

2. The Council will review a discussion paper of proposed management measures for the Alaska halibut charterboat fleet and provide direction to staff.

3. Receive reports on Federal and State research activities relating to Steller sea lions.

4. Initial review of alternatives and options for implementation of additional or alternative Steller sea lion protection measures for 2000 and beyond.

5. Initial review of fishery management plan amendments to conform with requirements of the American Fisheries Act (AFA), and initial review of an amendment package for fishery management measures to mitigate impacts of the AFA on non-pollock fisheries.

6. Consider revision of previous action on eligibility for the license limitation program for the crab fisheries off Alaska.

7. The Council will discuss sustainable fisheries management, and receive a progress report on development of criteria for defining habitat areas of particular concern.

8. The Council is scheduled to take final action on management measures for seabird protection, discuss the problem of net debris, and review experimental fishery permits, if available, for bird avoidance measures.

9. The Council will receive a status report on the national vessel monitoring system.

10. The Council will receive a status report on a proposed weighmaster program for the halibut and sablefish IFQ fisheries and take any necessary action.

11. The Council will hold an initial discussion of potential amendments to the Magnuson-Stevens Fishery Conservation and Management Act.

12. The Council will discuss and comment, if necessary, on a proposed rule to reduce observer coverage on longline catcher vessels 60 ft and under in the Community Development Quota (CDQ) program.

13. The Council will receive a status report on communities eligible under the CDQ program, and review an analysis to reduce CDQ observer coverage at shore plants.

14. The Council will discuss NMFS budget priorities and regional funding allocations within NMFS.

15. Under Groundfish Management, the Council will consider the following subjects:

a. Final action on reduction of the maximum retainable bycatch of shorttraker/rougheye and thornyhead rockfish.

b. Initial review of an amendment to ban non-pelagic trawl gear in Cook Inlet.

c. Review of any proposals received for individual vessel bycatch accountability and halibut mortality avoidance programs.

d. Direction to staff on allocation of Bering Sea/Aleutian Islands Pacific cod between freezer longliners and other fixed gear.

e. Initial review of management alternatives for sharks in the waters off Alaska.

f. Discussion and direction to staff on analysis of species endorsements under the groundfish license limitation program.

g. Review experimental fisheries permit to assess sampling for species composition.

16. Initial review of a rebuilding plan for *bairdi* crab in the Bering Sea/Aleutian Islands.

17. Review Board of Fisheries activities concerning crab fishing seasons and new stand-down requirements.

The Council will review and discuss potential impacts of these actions on other Council-managed fisheries and take action as necessary.

Although other issues not contained in this agenda may come before this Council for discussion, in accordance with the Magnuson-Stevens Fishery Conservation and Management Act, those issues may not be the subject of formal Council action during the meeting. Council action will be restricted to those issues specifically identified in the agenda listed in this notice.
