This Notice also lists the following information:

Title of Proposal: Lease and Sale of HUD-Acquired Single Family Properties for the Homeless.

OMB Control Number, if applicable: 2502-0412.

Description of the need for the information and proposed use: HUD seeks to assist individuals and families who are homeless by providing them with transitional housing and appropriate supportive services with the goal of helping them move to independent living. This information collection allows HUD to determine whether an applicant qualifies as a homeless provider for the purpose of lease or purchase of a HUD-acquired property. Without the information, the Department would be unable to establish eligibility. Eligible applicants, including State and local governments, may apply to HUD to become approved as homeless providers. Such approval permits the applicant to lease a HUD-owned single family home with an option to purchase, for use in housing the homeless.

Agency Form Numbers, if applicable: Not applicable.

Estimation of the total number of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response: An estimation of the total numbers of hours needed to prepare the information collection is 600, number of respondents is 300, frequency response is one-time, and the hours of response is 2.

Status of the proposed information collection: Reinstatement without change of a previously approved collection.

Authority: Section 3506 of the Paperwork Reduction Act of 1995, 4 U.S.C., Chapter 35, as amended.

DATES: *Comments Due Date:* August 8, 2000.

FOR FURTHER INFORMATION CONTACT: Natalia Yee, Single Family Insurance Operations Division, Department of Housing and Urban Development, 451 7th Street, SW., Washington, DC 20410, telephone (202) 708-1858, Ext. 3506 (this is not a toll free number) for information on the Single Family Premium Collection Subsystem-Upfront (formerly form HUD-27001, Transmittal of Upfront Mortgage Insurance Premium).

SUPPLEMENTARY INFORMATION: The Department is submitting the proposed information collection to OMB for review, as required by the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35, as amended).

This Notice is soliciting comments from members of the public and affected agencies concerning the proposed collection of information to: (1) Evaluate whether the proposed collection is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information; (3) Enhance the quality, utility, and clarity of the information to be collected; and (4) Minimize the burden of the collection of information on those who are to respond; including the use of appropriate automated

This Notice also lists the following information:

Title of Proposal: Single Family Premium Collection Subsystem—Upfront.

OMB Control Number, if applicable: 2502-0423.

Description of the need for the information and proposed use: The Single Family Premium Collection Subsystem-Upfront (SFPCS-U) replaced the One-Time Mortgage Insurance Premium System which lenders used to remit Upfront Mortgage Insurance Premiums using funds obtained from the mortgagor during the closing of the mortgage transaction at settlement. The form HUD-27001, Transmittal of Upfront Mortgage Insurance Premium, is now obsolete. However, the information collection is still in effect. SFPCS-U strengthens HUD's ability to manage and process single family mortgage insurance premium collections and corrections for the majority of insured single family mortgages. It also improves data integrity for the Single Family Mortgage Insurance Program. FHA approved lenders use versions of Mellon's Telecash and HUD Mortgage Premium Connection (HUD-MPC) software for all transmissions with SFPCS-U. The authority for this collection of information is specified in 24 CFR 203.283 and 24 CFR 203.284. The collection of information is also used in calculating refunds due to former FHA mortgagors when they apply for homeowner refunds of the unearned portion of the mortgage insurance premium, 24 CFR 203.283, as appropriate. Without this information the premium collection/monitoring process would be severely impeded, and program data would be unreliable. In general, lenders use the new software to remit the upfront premium through SFPCS-U to obtain mortgage insurance for the homeowner.

Agency form numbers, if applicable: Not applicable.

Estimation of the total numbers of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response: The public reporting burden for this collection of information is estimated to average 0.5 hours per response, including the time for reviewing instruction, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collecting of information. The burden of completing the form will be eliminated.

Lenders will be able to key the information online or have their computer transmit the information. The number of respondents is 3,378 and the frequency of response is on occasion, that is, a mortgage closing. Since remittances are made through the Automated Clearinghouse, the upfront remittance is submitted electronically and there is no paperwork to complete and mail in.

Status of the proposed information collection: Reinstatement without change of a previously approved collection.

Authority: The Paperwork Reduction Act of 1995, 44 U.S.C., Chapter 35, as amended.

Dated: May 30, 2000.

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for possible use to assist the homeless.

FOR FURTHER INFORMATION CONTACT: Clifford Taffet, room 7266, Department of Housing and Urban Development, 451 Seventh Street SW, Washington, DC 20410; telephone (202) 708-1234; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 1-800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also

published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Brian Rooney, Division of Property Management, Program Support Center, HHS, room 5B-41, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable. For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions

or write a letter to Clifford Taffet at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (*i.e.*, acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: ARMY: Mr. Jeff Holste, Military Programs, U.S. Army Corps of Engineers, Installation Support Center, Planning & Real Property Branch, Attn: CEMP-IP, 7701 Telegraph Road, Alexandria, VA 22315-3862; (703) 428-6318; (These are not toll-free numbers).

Dated: June 1, 2000.
