Other Provisions

The date of export is the actual date the merchandise finally leaves the country of origin. For merchandise exported by carrier, this is the day on which the carrier last departs the country of origin.

Merchandise imported for the personal use of the importer and not for resale, regardless of value, and properly marked commercial sample shipments valued \$800 or less do not require a visa or an ELVIS transmission for entry and shall not be charged to Agreement levels, if applicable.

The Government of Cambodia shall provide the Government of the United States with three original, clear, reproducible copies of the visa stamp which shall be the stamp designated for use throughout the entire period the visa arrangements in effect, and three originals of the signatures of the officials authorized to sign visas. The stamp, and any subsequent changes thereto, must be approved by the Government of the United States. The Government of Cambodia shall notify the Government of the United States

at least forty-five days prior to a change in the officials authorized to sign the visa.

Except as provided for above, any shipment which is not accompanied by a valid and correct visa and ELVIS transmission shall be denied entry by the Government of the United States unless the Government of Cambodia authorizes the entry and any charges to the agreement levels.

After a six-month test phase is completed, both governments will conduct a joint assessment and make recommendations regarding the elimination of the visa stamp on the commercial invoice within 60 days unless either side presents objections.

Either Government may terminate, in whole or in part, this administrative arrangement by giving ninety days written notice to the other.
