#### United States Leather, Lackawanna Leather, Including Leased Workers of Snelling Personnel Services Employed at United States Leather, Lackawanna Leather, El Paso, TX; Amended Certification Regarding Eligibility To Apply for NAFTA-Transitional Adjustment Assistance

In accordance with Section 250(A), Subchapter D, Chapter 2, Title II, of the Trade Act of 1974 (19 USC 2273), the Department of Labor issued a Certification for NAFTA Transitional Adjustment Assistance on October 6, 2000, applicable to workers of United States Leather, Lackawanna Leather, El Paso, Texas. The notice was published in the **Federal Register** on November 1, 2000 (65 FR 65331).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. New information shows that some workers of United States Leather, Lackawanna Leather were leased from Snelling Personnel Services to produce leather hides used for the production of car seats at the El Paso, Texas facility. Information also shows that workers separated from employment at the subject firm had their wages reported under a separate unemployment insurance (UI) tax account for Snelling Personnel Services.

Based on these findings, the Department is amending the certification to include workers of Snelling Personnel Services leased to United States Leather, Lackawanna Leather, El Paso, Texas.

The intent of the Department's certification is to include all workers of United States Leather, Lackawanna

Leather adversely affected by imports from Mexico.

The amended notice applicable to NAFTA-04106 is hereby issued as follows:

All workers of United States Leather, Lackawanna Leather, El Paso, Texas and leased workers of Snelling Personnel Services, El Paso, Texas engaged in employment related to the production of leather hides used for the production of car seats for United States Leather, Lackawanna Leather, El Paso, Texas who became totally or partially separated from employment on or after August 14, 1999 through October 6, 2002 are eligible to apply for NAFTA-TAA under Section 250 of the Trade Act of 1974.

Signed at Washington, DC this 19th day of December, 2000.

### Mine Safety and Health Administration

#### Fee Adjustments for Testing, Evaluation, and Approval of Mining Products

**AGENCY:** Mine Safety and Health Administration (MSHA), Labor.

**ACTION:** Notice of fee adjustments.

**SUMMARY:** This notice revises our (MSHA Approval and Certification Center (A&CC)) user fees. Fees compensate us for the costs that we incur for testing, evaluating, and approving certain products for use in underground mines. We based the 2001 fees on our actual expenses for fiscal year 2000. The fees reflect changes both in our approval processing operations and in our costs to process approval actions.

**DATES:** These fee schedules are effective from January 1, 2001 through December 31, 2001.

**FOR FURTHER INFORMATION CONTACT:** Steven J. Luzik, Chief, Approval and Certification Center (A&CC), 304-547-2029 or 304-547-0400.

**SUPPLEMENTARY INFORMATION:**

**Background**

On May 8, 1987 (52 FR 17506), we published a final rule, 30 CFR part 5—Fees for Testing, Evaluation, and Approval of Mining Products. The rule

established specific procedures for calculating, administering, and revising user fees. We have revised our fee schedule for 2001 in accordance with the procedures of that rule and include this new fee schedule below. For approval applications postmarked before January 1, 2001, we will continue to calculate fees under the previous (2000) fee schedule, published on December 28, 1999.

**Fee Computation**

In general, we computed the 2001 fees based on fiscal year 2000 data. We

calculated a weighted-average, direct cost for all the services that we provided during fiscal year 2000 in the processing of requests for testing, evaluation, and approval of certain products for use in underground mines. From this cost, we calculated a single hourly rate to apply uniformly across all of the product approval categories during 2001.

Dated: December 18, 2000.

*Assistant Secretary for Mine Safety and Health.*
