Semiannual Regulatory Agenda

TENNESSEE VALLEY AUTHORITY (TVA)

TENNESSEE VALLEY AUTHORITY

18 CFR Ch. XIII

Regulatory Agenda

AGENCY: Tennessee Valley Authority (TVA).

ACTION: Semiannual regulatory agenda.

SUMMARY: As a nonregulatory agency, TVA originates few regulations. TVA has proposed a regulation which would revise the requirements applicable to

the construction and maintenance of obstructions in the Tennessee River system and codify policies related to management of shoreline land under the jurisdiction of TVA. TVA, together with other Federal agencies, is publishing an agency-specific final rule for assuring nondiscrimination on the basis of sex in education programs or activities receiving financial assistance from TVA and is proposing amendments to regulations implementing Title VI of the Civil Rights Act of 1964 (Title VI), Section 504 of the Rehabilitation Act of

1972 (Section 504), and the Age Discrimination Act of 1975 (Age Discrimination Act) related to the definitions of "program or activity" and "program." TVA is therefore publishing a regulatory agenda in voluntary compliance with Executive Order 12866.

Abstract: The Department of Justice proposes to make amendments to its regulations implementing Title VI of the Civil Rights Act of 1964 (Title VI), Section 504 of the Rehabilitation Act of 1972 (Age Discrimination Act). Together, these statutes prohibit discrimination on the basis of race, color, national origin, disability, and age in programs or activities that receive Federal financial assistance. In 1988, the Civil Rights Restoration Act

TVA

Proposed Rule Stage

(CRRRA) added definitions of “program or activity” and “program” to Title VI and added a definition of “program or activity” to Section 504 and the Age Discrimination Act. The added definitions were designed to clarify the broad scope of coverage of recipients’ programs or activities under these statutes. The promulgation of this proposed regulation explicitly incorporates the CRRRA’s definition of “program or activity” and “program” into the Department’s Title VI, Section

504, and Age Discrimination Act regulations. The Department’s proposed regulation will be published as part of a joint Notice of Proposed Rulemaking involving up to 24 Federal agencies, including TVA.

Abstract: On June 17, 1980, the Department of Justice published a proposed regulation to implement the requirements of Title IX of the Education Amendments of 1972, as amended, which prohibits discrimination on the basis of an

individual’s sex in federally assisted educational programs. That regulation was never issued in final form. As a result of subsequent statutory amendments, it is necessary to revise the prior proposed Title IX regulation and begin a new rulemaking process. The Department’s regulation will be published as a common rule with other agencies that need Title IX regulations.
