Executive Order 13169 of October 6, 2000

Assistance to Small Business Exporters and Dislocated Workers

By the authority vested in me as President by the Constitution and the laws of the United States of America, including the Small Business Act, 15 U.S.C. 631 *et seq.*, the Workforce Investment Act, 29 U.S.C. 2801 *et seq.*, and the Trade Act of 1974, 19 U.S.C. 2271 *et seq.*, and in order to assist small businesses, including businesses headed by underserved populations, in participating in the export of products, and to expedite the delivery of adjustment assistance to dislocated workers, it is hereby ordered as follows:

Section 1. Policy. By its accession to the World Trade Organization, the People's Republic of China will be required to open its markets to a wide range of products and services provided by Americans. In addition, the United States has recently enacted a new law to facilitate trade with the countries of Sub-Saharan Africa and the Caribbean Basin. Federal agencies should take steps to assist small businesses, including businesses headed by underserved populations, in capitalizing on these new opportunities. The agencies should also take steps to assist workers who lose their jobs as a result of competition from imports in their efforts to secure adjustment assistance benefits for which they are eligible.

Sec. 2. Interagency Task Force on Small Business Exports. (a) The Secretaries of Commerce and Labor, the Administrator of the Small Business Administration, the United States Trade Representative, and the Chairman of the Export-Import Bank shall, within 60 days from the date of this order, establish an interagency task force through the Trade Promotion Coordinating Committee (TPCC). The task force shall facilitate exports by United States small businesses, including businesses headed by underserved populations, particularly with respect to the People's Republic of China and the countries of Sub-Saharan Africa and the Caribbean Basin. The TPCC shall submit an annual report to the President on the functions carried out by this task force during the preceding year. As part of its work, the task force shall assess the extent to which the establishment of permanent normal trade relations with the People's Republic of China, and the United States enactment of the African Growth and Opportunity Act, 19 U.S.C.A. 3701 *et seq.*, and the United States- Caribbean Basin Trade Partnership Act, 19 U.S.C.A. 2701 note, may contribute to the creation of export opportunities for small businesses including businesses headed by underserved populations.
