

the DEC restructuring and change in operator. No physical changes to the facility or operational changes are being proposed in the application.

Pursuant to 10 CFR 50.80, no license shall be transferred, directly or indirectly, through transfer of control of the license, unless the Commission gives its consent in writing. The Commission will approve an application for the transfer of a license if the Commission determines that the proposed transferee is qualified to hold the license, and that the transfer is otherwise consistent with applicable provisions of law, regulations, and orders issued by the Commission pursuant thereto.

Before issuance of the proposed conforming license amendments, the Commission will have made findings required by the Atomic Energy Act of 1954, as amended (the Act), and the Commission's regulations.

As provided in 10 CFR 2.1315, unless otherwise determined by the Commission with regard to a specific application, the Commission has determined that any amendment to the license of a utilization facility which does no more than conform the license to reflect the transfer action involves no significant hazards consideration. No contrary determination has been made with respect to this specific license amendment application. In light of the generic determination reflected in 10 CFR 2.1315, no public comments with respect to significant hazards considerations are being solicited, notwithstanding the general comment procedures contained in 10 CFR 50.91.

The filing of requests for hearing and petitions for leave to intervene, and written comments with regard to the license transfer application, are discussed below.

By October 15, 2001, any person whose interest may be affected by the Commission's action on the application may request a hearing and, if not the applicant, may petition for leave to intervene in a hearing proceeding on the Commission's action. Requests for a hearing and petitions for leave to intervene should be filed in accordance with the Commission's rules of practice set forth in Subpart M, "Public Notification, Availability of Documents and Records, Hearing Requests and Procedures for Hearings on License Transfer Applications," of 10 CFR Part 2. In particular, such requests and petitions must comply with the requirements set forth in 10 CFR 2.1306, and should address the considerations contained in 10 CFR 2.1308(a). Untimely requests and petitions may be denied, as provided in 10 CFR

2.1308(b), unless good cause for failure to file on time is established. In addition, an untimely request or petition should address the factors that the Commission will also consider, in reviewing untimely requests or petitions, set forth in 10 CFR 2.1308(b)(1)-(2).

Requests for a hearing and petitions for leave to intervene should be served upon: Lisa F. Vaughn, Legal Department, Duke Energy Corporation, 422 South Church Street, Charlotte, North Carolina 28201-1006; the General Counsel, U.S. Nuclear Regulatory Commission, Washington, DC 20555 (e-mail address for filings regarding license transfer cases only: OGCLT@NRC.gov); and the Secretary of the Commission, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001, Attention: Rulemakings and Adjudications Staff, in accordance with 10 CFR 2.1313.

The Commission will issue a notice or order granting or denying a hearing request or intervention petition, designating the issues for any hearing that will be held and designating the Presiding Officer. A notice granting a hearing will be published in the **Federal Register** and served on the parties to the hearing.

As an alternative to requests for hearing and petitions to intervene, by October 25, 2001, persons may submit written comments regarding the license transfer application, as provided for in 10 CFR 2.1305. The Commission will consider and, if appropriate, respond to these comments, but such comments will not otherwise constitute part of the decisional record. Comments should be submitted to the Secretary, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001, Attention: Rulemakings and Adjudications Staff, and should cite the publication date and page number of this **Federal Register** notice.

For further details with respect to this action, see the application dated July 10, 2001, available for public inspection at the Commission's Public Document Room, located at One White Flint North, 11555 Rockville Pike (first floor), Rockville, Maryland. Publicly available records will be accessible electronically from the Agencywide Documents Access and Management Systems (ADAMS) Public Electronic Reading Room on the internet at the NRC Web site (<http://www.nrc.gov/ADAMS/index.html>). If you do not have access to ADAMS or if there are problems in accessing the documents located in ADAMS, contact the NRC Public Document Room (PDR) reference staff at 1-800-397-4737 or by email to pdr@nrc.gov.

Dated at Rockville, Maryland this 19th day of September 2001.

For the Nuclear Regulatory Commission.

Leonard N. Olshan,

Acting Section Chief, Section 1, Project Directorate II, Division of Licensing Project Management, Office of Nuclear Reactor Regulation.

BILLING CODE 7710-12-M

SECURITIES AND EXCHANGE COMMISSION

Sunshine Act Meeting.

FEDERAL REGISTER CITATION OF PREVIOUS ANNOUNCEMENT: To be published Monday, September 24, 2001.

STATUS: Open Meeting.

PLACE: 450 Fifth Street, NW., Washington, DC

TIME AND DATE OF PREVIOUSLY ANNOUNCED MEETING: September 25, 2001 at 1 p.m.

CHANGE IN THE MEETING: Additional Items.

The following items have been added to the open meeting scheduled for Tuesday, September 25, 2001, in Room 1C30, the William O. Douglas Room, at 1 p.m.:

(1) The Commission will consider extending the comment period for the Concept Release on the Effects of Decimal Trading in Subpennies. The Concept Release, which was published in the **Federal Register** on July 24, 2001, solicited the views of a wide range of commenters concerning the impact of subpenny price increments for quotations, orders, and trading stocks in a decimals environment. The original deadline for submitting public comment established by the Concept Release is September 24, 2001. Following the market disruption caused by the attacks of September 11, 2001, we have received requests to extend the original deadline.

For further information, please contact Kevin Campion, Special Counsel, Division of Market Regulations at (202) 942-0744.

(2) The Commission will consider extending the deadline for the Exchanges and the National Association of Securities Dealers, Inc. (collectively the "Participants") to submit rule filings concerning the implementation of decimal pricing in equity securities and options pursuant to section 11A(a)(3)(B) of the Securities Exchange Act of 1934. The Commission's Order of May 22, 2001 required the Participants to submit rule filings to establish the minimum price variation in each market for quoting equity securities and options by November 5, 2001, we believe that it may be necessary and appropriate to extend the original deadline. Such an extension would give the Participants adequate time to thoroughly analyze the important investor protection and market integrity issues that need to be addressed in order to preserve the benefits of decimalization. Extending the deadline would also allow the Commission to fully consider the comments submitted in response to the Concept Release on the Effects of Decimal Trading in Subpennies.

For further information, please contact Alton Harvey, Office Head, Office of MarketWatch, Division of Market Regulation at (202) 942-4167 or Kevin Campion, Special Counsel, Division of Market Regulation at (202) 942-0744.
