Under the ALP, the City of Broken Bow will prepare an Applicant Prepared Environmental Assessment (APEA) and license application for the Broken Bow Reregulating Dam Hydroelectric Project.

The ALP includes provisions for the distribution of an initial information package (IIP), and for the cooperative scoping of environmental issues and information needs. The City of Broken Bow plans to distribute its IIP for the Broken Bow Project on or about October 15, 2001, to the mailing list for this proceeding.
