

information technology, e.g., permitting electronic submission of responses.

This Notice also lists the following information:

Title of Proposal: Application for Multifamily Housing Project.

OMB Control Number, if applicable: 2502-0029.

Description of the need for the information and proposed use: Form HUD-92013 is the basic application form used in all HUD/FHA multifamily insurance programs. HUD-92013 and its related exhibits are needed by the Department to determine project feasibility, and mortgagor/contractor acceptability. The Department is required to analyze specific information including financial data, cost data, drawings, and specifications to determine whether the proposed project meets program requirements for mortgage insurance. Form HUD-92013-NHICF is the basic application used specifically to insured nursing homes, intermediate care facilities, and board and care homes. HUD-92013-NHICF is used to determine project feasibility and mortgagor/contractor acceptability when insuring health care facilities. Form HUD-92013-Supp is used to determine the creditworthiness of principal sponsors and the general contractor, the existence of any federal debt, judgments, or bankruptcy claims. The collection of this information is required to reduce the risk of project defaults and claims against the FHA insurance funds.

Agency form numbers, if applicable: HUD-92013, HUD-92013-NHICF, HUD-92013-Supp.

Estimation of the total numbers of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response: The estimated number of respondents for form HUD-92013 is 1500, the frequency of responses is 1, the number of burden hours is 68 hours, for a total of 102,000 annual burden hours. The estimated number of respondents for HUD-92013-NHICF is 1,000, the frequency of responses is 1, the number of burden hours is 64, for a total of 64,000 annual burden hours. The estimated number of respondents for HUD-92013-Supp is 3,800, the frequency of responses is 1, the number of burden hours is 0.6, for a total of 2,280 annual burden hours.

Status of the proposed information collection: Reinstatement without change or previously approved collection for which approval has expired.

Authority: The Paperwork Reduction Act of 1995, 44 U.S.C., Chapter 35, as amended.

Dated: February 26, 2001.

Extension of Approved Information Collection, OMB Number 1018-0092, on Permit/License Applications

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice; request for comments.

SUMMARY: The U.S. Fish and Wildlife Service is announcing its intention to request renewal of its existing approval to collect certain information from applicants who wish to obtain a permit or license to conduct activities under a number of wildlife conservation laws, treaties and regulations. We will submit the collection of information listed below to the Office of Management and Budget (OMB) for approval under the provisions of the Paperwork Reduction Act of 1995. If you wish to obtain copies of the proposed information collection requirement, related forms, and explanatory material, contact the Collection Clearance Officer at the address listed below.

DATES: OMB has up to 60 days to approve or disapprove information collection, but may respond after 30 days. Therefore, to ensure maximum consideration you must submit comments on or before April 6, 2001.

ADDRESSES: Send your comments and suggestions on specific requirements to the Office of Management and Budget, Attention: Department of the Interior Desk Officer, 725 17th Street, NW, Washington, DC 20503, and to Rebecca Mullin, Collection Clearance Officer, U.S. Fish and Wildlife Service, MS 222-ARLSQ; 4401 N. Fairfax Drive, Arlington, VA 22203.

FOR FURTHER INFORMATION CONTACT: To request a copy of the information collection request, explanatory information and related forms, contact Rebecca A. Mullin, Collection Clearance Officer at 703-358-2287, or electronically to: rmullin@fws.gov.

SUPPLEMENTARY INFORMATION: OMB regulations at 5 CFR 1320, which implement provisions of the Paperwork Reduction Act of 1995 (Pub. L. 104-13), require that interested members of the public and affected agencies have an opportunity to comment on information collection and record keeping activities [see 5 CFR 1320.8(d)]. The U.S. Fish and Wildlife Service (We) has submitted a request to OMB to renew its approval of the collection of information for the Service's license/permit application form number 3-200-1 through 3-200-3 and 3-200-26. We are requesting a 3-year term of approval for this information collection activity. A previous 60-day notice on this information collection requirement was published in the November 29, 2000 (65 FR 30246) **Federal Register** inviting public comment. No comments on the previous notice were received. This notice provides an additional 30 days in which to comment on the following information.

We invite comments concerning this renewal on: (1) whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) the accuracy of the agency's estimate of burden, (3) ways to enhance the quality, utility and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on those who are to respond. The information collections in this program are part of a system of record covered by the Privacy Act [5 U.S.C. 552(a)].

Federal agencies may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this collection of information is 1018-0092.

The information collection requirements in this submission implement the regulatory requirements of the Endangered Species Act (16 U.S.C. 1539), the Migratory Bird Treaty Act (15 U.S.C. 704), the Lacey Act (18 U.S.C. 42-44), the Bald and Golden Eagle Protection Act (16 U.S.C. 668), the Convention on International Trade in Endangered Species of Wild Fauna and Flora (CITES), (27 UST 108), the Marine Mammal Protection Act (16 U.S.C. 1361-1407), and Wild Bird Conservation Act (16 U.S.C. 4901-4916), and are contained in Service regulations in Chapter I, Subchapter B of Title 50 Code of Federal Regulations (CFR). Common permit application and record keeping requirements have been consolidated in 50 CFR 13, and unique requirements of the various statutes in the applicable Part.

OMB Control Number: 1018-0092.

Service Form Numbers: 3-200-1 through 3-200-3 and 3-200-26.

Frequency of Collection: On Occasion.

Description of Respondents:

Individuals, biomedical companies, circuses, zoological parks, botanical gardens, nurseries, museums, universities, scientists, antique dealers, exotic pet industry, hunters, taxidermists, commercial importers/exporters of wildlife and plants, freight forwarders/brokers, local, State, tribal and Federal governments.

Information Collection Submitted to the Office of Management and Budget (OMB) for Reinstatement Approval Under the Paperwork Reduction Act

AGENCY: Fish and Wildlife Service, Interiors.

ACTION: Notice; request for comments.

SUMMARY: The U.S. Fish and Wildlife Service has submitted the collection of information listed below to OMB for approval under the provisions of the Paperwork Reduction Act. A copy of the information collection requirement is included in this notice. Copies of the proposed information collection requirement, related forms, and explanatory material may be obtained by contacting the Service Information Collection Clearance Officer at the address listed below.

DATES: OMB has up to 60 days to approve or disprove information collection but may respond after 30 days. Therefore, to ensure maximum consideration, you must submit comments on or before April 6, 2001.

ADDRESSES: Comments and suggestions on the requirement should be sent directly to the Office of Information and Regulatory Affairs; Office of Management and Budget; Attention: Desk Officer for the Department of the Interior; 725 17th Street, N.W., Washington, DC 20503; and a copy of the comments should be sent to Rebecca A. Mullin, Service Information Collection Clearance Officer, U.S. Fish and Wildlife Service, 4401 North Fairfax Drive, Mail Stop 224-ARLSQ; Arlington, Virginia 22203.

FOR FURTHER INFORMATION CONTACT: Rebecca A. Mullin, Service Information Collection Clearance Officer at (703) 358-2287, or electronically at rmullin@fws.gov.

SUPPLEMENTARY INFORMATION: The Endangered Species Act (ESA) provides for the protection of listed species through establishment of programs for their recovery and through prohibition of harmful activities. The ESA also provides for a number of exceptions to its prohibitions against "take" of listed species. Under sections 6 and 10 of the ESA, regulations have been promulgated

at 50 CFR 17.22 (endangered wildlife species), 17.32 (threatened wildlife species), 17.62 (endangered plant species), and 17.72 (threatened plant species) to guide implementation of these exceptions to the "take" prohibitions through permitting programs. The U.S. Fish and Wildlife Service's general permit regulations can be found at 50 CFR 13. Take authorized under this permit program would otherwise be prohibited by the ESA. The permit issuance criteria are designed to ensure that the requirements of the ESA are met, i.e., that conduct of the requested actions and issuance of the permit will enhance the survival of the species.

The Office of Management and Budget (OMB) regulations at 5 CFR 1320, which implement provisions of the Paperwork Reduction Act of 1995 (Pub. L. 104-13), require that interested members of the public and affected agencies have an opportunity to comment on information collection and recordkeeping activities (see 5 CFR 1320.8(d)). The U.S. Fish and Wildlife Service (We) will submit a request to OMB to renew its existing approval of the collection of information for Native Endangered and Threatened Species Permit Applications, which expires on February 28, 2001. We are requesting a 3-year term of approval for this information collection activity.

A previous 60-day notice on this information collection requirement was published in the **Federal Register** on December 21, 2000 (65 FR 80449) inviting public comment. No comments on the previous notice were received as of February 20, 2001. This notice provides an additional 30 days in which to comment on the following information.

Federal agencies may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The current OMB control number for this collection of information is 1018-0094.

The information collection requirements in this submission implement the regulatory requirements of the Endangered Species Act (16 U.S.C. 1539), the Migratory Bird Treaty Act (16 U.S.C. 704), and the Bald Eagle Protection Act (16 U.S.C. 668) contained in Service regulations in Chapter I, Subchapter B of Title 50 of the Code of Federal Regulations (CFR).

The information to be supplied on the application form and the attachments will be used to review the application and allow the Service to make decisions, according to criteria established in various Federal wildlife conservation statutes and regulations on
