--------------	---

If you have several files to transmit at one time, each file name must be unique (i.e., GSAA93B1.SHP, GSAA93A1.CLM, GSAA93A2.ERS, etc.).

**9–4. Electronic Report Submission Instructions**

**9–4.1. General**

Claim and shipment reports must be submitted via the Internet using the File Transfer Protocol (I-FTP) and must meet the transmission requirements defined below. Hard copy (paper) reports are not acceptable. If your firm has never submitted reports electronically to the General Service Administration (GSA) and intends to directly transmit the required reports via I-FTP instead of using a filing service, your firm will need to contact the Program Management Office (PMO)

in writing on company letterhead to receive a user ID and password. A FAXSIMILE request is acceptable.

**9–4.2. Format**

Format requirements as set out in HTOS Paragraph 9–3.2 of this Section must be adhered to and must be via the Internet using the File Transfer Protocol (I-FTP). Submissions received from Participants or services not conforming to the record requirements will be unacceptable and not incorporated in the database.

**9–4.3. File Preparation**

In order to transfer the file(s) via the I-FTP the file must be transmitted as unformatted ASCII (TEXT ONLY) flat file, (i.e., no tab characters, etc.). The file *must not* have a top, bottom, or left margin, pagefeeds, or embedded blank records (Note: The type of software you will be using will determine what must be done to prepare the file for transmission). GSA suggests using “File Save As Text Document” to prevent saving any formatting along with the text. Be sure to change the .TXT file extension to the required one after saving the text file.

**9–4.4. Accessing the I-FTP**

GSA is unable to provide specific instructions on how to access the I-FTP, how to upload a file onto the I-FTP, how to download a file from the I-FTP, or how to move around in the I-FTP due to the fact that accessing and operating within the I-FTP are dependent upon the type of Internet software used. Consequently, a firm will need to contact its I-FTP provider for assistance. The information listed below provides the (1) address to GSA’s I-FTP directory and (2) two different methods (there are others) of accessing a firm’s individual directory in which the firm’s shipment and/or claim reports will need to be uploaded.

**9–4.4.1. User ID and Password**  
(See HTOS Paragraph 9–4.1.)

**9–4.4.2. I-FTP Address**

Kcftp.gsa.gov

**9–4.4.3. Directory Access**

Methods of accessing individual directories (i.e., item in **bold** are words/phrases THAT YOU MUST TYPE IN EXACTLY)

**FTP>CD CARRIERS/USER ID**

or

**FTP>D:\PUB\CARRIERS\USER ID**

**9–4.4.4. Verification of File Transfer**

Once you have transmitted a file onto the I-FTP within your firm’s assigned

directory, you can follow the steps identified below to verify that your firm’s file was successfully transmitted onto the I-FTP.

1. Exit I-FTP;
2. Re-connect to I-FTP;
3. Enter your firm’s assigned User ID and Password when requested;
4. Change to your firm’s directory—**FTP>CD CARRIERS/USER ID**  
or  
**FTP>PUB:\PUB\CARRIERS\USER ID**; and
5. Type **DIR**.

At this point you should be able to see your firm’s file identified in your assigned directory. If the file doesn’t appear, you will need to “Upload” the file to the I-FTP again. The steps identified above will assist you only in verifying that your firm’s claim and/or shipment report(s) file was transferred successfully onto the I-FTP. Following these steps WILL NOT verify that the contents of your firm’s reports have been formatted correctly—only that GSA has received a file.

**9–4.5. Reorganizations and Bankruptcies Reports**

**9–4.5.1. Reorganization Report [Old D9–9]**

The Participant shall furnish a copy of the court approved reorganization plan to the PMO within the timeframe specified in Section 5 of the DTOS or ITOS.

**9–4.5.2. Bankruptcy Report [Old D9–9]**

The Participant shall furnish a copy of the bankruptcy judgment to the PMO within the timeframe specified in Section 5 of this HTOS. The Participant shall also provide a listing of all shipments handled pursuant to this HTOS in its possession, in transit, or in SIT, and shall notify agencies of the bankruptcy. The shipment listing shall identify the name of the Federal agency and the property owner, the location of the shipment, and the telephone number of the SIT facility, if the shipment is in SIT. In the event the shipment is in transit, the Participant shall also advise the Federal agency of the Participant’s plans for disposition of the shipment. The Participant shall also notify those Federal agencies that have booked shipments but which have not yet been picked up.

**9–5. Reports by the PMO**

**9–5.1. Performance Reports**

**9–5.1.1. Performance Reports (Quarterly) [Old D9–6]**

The PMO shall furnish Participants a performance report. The report will be

furnished to the Participant on a calendar quarter basis, and shall either contain information derived from GSA Forms 3080 received during the previous quarter pertaining to shipments handled by the Participant or consist of copies of the GSA Forms 3080 received during the previous quarter.

#### 9–5.1.2. Performance Reports (Annual) [Old D9–6]

The PMO shall publish an annual report based upon information from GSA Forms 3080 received during the previous calendar year and such other information as the PMO deems appropriate.

### Section 10—Participant Liability

#### 10–1. Participant Liability

##### 10–1.1. Levels Of Service And Released Value

###### 10–1.1.1. Levels Of Service [Old D10–1 & I10.2]

Participants providing domestic and/or international transportation services pursuant to the provisions of this HTOS shall offer full value service for each shipment, defined as transportation services (including accessorial and terminal services) furnished by a Participant for which the Participant assumes liability for loss and/or damage not to exceed the full replacement value of the items transported.

###### 10–1.2. Released Value

###### 10–1.2.1. Full Value Service

###### 10–1.2.1.1. Domestic Shipments [Old D10–1]

The released value of shipments handled under Full Value Service will be a value no less than \_\_\_ times the net weight of each domestic shipment in pounds. However, the released value may be increased by the Government on behalf of the relocating employee for a specific shipment, which must be so annotated on the bill of lading. For the applicable released value dollar amount, refer to the RFO.

###### 10–1.2.1.2. International Shipments [Old I10.2]

The released value of shipments handled under Full Value Service will be a value no less than \_\_\_ times the net weight of each international and/or offshore shipment. However, the released value may be increased by the Government on behalf of the relocating employee for a specific shipment, which must be so annotated on the bill of lading. For the applicable released value dollar amount, refer to the RFO.

##### 10–1.2.2. Increase in Basic Released Value [old D10–1]

Should the owner elect to specify a released value different from that specified on the GBL after the GBL has been issued, but prior to the date of pickup, the Participant should have the owner contact the RTO and request an amendment to the original GBL indicating the desired valuation.

##### 10–1.3. Extent of Liability.

###### 10–1.3.1. Exception to Liability [old D10–1 and I10.3]

Provided that the burden of proof shall be on the Participant to show that the loss or damage was so caused by the one or more of the following excepted conditions which relieve it of liability, the Participant is not responsible for loss or damage caused by (a) acts of God, public authority or negligence of the owner, and/or owner's agent; (b) hostile or warlike action in the time of peace or war, including action in hindering, combating or defending against an actual, impending or expected attack, including (1) by any government or sovereign power (de jure or de facto), or by an authority maintaining forces, and (2) by an agent of any such government, power, authority or forces; (c) any weapon of war employing atomic fission or radioactive force whether in time of peace or war, including contamination attributable to effects of radioactive or fissionable materials; (d) insurrection, rebellion, revolution, civil war, usurped power, or action taken by governmental authority in hindering, combating, or defending against such occurrence, seizure or destruction under quarantine or customs regulations, confiscation by order of any government or public authority, or risks of contraband or illegal transportation or trade; (e) strikes, lockouts, labor disturbances, riots, civil commotion, acts of person or persons taking part in such occurrence or disorder; (f) Inherent vice of the article or infestations by mollusks, arachnids, crustaceans, parasites or other types of pests, fumigation or decontamination when not the fault of the Participant. The burden of proof shall be on the Participant to show that the immediate cause of the loss or damage was one or more of the exceptions listed above which relieved it of liability.

###### 10–1.3.2. Liability for General Average/Salvages—International Only [old I10.3]

On ocean shipments, in addition to the Participant's liability as otherwise provided in this HTOS, the Participant assumes full liability for and will pay all

contributions in general average or salvage assessed against personal property and will provide bonds or make arrangements for the prompt release of the shipments from any maritime lien arising therefrom.

##### 10–1.3.3. Liability for Non-Vehicular Personal Property

###### 10–1.3.3.1. General

Except when loss and/or damage arises out of causes beyond the control and without the fault or negligence of the Participant, the Participant shall be liable to the United States Government or the owner for the loss of and/or damage to any article in an amount not to exceed the released value of the article. The Participant shall be so liable for any article over which the Participant has control or custody. Custody on the part of the Participant shall be considered to begin at the time performance of service commences and shall continue until services are completed; including, but not limited to, while being packed, picked up, loaded, transported, delivered, unloaded, or unpacked; stored in transit; or serviced (appliances, etc.) by a third person hired by the Participant to perform the servicing.

###### 10–1.3.3.1.1. Non-Vehicular Property Delivered to a Foreign Post—International Shipments [old I10.3]

Subject to the general provisions stated above and in the event non-vehicular personal property is lost or damaged, the measure of damages for a shipment to be delivered to a foreign post shall be repair or replacement not to exceed the replacement value of the item at the foreign post; provided, however, the foreign post value is within 10 percent ( $\pm 10\%$ ) of the CONUS replacement value at the point of origin at the time of arrival at the port of debarkation. In the event the foreign post value is not within 10 percent ( $\pm 10\%$ ), the measure of damages will be the CONUS replacement value of the item at the point of origin at the time of arrival at the port of debarkation plus the cost of transportation and delivery of the property, including customs clearance, to the employee at the post. Replacement value must be based on replacement of the property with property of comparable kind and quality.

###### 10–1.3.3.1.2. Non-Vehicular Property Delivered Within the Continental United States [old I10.3]

Subject to the general provisions stated above and in the event personal non-vehicular property is lost or damaged, the measure of damages for a

shipment to be delivered within the Continental United States shall be repair or replacement not to exceed the replacement value of the property at the point of destination in the United States, including the cost of transportation and delivery of the property, and including customs clearance when applicable, to the employee at the destination residence. Replacement value must be based on replacement of the property with property of comparable kind and quality

#### 10–1.3.4. Liability for Vehicular Property.

##### 10–1.3.4.1. International Shipment [old I10.3]

In the event of loss/damage to vehicular property during the course of an international shipment, the measure of damages will be repair or replacement not to exceed the current value of the vehicle based on the National Automobile Dealers Association (NADA) value for the vehicle in the month of landing converted to local currency plus the cost of rental of a comparable vehicle for the period of time during which the vehicle is unavailable for employee use due to inoperability or repair; provided, however, that the liability of the cost of rental shall not exceed the current value of the vehicle. The quality of repair or replacement must equal or exceed the standards applied in the Continental United States.

##### 10–1.3.4.2. Domestic Shipment. [old I10.3]

In the event of loss/damage to vehicular property during the course of a domestic shipment, the measure of damages will be repair or replacement not to exceed the current value of the vehicle based on the National Automobile Dealers Association (NADA) value for the vehicle plus the cost of rental of a comparable vehicle for the period of time during which the vehicle is unavailable for employee use due to inoperability or repair; provided, however, that the liability of the cost of rental shall not exceed the current value of the vehicle. The quality of repair or replacement must equal or exceed the standards applied in the Continental United States.

#### 10–1.3.5. Liability for Real Property Damage [old I10.2]

The Participant will be liable for any damage sustained to the premises and/or property of the employee/owner caused by the Participants' agents/employees.

#### 10–1.3.6. Liability for High Risk Items [old I10.3]

Participant's legal liability for loss or damage to high risk items will be the same as for any other property lost or damaged. Unless covered by a high risk program established in accordance with HTOS Paragraph 10.1.6. below, a Participant's liability for high risk items shall in no way be limited to a value less than that established under the terms of the level of service stated on the Government bill of Lading.

#### 10–1.3.7. Liability for Concealed Loss/Damage

##### 10–1.3.7.1. General [old D10–1]

The Participant shall be liable for concealed loss and/or damage discovered by the owner within 75 days after delivery if the owner notifies the Participant, in writing, of the loss and/or damage within 75 days from the date of delivery. The notification requirement cited in HTOS Paragraph 5.11 does not mean that a claim cannot be filed after seventy-five (75) days by the property owner and may not be used as the sole basis for denying a claim.

##### 10–1.3.7.2. Burden of Proof When Notice Is Given [old I10.2]

If a claim for concealed damage is filed within the period specified in HTOS Paragraph 5.11, the burden of proving that it did not cause the loss/damage is on the Participant. If a claim for concealed loss/damage is filed after the period specified in HTOS Paragraph 5.11 and the Participant received notice of all or some of the loss/damage within the period specified in HTOS Paragraph 5.11, the burden of proof is on the Participant for that loss/damage for which it received notice and on the property owner for that loss/damage for which he/she did not give notice.

##### 10–1.3.7.3. Burden of Proof When Notice Is Not Given [old I10.2]

If a claim for concealed loss/damage is filed after the period specified in HTOS Paragraph 5.11 and the Participant did not receive notice of any of the loss/damage within the period specified in HTOS Paragraph 5.11, the burden of proving that the Participant caused the loss/damage is on the property owner.

#### 10–1.3.7.4. Government Custody [old I10.3]

Except as provided above with respect to concealed loss and damage, the Participant shall not be liable for loss or damage when the Participant can reasonably establish that such loss or damage occurred while the shipment

was in the effective custody and control of the Government.

#### 10–1.3.8. Liability for Delay [old I10.2]

Participant shall be liable for the inconvenience and extra expense caused to the owner and to the Government, if the owner is required to retain temporary quarters due to the Participant's failure to pickup or deliver the household goods shipment in accordance with the instructions provided by the RTO, the owner of the property, or his designated representative. Equipment failure, actions by underlying Participants and/or agents and illness of or error by persons in its employ or in the employ of its agents, among others, are considered within the control of the Participant and may not be used as a basis for denying a claim for damages due to delay.

#### 10–1.3.9. Liability for Terminated Shipments [old I10.2]

In the event the progress of a shipment is terminated by the Government and is assigned to another Participant for completion of service, both the terminated and the assigned Participants shall be jointly liable for any loss and/or damage to the shipment and for any delay by the responsible Participant. The Government reserves the right to file any claim for property loss/damage or for shipment delay with either the terminated Participant or the assigned Participant, and the Participant against which the claim was filed shall be responsible for settling the claim in full without waiting for any acknowledgment of liability or reimbursement from the other Participant.

#### 10–1.3.10. Liability for Prohibited Items [old I10.3]

When a Participant undertakes the shipment of items prohibited by law or regulatory body which are injurious or contaminating to the shipment, the Participant shall be liable for loss or damage resulting from its failure to decline such items.

#### 10–1.3.11. Liability for Missing Articles

##### 10–1.3.11.1. General [old D10–1 & I10.2]

If the missing articles are not found within thirty (30) calendar days from the date of shipment delivery, they shall be presumed lost by the Participant and payment to the property owner will be made without dispute upon the filing of a claim.

##### 10–1.3.11.2. Exception [old I10.2]

In the event article/items are located subsequent to claims action by the

employee and/or the Government, the Participant shall hold the articles/items at the point of location, notify the RTO, and await disposition instructions. When articles/items are returned to the employee, any claims which have been paid in favor of the employee, shall be readjusted in the Participant's favor.

#### 10–1.4. Employee Failure To Verify Inventory [old I10.2]

The Participant may not deny liability for property loss and/or damage solely on the basis that the Government, the employee, or the employee's authorized representative failed to verify the origin or destination inventories as prepared in accordance with HTOS Paragraph 4–6.

#### 10–1.5. Participant Failure To Settle [old I10.2]

Failure to make settlement within the initial thirty (30) day period, or the maximum sixty (60) day period if proper notice is given as provided in HTOS Paragraph 5–12.3, shall be construed as a refusal by the Participant to settle the claim and as an admission of its liability to the full extent of the law and this HTOS.

#### 10–1.6. Establishment of High Risk Program [old I10.3]

A high risk program limiting a Participant's liability for loss of or damage to high risk items may only be established with the approval of the RTO and be evidenced by a written agreement setting out the terms and conditions established by the shipping Federal agency. The mere issuance of a GBL to a Participant with a pre-existing high risk program is not sufficient to incorporate the terms of such high risk program into the contract of carriage.

#### 10–2. Preparation and Filing of Claim

##### 10–2.1. General [old D10–2]

The Participant must furnish to the property owner all reasonable and necessary assistance in the preparation and filing of claims. Included in such assistance are inspections of the damaged property, if requested, completion of claim forms, and obtaining estimated repair costs at no cost to property owner.

##### 10–2.2. Claims for Loss of and/or Damage to Personal Property. [old D10–2]

Claims for loss of and/or damage to personal property shipped pursuant to this HTOS must be filed with the Participant by the shipping Federal agency; provided, however, that with the approval of the shipping federal agency, the owner of the property or his designated representative may file the

claim on behalf of himself and the Government.

##### 10–2.3. Claims for Damage to Real Property [old D10–2]

Claims for damage to real property belonging to the property owner at the time of shipment or subsequent thereto must be filed with the Participant by the shipping Federal agency; provided, however, that with the approval of the shipping federal agency, the owner of the property or his designated representative may file the claim on behalf of himself and the Government.

##### 10–2.4. Claims for Injury [old D10–2]

Claims for injury shall be filed with the Participant by the injured party.

##### 10–2.5. Claims for Delay [old D10–2]

Claims for delay may be filed by the property owner, or his designated representative, or by the Federal agency paying the cost of the services provided pursuant to this HTOS.

#### 10–3. Minimum Filing Requirements [old D10–3]

A communication in writing from a claimant filed with the Government or the Participant and (1) containing facts sufficient to identify the shipment (or shipments) of property involved, (2) asserting liability for alleged loss, damage, injury, or delay, and (3) making claim for the payment of a specified or determinable amount of money, will be considered as sufficient compliance with the provisions for filing claims embraced in the bill of lading or other contract of carriage.

#### 10–4. Documents Not Constituting Claims [old D10–4]

Bad order reports, appraisal reports of damage, notations of shortage or damage, or both, on freight bills, delivery receipts, or other documents, or inspection reports issued by the Participant or their inspection agencies, whether the extent of the loss or damage is indicated in dollars and cents or otherwise will, standing alone, not be considered as sufficient to comply with the minimum claim filing requirements specified above.

#### 10–5. Supporting Documents

##### 10–5.1. General [old D10–5]

When necessary as part of an investigation, each claim must be supported for each article by a statement of the nature and extent of such damage, the basis for the amount claimed, i.e., date article purchased, original cost, amount of depreciation, actual cash value at time of loss or damage, or the full replacement value, in those cases

where shipments are released to full replacement value.

##### 10–5.2. Inconvenience Claims [old D10–5]

Inconvenience claims shall be supported with an itemized listing of costs incurred and payments made by the Government to the employee.

##### 10–5.3. Identical Inventory Exception Coding [old D10–5]

In the event items are listed on the inventory with identical, or substantially identical, exception coding, the exception coding shall be construed as void and such items shall be construed as inventoried without exception.

#### 10–6. Verification of Loss

##### 10–6.1. Only Claim [old D10–6]

When an asserted claim for loss of an entire package or an entire shipment cannot be otherwise authenticated upon investigation, the Participant will obtain from the claimant of the shipment involved a certified statement, in writing, that the property for which the claim is filed, has not been received from any other source.

##### 10–6.1.1. Inventory Correctness [old D10–6]

When there is an asserted claim for loss of an article, either contained in a carton or as a stand alone item, and it is not specified on the inventory, the item shall be construed as present and the Participant shall not contest a claim for the missing items, unless the Participant can establish that the inventory was a complete listing of all items in the shipment and that the article was not received by the Participant.

#### 10–7. Satisfaction of Claim

##### 10–7.1. Property Loss/Damage [old D10–7]

The Participant shall satisfy a claim by repairing or replacing the property lost or damaged to the extent of Participant liability with materials of like kind, quality, and condition at time of acceptance by the Participant. Repair and/or replacement will also be construed to include payment in cash. In the event that estimates of repair costs are obtained by the employee, either on his/her own or at the request of the Participant, the estimator's cost to furnish such estimates shall be reimbursable to the employee; provided, however, that if the terms of the estimate provide that the cost of the estimate will be deducted from the cost of repairs when repairs are completed,

the Participant's liability will not exceed the cost of repairs.

#### 10-7.2. Inconvenience Claims

##### 10-7.2.1. Filed by Employee [old D10-7]

When the claim is filed by the employee, the Participant shall be liable for the reasonable costs incurred by the employee in excess of those reimbursed the employee by the Government.

##### 10-7.2.2. Filed by The Government [old D10-7]

When the claim is filed by the Government, the Participant shall be liable for the reimbursement made by the Government to the employee for the temporary quarters retained by the employee.

#### *10-8. Government Liability—International Only [old I10.1]*

The United States Government (DOS or other US Government agencies assuming effective custody) will be liable to the Participant for damage to or loss or destruction of lift vans due to negligence of the Government, reasonable wear and tear excepted.

### **Section 11—Miscellaneous Agreement Provisions**

#### 11-1. *Warranty of Services [old D11-1]*

##### 11-1.1. Acceptance and Correction [old D11-1]

###### 11-1.1.1. Definitions [old D11-1]

###### 11-1.1.1.1. Acceptance [old D11-1]

Acceptance, as used in this HTOS Paragraph, means the act of an authorized representative of the Government by which the Government assumes for itself or approves specific services, as partial or complete performance of the HTOS.

###### 11-1.1.1.2. Correction [old D11-1]

Correction, as used in this clause, means the elimination of a defect.

###### 11-1.1.2. Warranty [old D11-1]

Notwithstanding inspection and acceptance by the Government or any provision concerning the conclusiveness thereof, the participant warrants that all services performed under this HTOS will, at the time of acceptance, be free from defects in workmanship and conform to the requirements of this HTOS. The RTO shall give written notice of any defect or nonconformance to the participant within forty-five (45) days from the date of acceptance by the Government. This notice shall state either (1) that the participant shall correct or reperform any defective or nonconforming

services, or (2) that the Government does not require correction or reperformance.

##### 11-1.1.3. Correction and Reperformance [old D11-1]

If the participant is required to correct or reperform, it shall be at no cost to the Government, and any services corrected or reperformed by the participant shall be subject to this clause or if the participant refuses to correct or reperform, the RTO may correct or replace with similar services and charge to the participant the cost occasioned to the Government thereby, or make an equitable adjustment in the price for services rendered.

##### 11-1.1.4. No Correction and Reperformance [old D11-1]

If the Government does not require correction or reperformance, the RTO shall make an equitable adjustment in the price for services rendered.

##### 11-1.2. Improper Customs Clearance Reduction.—International Only [old 11.1.2]

In the event that a carrier improperly clears a shipment through customs (for example, a shipment is cleared as a DoD shipment, rather than a DOS shipment) and warehouse handling, storage, or delivery costs accrue exceeding those applicable to the shipment had the shipment been properly cleared, the excess warehouse handling, storage, or delivery costs will not be reimbursable by the Federal agency paying the transportation charges.

##### 11-1.3. Late Delivery Reduction.—DOMESTIC ONLY [old D11-1]

A late delivery reduction of \$100.00 per day will be payable to the Federal agency paying the transportation charges, for each calendar day or fraction thereof, when the actual transit time for direct delivery shipments exceeds the transit time as defined in Section 12 of this HTOS, subject to the following items: (1) When the Government and the participant mutually agree to a transit time longer than the transit time as shown in this HTOS, the penalty will begin on the day after the agreed date; (2) When the Government and the participant mutually agree to a transit time chart other than the chart in this HTOS, the penalty will begin on the day after the agreed date; (3) When a shipment consigned to Storage-in-Transit (SIT) at destination is en route and the destination is changed to a direct delivery, the transit time is negotiable and no penalty occurs for late delivery; (4) This item will apply only for

shipments which: (a) Weigh or are rated at 3,500 pounds or more that are picked up during the period from October 1 through May 14 of each subsequent year; OR. (b) weigh or are rated at 5,000 pounds or more that are picked up during the period from May 15 through September 30 of each year; (5) This item applies only when both origin and destination of the shipment are within the continental United States; (6) This item will not apply if delay is caused by reasons beyond the participant's control, described as "Impractical Operation" in the participant's governing Government Rate Tender; (7) This item will not apply to a shipment, or portion thereof, which is lost or destroyed in transit and cannot be delivered due to such loss or destruction; (8) This item will not apply to an overflow portion of the shipment when the overflow weight represents less than twenty (20) percent of the total shipment weight and contains nonessential items (possessions not needed to maintain day-to-day housekeeping during the period of time between delivery of the main portion of the shipment and delivery of the overflow); (9) This item will apply when reconsignment or diversion is made on a shipment, based on the applicable mileage and weight of the shipment from point of diversion to the new destination; (10) The total reimbursement shall not exceed an amount equal to the linehaul transportation charges for the shipment; (11) This payment satisfies the Government's right to equitable adjustment for failure to perform, but does not waive, mitigate, or satisfy any other right or remedy available to the Government on account of late delivery by the participant.

##### 11-1.4. Late Delivery Reduction.—INTERNATIONAL ONLY [old I11.1.3]

A late delivery reduction of \$100.00 per day will be payable to the Federal agency paying the transportation charges, for each calendar day or fraction thereof, when the actual transit time for direct delivery shipments exceeds the transit time as defined in Section 12 of this HTOS, subject to the following items: (1) When the Government and the participant mutually agree to a transit time longer than the transit time as shown in this HTOS, the penalty will begin on the day after the agreed date; (2) When the Government and the participant mutually agree to a transit time chart other than the chart in this HTOS, the penalty will begin on the day after the agreed date; (3) When a shipment consigned to Storage-in-Transit (SIT) at

destination is en route and the destination is changed to a direct delivery, the transit time is negotiable and no penalty occurs for late delivery; (4) This item will apply only for shipments which: (a) weigh or are rated at 3,500 pounds or more that are picked up during the period from October 1 through May 14 of each subsequent year; OR. (b) weigh or are rated at 5,000 pounds or more that are picked up during the period from May 15 through September 30 of each year; (5) This item will not apply if delay is caused by reasons beyond the participant's control, described as "Impractical Operation" in the participant's governing Government Rate Tender; (6) This item will not apply to a shipment, or portion thereof, which is lost or destroyed in transit and cannot be delivered due to such loss or destruction; (7) This item will not apply to an overflow portion of the shipment when the overflow weight represents less than twenty (20) percent of the total shipment weight and contains nonessential items (possessions not needed to maintain day-to-day housekeeping during the period of time between delivery of the main portion of the shipment and delivery of the

overflow); (8) This item will apply when reconsignment or diversion is made on a shipment, based on the applicable mileage and weight of the shipment from point of diversion to the new destination; (9) The total reimbursement shall not exceed an amount equal to total charges for the shipment, excluding SIT; (10) This payment satisfies the Government's right to equitable adjustment for failure to perform, but does not waive, mitigate, or satisfy any other right or remedy available to the Government on account of late delivery by the participant.

*11–2. Diversion Or Reconsignment. [old D11–3]*

Diversion or reconsignment of a shipment to a destination area other than that specified on the GBL can only be authorized by written order or oral notice followed by written order of the GBL Issuing Officer. The destination area is the territory recognized as the commercial zone for the destination city or municipality shown on the GBL. Instructions furnished by the owner or his representative to the carrier or its agent to perform local drayage to any point within the commercial zone shall not constitute an order for diversion or reconsignment.

*11–3. Advertising Of Participant Approval. [old D11–4 & I11.3]*

Except in those instances where the participant uses information or data publicly available, the participant will not refer to GSA approval to participate in the program or participation in the program in commercial advertising in such a manner as to state or imply that the services provided are endorsed or preferred by the Federal Government or are considered by the Government to be superior to other services.

**Section 12—Transit Times**

*12–1. Transit Times*

This HTOS paragraph 12–1 provides transit times for shipments moving between CONUS locations, between CONUS and Canada locations, and between locations in CONUS and Canada on the one hand and on the other hand international locations, including POV surface shipments (except locations shown in HTOS paragraph 12–2. For Transit Times on international unaccompanied air baggage, refer to HTOS Section 5).

(For Special Agency Transit Times, refer to the Request for Offers (RFO))
