1. Introduction

This agreement prescribes the general procedures and policies to be followed when Electronic Commerce (EC) is used for transmitting and receiving requests for offers, rate tenders, or other business information in lieu of creating one or more paper documents normally associated with conducting business with the General Services Administration. The General Services Administration (GSA or the agency) will transmit and receive using the File Transfer Protocol (FTP) of the Internet network (I-FTP) such transaction sets (documents) as it chooses and as established by the governing tender of service or the request for offers. These transaction sets will be transmitted to those firms, organizations, agencies, or other entities (trading partners) recognized by GSA that agree to accept such documents and to be bound by the terms and conditions contained in those documents, this agreement, and any applicable tender of service.

2. Purpose

This agreement is to ensure that all EC obligations are legally binding on all trading partners. Further, the use of any electronic equivalent of a standard business document referenced in Paragraphs 3 and 4 will be deemed an acceptable business practice and that no trading partner will challenge the admissibility of the electronic information in evidence, except in circumstances in which an analogous paper document could be challenged. Where participant is used in this agreement it will mean carrier/forwarder as applicable.

3. Freight Reference

This agreement, in addition to the terms and conditions stated in Paragraph 5, is subject to the terms and conditions of the following documents:

- GSA Freight Traffic Management Program Standard Tender of Service.
- Optional Form 280
- GSA Freight Traffic Management Program Request for Offers

4. Household Goods Reference

This agreement, in addition to the terms and conditions stated in Paragraph 5, is subject to the terms and conditions of the following documents:

- GSA Centralized Household Goods Traffic Management Program Tender of Service.
- Optional Form 280
- GSA Centralized Household Goods Traffic Management Program Request for Offers

5. Terms and Conditions

(A) GSA will place electronic documents in a publicly accessible website (www.KC.GSA.GOV/FSST) and when warranted in the directory of a confirmed trading partner (trading partner/<SCA>), hereinafter referred to as directory. It will receive documents from confirmed trading partners in each confirmed trading partner's directory via I-FTP. Receipt by the trading partner is considered to occur when the document is placed and either the public directory or the trading partner's directory, as the case may be.

(B) GSA will bear the costs of maintaining the GSA FTP server and the costs of placing documents issued by GSA in the appropriate directory on the GSA FTP server, and the costs of managing documents put on the GSA FTP server by its trading partners. The agency's trading partners are responsible for all costs associated with getting documents from or putting documents on the GSA FTP server.

(C) When the transmissions are submission or fate tenders, the submitting firm must have first met all applicable approval requirements set out in the applicable, governing Tender of Service.

(D) GSA will be responsible for the accuracy of documents issued by it and placed in the GSA FTP server directory. GSA will not be responsible for errors occurring in documents put on the GSA FTP server, nor will GSA be responsible for errors occurring in documents gotten from the GSA FTP server.

(E) GSA will not be responsible for any damages incurred by a trading partner as a result of missing or delayed transmissions when the problem is not with or caused by GSA or the agency's FTP server.

(F) Any document placed in a directory maintained on the GSA FTP server is to be considered a valid and authentic document backed by the same guarantees of legitimacy as are found in a paper transaction. Likewise, any document from a trading partner put into a directory on the GSA FTP server will be considered a valid and authentic document backed by the same guarantees of legitimacy as are found in a paper transaction.

(G) If a participant uses a broker, shipper agent/Intermodal Marketing Company, or filing service to file its

rates with GSA, documents submitted on behalf of the participant will be accepted as though submitted by the participant and GSA. The use of a broker, shipper agent/Intermodal Marketing Company, or filing service does not relieve the participant of any of its rights or obligations under the terms of this agreement, including the maintenance of a valid trading partner agreement with GSA.

6. Force Majeure

None of the parties in this agreement will be liable for failure to properly conduct EC in the event of war, accident, riot, fire, flood, epidemic, power outage, labor dispute, act of God, act of public enemy, malfunction or inappropriate design of hardware or software, or any other cause beyond such party's control. If standard business cannot be conducted by EC, GSA, will, at its discretion, return to a paper based system.

7. Effective Date

The effective date of this agreement will be the latest of the date(s) shown on the signature page of this document

8. Agreement Review

The agreement will be affective on a continuing basis, except as provided in Paragraph 9, below; provided, however, that GSA may from time to time make such changes to the agreement as are necessary, and the trading partner may request review of the agreement at any time.

9. Termination

(A) If GSA terminates a participant's participation in the GSA Freight Traffic Management Program and/or the GSA Centralized Household Goods Traffic Management Program, this agreement will be considered terminated as of the date notice is given to a firm of its participation termination.

(B) If a participant terminated its participation in the GSA Freight Traffic Management Program and/or the GSA Centralized Household Goods Traffic Management Program, this agreement will be considered terminated as of the date notice of such termination is received by the GSA.

(C) Except as provided above, this agreement may be terminated by either GSA or its trading partner, effective 30 days after receipt of written notice by either party. Termination will have no effect on transactions occurring before the effective date of termination.

10. Whole Agreement

This agreement and all addenda constitute the entire agreement between

the parties. No changes in terms and conditions of this agreement will be effective unless approved and signed by both parties. At the inception of this agreement, Addendum/Addenda (is) (are) not applicable. As the parties develop and implement additional EC capabilities, addenda may be incorporated into this agreement. Each addendum will be signed and dated by both parties. The latest date contained on the signature page will be the effective date of the addenda. The addendum will be appended to this agreement.

17-26. Termination of Shipment Unaccompanied Air Baggage

A. A shipment will be terminated when appropriate and ordered by a RTO or other authorized Government representative.

B. When an order for termination is received, the carrier will locate the shipment, advise the RTO of shipment's location and effect the required change. The RTO will issue a GBL correction notice to reflect the termination point.

C. The following will apply to shipment terminated for the convenience of the Government:

(1) Shipments terminated prior to departure from the origin area (both CONUS, CANADA and overseas). Applicable payments are authorized as follows:

(a) US\$5.00 per gross CWT (45kg) for packing, including the use of packing materials and stuffing into containers, if used.

(b) SIT charges, warehouse handling charges, and delivery to or from SIT, when required and authorized.

(c) Unpacking charges, if applicable.

(d) When SIT is not ordered, apply applicable linehaul rate table to cover local drayage charges.

(2) Shipments terminated subsequent to movement from origin but prior to commencement of ocean or air transportation. Applicable payments are authorized as follows:

(a) US\$5.00 per gross CWT (45kg) for packing, including the use of packing materials and stuffing into containers, if used.

(b) Applicable linehaul rates for mileage from origin to point of termination.

(c) SIT and warehouse handling charges, when required and authorized.

(d) Unpacking charges, if applicable.

(3) Shipments terminated during or subsequent to the completion of overwater transportation. Applicable payments are authorized as follows:

(a) Carrier's SFR to rate area of the termination point or carrier's SFR to the rate area of the original destination point, whichever is less.

(b) If the shipment is to be delivered to a residence also within the rate area of the termination point, the carrier's SFR rate as specified above, plus appropriate charges for additional services as ordered by the RTO on a DD Form 619 or comparable commercial form, will apply.

(4) A termination charge of US\$10.00 per shipment will apply in addition to other charges authorized herein. The termination charge will be supported by the GBL correction notice.

D. When shipments are terminated through the fault of the carrier, the provisions of HTOS Paragraph 8-1.1.17, Shipment Termination, apply. The termination charge of US\$10.00 will not apply.

17-27. Reshipments-Household Effects, Surface

A. This HTOS Paragraph 17-27 applies to shipments which are terminated for the convenience of the government and which require over ocean transportation either by air or water. A reshipment normally will be handled by the carrier originally tendered the shipment if that carrier has a cost effective GSA approved rate on file or negotiates an acceptable OTO rate with GSA.

(B) The point of termination will be considered the final destination and the original GBL will be terminated at that point.

(C) Onward movement of property will be treated as a new shipment under a new GBL. The following procedures will be followed in determining applicable rates for the new GBL.

(1) If the carrier originally handling the shipment has a cost effective, GSA approved rate on file to the new destination, that SFR, less US\$5.00 per gross CWT (45kg) for nonperformance of packing will apply. The reduction will be supported by a RTO annotation on the original GBL.

(2) If the carrier originally handling the shipment does not have a cost effective, GSA approved rate on file to the new destination, that SFR, less US\$54.00 per net cwt (45kg) will apply. The reduction will be supported by DOS annotation on the original GBL.

approved rate on file to the new destination, that SFR, less US\$54.00 per net cwt (45kg) will apply. The reduction will be supported by DOS annotation on the original GBL.

(2) If the carrier originally handling the shipment does not have a cost effective rate on file to the new destination, an acceptable rate will be negotiated with RTÖ or the shipment will be tendered to another carrier.

(3) If the shipment is tendered to another carrier with a cost effective GSA approved rate on file, the SFR will be reduced by US\$49.00 per net cwt (45kg) for non-performance of packing services. The shipment will be decontainerized and restuffed into other containers and original containers returned to owner.

(D) The above procedures are not applicable to those shipments terminated and retendered due to the fault of the carrier, such as carrier bankruptcy or failure to complete movement as defined in HTOS Paragraph 8-1.1.17. In these instances, due to the need to expedite onward movement, shipments will remain in the original carrier's containers. These containers will be made available to the original carrier by the new carrier at destination.

(E) Old and new GBLs will be cross-referenced.

17-28. Reshipments—Unaccompanied Air Baggage

(A) this HTOS Paragraph 17-28 applies to shipments which are terminated for convenience of the Government and which require over ocean transportation either by air or water. A reshipment normally will be handled by the carrier originally tendered the shipment if that carriers has a cost effective, GSA approved rate on file or negotiates an acceptable OTO rate with GSA.

(B) The point of termination will be considered the final destination and the original GBL will be terminated at that point.

(C) Onward movement of property will be treated as a new shipment under a new GBL. The following procedures will be followed in determining applicable rates for the new GBL.

(1) If the carrier originally handling the shipment has a cost effective, GSA approved rate on file to the new destination, that SFR, less US\$5.00 per gross CWT (45kg) for nonperformance of packing will apply. The reduction will be supported by a RTO annotation on the original GBL.

(2) If the carrier originally handling the shipment does not have a cost effective, GSA approved rate on file to the new destination, that SFR, less US\$54.00 per net cwt (45kg) will apply. The reduction will be supported by DOS annotation on the original GBL.

the new destination, an acceptable OTO SFR will be negotiated or the shipment will be tendered to another carrier.

(3) If the shipment is tendered to another carrier, this SFR will be reduced by US\$5.00 per gross CWT (45kg) for nonperformance of packing services.

D. Old and new GBLs will be cross-referenced.

17-29. Shipments Diverted After Commencement Of Transportation Service

A. Upon instructions made and confirmed in writing by RTO, shipments will be diverted subject to the provisions and charges shown below. However, when charges are assessed in accordance with the provisions of this item, the charges associated with delivery from SIT herein, will not apply.

B. The term "diverted" or "diversion" as used herein, means a change to a new destination point more than fifty (50) (80 km) miles from the original

destination point. A diversion will be made only at an ocean port of embarkation, an ocean port of debarkation, or at destination point. If the RTO directs the movement of the shipment to a place which is less than 50 (80 km) miles from the original destination point of the shipment, the shipment will be terminated at the point designated by the RTO and no diversion will occur. In such instance, the SFR will be that applicable to the original destination point. If the RTO directs the movement of the shipment to a place which is more than 50 (80 km) miles from the original destination point, the transportation charges as stated below in this HTOS Paragraph 17-29 will apply.

Exception: The provisions of this HTOS Paragraph 17-29 will not apply if instructions are received to change the destination of a shipment that is in SIT as destination. In such instances, transportation charges to the new

destination point from the SIT warehouse will be computed under the provisions of Pickup/Delivery Transportation Rate to apply on SIT shipments.

C. When an order for diversion is received by carrier, diligent effort will be made by carrier to locate the shipment at the ocean port of embarkation or debarkation, or destination and effect the change desired. The carrier will not be responsible for failure to effect the change ordered, unless such failure is due to error or negligence of the carrier or its employees.

D. Upon receipt of a diversion certificate from the RTO, and properly affixed to carrier's bill to support billing for diversion charges, a US\$40.00 per shipment charge will apply and when applicable the following additional provisions, and associated rates and charges will apply:
