**National Emergency Construction Authority**

By the authority vested in me as President by the Constitution and the laws of the United States of America, including the National Emergencies Act (50 U.S.C. 1601 *et seq.*), and section 301 of title 3, United States Code, I declared a national emergency that requires the use of the Armed Forces of the United States, by Proclamation 7463 of September 14, 2001, because of the terrorist attacks on the World Trade Center and the Pentagon, and because of the continuing and immediate threat to the national security of the United States of further terrorist attacks.
