Pursuant to 49 U.S.C. 13902(c)(5), I have determined that expeditious action is required to implement these modifications to the moratorium. Effective today, the Department of Transportation will accept and expeditiously process applications, submitted by enterprises domiciled in the United States that are owned or controlled by persons of Mexico, to obtain operating authority to provide truck services for the transportation of international cargo between points in the United States or to provide bus services between points in the United States.

Motor carriers domiciled in the United States that are owned or controlled by persons of Mexico will be subject to the same Federal and State regulations and procedures that apply to all other U.S. carriers. These include safety regulations, such as drug and alcohol testing; insurance requirements; taxes and fees; and all other applicable laws and regulations, including those administered by the U.S. Customs Service, the Immigration and Naturalization Service, and the Department of Labor.

This memorandum shall be published in the **Federal Register**.
