Wetlands Reserve Program

AGENCY: Commodity Credit Corporation, USDA.

ACTION: Final rule.

SUMMARY: The Farm Security and Rural Investment Act of 2002 amended the authority of the Secretary of Agriculture under the Wetlands Reserve Program to broaden the ability of landowners subject to foreclosure to remain eligible for participation in the program. This change, the terms of which are not subject to agency discretion, is mandatory.

EFFECTIVE DATE: June 7, 2002.

SUPPLEMENTARY INFORMATION:

Discussion

The Wetlands Reserve Program is authorized under Subtitle D, Title XII of the Food Security Act of 1985 (16 U.S.C. 3837-3837f) and provides wetland conservation assistance through long-term easements and restoration agreements. NRCS published the current regulations for the Wetlands Reserve Program, 7 CFR part 1467, as a final rule on August 14, 1996 (61 FR 42137). The regulations, based upon statutory mandate, prohibited the Secretary from creating an easement on land that had changed ownership within the 12 months preceding the application for enrollment in the program. However, the Secretary could waive this ownership requirement if the new ownership was acquired by will or succession, or if the Secretary determined that the land was acquired under circumstances that gave adequate assurances that such land was not acquired for the purposes of placing it in the program. The Farm Security and Rural Investment Act of 2002, Public Law 107-171, expands the ability of the Secretary to grant a waiver if the "ownership change occurred due to foreclosure on the land and the owner of the land immediately before the foreclosure exercises a right of redemption from the mortgage holder in accordance with State law."

This final rule incorporates this mandated statutory change into the Wetlands Reserve Program regulations. This change is non-discretionary on the part of the agency, and thus no public comments are being solicited.

Delegation of Authorities for Various Detention and Removal Authorities and the Parole, Detention, Care and Custody of Alien Juveniles

AGENCY: Immigration and Naturalization Service, Justice.

ACTION: Final rule.

SUMMARY: As part of the ongoing restructuring of the Immigration and Naturalization Service (Service or INS), the chain of command for many functions related to the detention and removal of aliens, including the detention, care and custody of juveniles, will be centralized. Currently, these functions are overseen by Service districts and regions which report to the Executive Associate Commissioner for Field Operations. Under the reorganization, the daily oversight of overall detention and removal functions

will transfer to the Deputy Executive Associate Commissioner for Detention and Removal who will still report to the Executive Associate Commissioner for Field Operations. The daily oversight of functions relating to alien juveniles in the custody and care of the Service is transferred to the Director of the Office of Juvenile Affairs who reports to the Commissioner of the INS. This rule ensures that the appropriate immigration officials will have the necessary authority to carry out the daily oversight of the detention and removal of aliens consistent with the changes in responsibility.

DATES: This rule is effective June 7, 2002.

FOR FURTHER INFORMATION CONTACT: For overall detention and removal issues contact: Rachel Canty, Special Assistant, Office of Detention and Removal, Immigration and Naturalization Service, 801 I Street, NW Room 900, Washington, DC 20536, telephone number 202-305-1518. For issues specifically related to the detention, care and custody of juveniles, contact: John J. Pogash, National Juvenile Coordinator, Immigration and Naturalization Service, 801 I Street, NW., Room 800, Washington, DC 20536, telephone number 202-305-1518.

SUPPLEMENTARY INFORMATION: The Immigration and Nationality Act (Act) conveys authority to perform various functions on the Attorney General, and that authority, with some limitations, is delegated to the INS Commissioner pursuant to Department of Justice regulations at 28 CFR 0.105 and 8 CFR 2.1. The latter provision further authorizes the INS Commissioner to issue regulations and redelegate authority to any officer or employee of the Service. This final rule delegates authority to grant parole, make decisions on the expedited removal of aggravated felons, issue and cancel notices to appear, issue warrants of removal, continue detention of inadmissible criminals or other aliens beyond the removal period, issue administrative stays of removal, grant extensions of time to depart, issue subpoenas, and issue warrants of arrest to the Deputy Executive Associate Commissioner for Detention and Removal, the Directors of the Detention and Removal Field Offices (who report to the Deputy Executive Associate Commissioner for Detention and Removal), and the Director of the Office of Juvenile Affairs, as appropriate. This rule does not change any substantive rules relating to the implementation of these authorities, and therefore individuals who might be affected by

any of the listed actions will not be disadvantaged by this change.

As part of the ongoing restructuring of the Service, the chain of command for many functions related to the detention and removal of aliens, including the detention, care and custody of juveniles, will be centralized. Currently, these functions are overseen by Service districts and regions which report to the Executive Associate Commissioner for Field Operations. Under the reorganization, the daily oversight of the overall detention and removal functions will transfer to the Deputy Executive Associate Commissioner for Detention and Removal who will report to the Executive Associate Commissioner for Field Operations. In turn, field level oversight of detention and removal functions in a given geographical area will be overseen by Directors of Detention and Removal Field Offices. The daily oversight of certain functions as related to juveniles in the custody and care of the Service is transferred to the Director of the Office of Juvenile Affairs who reports to the Commissioner of the INS. This rule ensures that the appropriate immigration officials will have the necessary authority to carry out the daily oversight of the detention and removal of aliens, consistent with the changes in responsibility. This is accomplished by amending the listing of officials authorized to grant parole, make decisions on the expedited removal of aggravated felons, issue and cancel notices to appear, issue warrants of removal, continue detention of inadmissible criminals or other aliens beyond the removal period, issue administrative stays of removal, issue subpoenas, grant extensions of time to depart and issue warrants of arrest.

The provisions of 8 CFR 212.5(a), (c), (d) and (e), 236.3(b)(4), (e) and (f), 238.1(a), 239.1(a), 240.25(a), 240.26(f), 241.2(a), 241.4, 241.6(a) and (b), 241.7, 287.4(a) and (c), and 287.5(e)(2), are being amended to add the Deputy Executive Associate Commissioner for Detention and Removal, the Director of the Detention and Removal Field Office, and the Director of the Office of Juvenile Affairs, as appropriate to the list of officials authorized to engage in such functions. This amendment does not otherwise alter who is authorized to exercise these authorities except that district directors and chief patrol agents have been removed from 8 CFR 212.5(b)(3) and 8 CFR 236.3 relating to parole and release of juveniles. This authority is being transferred to the Director of the Office of Juvenile Affairs. In particular, under this rule, the Deputy Executive Associate Commissioner for Detention and
