Purpose of Program: The Indian Education Formula Grants program provides grants to support local educational agencies (LEAs) in their efforts to reform elementary and secondary schools programs that serve Indian students. The programs funded must be based on the same challenging State academic content and student academic achievement standards applied to all students, and are designed to assist Indian students in meeting those standards. Under ESEA section 7116, Integration of Services, the Indian Education Formula Grant program also authorizes the consolidation of funds for Federal programs exclusively serving Indian children, or the funds reserved under Federal programs to exclusively service Indian children under a statutory or administrative formula, for the purposes of providing education and related services that would be used to serve Indian students. Instructions for an Integration of Services project are included in the application package.

Eligible Applicants: LEAs and certain schools funded by the Bureau of Indian Affairs, and Indian tribes under certain conditions, as prescribed by statute in ESEA section 7112(b).

Deadline for Transmittal of Applications: July 8, 2002.

Deadline for Intergovernmental Review: September 6, 2002.

Applications Available: June 5, 2002.

Estimated Available Funds: The appropriation for this program for fiscal year 2002 is \$97,133,000, which should be sufficient to fund all eligible applicants.

Estimated Range of Awards: \$3,000 to \$2,400,000.

Estimated Average Size of Awards: \$76,183.

Estimated Number of Awards: 1,275.

Note: The Department is not bound by any estimates in this notice.

Project Period: Up to 60 months.

Budget Requirement: All projects with budgets of \$115,000 or more must plan and budget for one person to attend a two day Project Directors' meeting to be held in Washington, DC in mid-September 2002. Other projects not

meeting the level of funding may attend at their discretion.

Applicable Regulations: The Education Department General Administrative Regulations (EDGAR) in 34 CFR Parts 75, 77, 79, 80, 81, 82, 85, 86, 97, 98, and 99.

Note: Applications not meeting the deadline will not be considered for funding in the initial allocation of awards. However, if funds become available after the initial allocation of funds, applications not meeting the deadline may be considered for funding if the Secretary determines under ESEA section 7118(d) that reallocation of those funds to late applicants would best assist in advancing the purposes of the program, may be less than the applicant would have received had it's application been submitted on time.
