

California Coast steelhead (*O. mykiss*) and threatened Central Valley steelhead.

Modification Request Received

TRPA requests a modification to permit 1180 for takes of adult and juvenile ESA-listed Chinook salmon and steelhead associated with studies monitoring the distribution and relative abundance of fish populations, data evaluations, and habitat monitoring. Presently, permit 1180 authorizes intentional takes of adult and juvenile threatened Southern Oregon/Northern California Coast coho salmon (*O. kisutch*), threatened Central California Coast coho salmon and endangered Southern California coast steelhead. This requested modification would add intentional takes of threatened Central Valley Spring-run Chinook salmon, endangered Sacramento River Winter-run Chinook salmon, threatened Central California Coast steelhead, and threatened Central Valley steelhead to TRPA's permit.
