

assessment rate for merchandise subject to this review. The Department will issue appropriate assessment instructions directly to Customs within 15 days of publication of these final results of review. We will direct Customs to assess the resulting assessment rates against the entered Customs values for the subject merchandise on each of the importer's entries during the review period.

Cash Deposit Requirements

The following deposit requirements will be effective upon publication of the notice of the final results of this administrative review for all shipments of stainless steel plate in coils from Belgium entered, or withdrawn from warehouse, for consumption on or after the date of publication, as provided by section 751(a)(1) of the Act: (1) The cash deposit rate for the reviewed company will be the rate listed above; (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original less-than-fair-value (LTFV) investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 9.86 percent, which is the "all others" rate established in the LTFV investigation (*see Notice of Final Determination of Sales at Less Than Fair Value: Stainless Steel Plate in Coil From Belgium*, 64 FR 15476 (March 31, 1999)). These deposit requirements shall remain in effect until publication of the final results of the next administrative review.

Notification of Interested Parties

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective orders ("APOs") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance

with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We are issuing and publishing this determination and notice in accordance with sections 751(a)(1) and 771(i) of the Act.

CONSUMER PRODUCT SAFETY COMMISSION

Petition Requesting Ban of All-Terrain Vehicles Sold for Use by Children Under 16 Years Old

AGENCY: Consumer Product Safety Commission.

ACTION: Notice.

SUMMARY: The Commission has received a petition (CP-02-4/ HP-02-1) requesting that the Commission ban the sale of adult-size four wheel all-terrain vehicles ("ATVs") sold for the use of children under 16 years of age. The

Commission solicits written comments concerning the petition.

DATES: The Office of the Secretary must receive comments on the petition by December 17, 2002.

ADDRESSES: Comments, preferably in five copies, on the petition should be mailed to the Office of the Secretary, Consumer Product Safety Commission, Washington, DC 20207, telephone (301) 504-0800, or delivered to the Office of the Secretary, Room 501, 4330 East-West Highway, Bethesda, Maryland 20814. Comments may also be filed by telefacsimile to (301) 504-0127 or by email to cpsc-os@cpsc.gov. Comments should be captioned "Petition CP-02-4/HP-02-1, Petition on ATVs." A copy of the petition is available for inspection at the Commission's Public Reading Room, Room 419, 4330 East-West Highway, Bethesda, Maryland.

FOR FURTHER INFORMATION CONTACT: Rockelle Hammond, Office of the Secretary, Consumer Product Safety Commission, Washington, DC 20207; telephone (301) 504-0800, ext. 1232.

SUPPLEMENTARY INFORMATION: The Commission has received correspondence from Consumer Federation of America ("CFA") and other groups¹ requesting that the Commission take several actions concerning all-terrain vehicles ("ATVs"). The Commission is docketing their request for a ban of the sale of adult-size four wheel ATVs sold for the use of children under 16 as a petition under the Consumer Product Safety Act, 15 U.S.C. 2057, and the Federal Hazardous Substances Act, 15 U.S.C. 1261(q)(1)(A). The petitioners assert that ATVs pose an unreasonable risk of injury and death to children. They cite Commission data that between 1982 and 2001 there were reports of 4,541 ATV-related deaths, and that 1,714 (or 38%) of those deaths were children under 16 years old. They also note that in the year 2001, there were 111,700 people taken to emergency rooms for ATV-related injuries, of which 34,800 were under 16 years old. They argue that there is no feasible standard that would address the risks ATVs pose to children.

Interested parties may obtain a copy of the petition by writing or calling the Office of the Secretary, Consumer Product Safety Commission, Washington, DC 20207; telephone (301) 504-0800. Copies of the petition are also

available for inspection from 8:30 a.m. to 5 p.m., Monday through Friday, in the Commission's Public Reading Room, Room 419, 4330 East-West Highway, Bethesda, Maryland.

Dated: October 10, 2002.

Todd Stevenson,

Secretary, Consumer Product Safety Commission.

DEPARTMENT OF DEFENSE

Department of the Air Force

Notice of Intent To Prepare an Environmental Impact Statement for Proposed Aircraft Conversion at Martinsburg, WV

Pursuant to the National Environmental Policy Act (NEPA) of 1969, as amended (42 United States Code 4321, *et seq.*), the Council on Environmental Quality (CEQ) Regulations for implementing the procedural provisions of NEPA (40 Code of Federal Regulations (CFR) parts 1500-1508), and Air Force policy and procedures (32 CFR part 989), This announcement provides notice that the

Air Force proposes a conversion of C-130 aircraft to C-5 aircraft along with associated actions to meet strategic airlift requirements of the U.S. Air Force and Air National Guard. This action requires a unique mix of facilities and support capabilities associated with the C-5, the largest cargo aircraft in the Department of Defense inventory. The eventual receiving location would maintain and operate an inventory of 10 C-5 aircraft.

The Air National Guard is preparing an EIS to assess potential environmental impacts associated with the proposed conversion from C-130 to C-5 aircraft at the 167th Airlift Wing (167 AW), Martinsburg, WV. The 167th AW action would consist of three primary components: (1) Conversion from C-130 to C-5 aircraft; (2) acquisition of land through lease; from the Eastern West Virginia Airport and (3) construction of both ANG and the Eastern West Virginia Regional Airport facilities on existing and acquired parcels. The EIS will address alternatives to the proposed action, including alternative facilities development scenarios, reduced airfield expansion, and the No Action Alternative.

The ANG will initiate a public scoping process to facilitate identification of the relevant scope of environmental issues to be addressed in the EIS. The public will be invited to participate in scoping meetings and review the Draft EIS. Notification of the meeting locations and time will be made in the local area and will be announced via local news media. Information gathered during the public scoping will be used in the development of the Draft EIS.

For Further Information Contact: ANG/CEVP, Martinsburg EIS, Attention: Lt Col TJ Mitnik, 3500 Fetchet Avenue, Andrews Air Force Base, MD 20762.
