Semiannual Regulatory Agenda

AGENCY: Federal Emergency Management Agency.

ACTION: Semiannual regulatory agenda.

SUMMARY: The Federal Emergency Management Agency (FEMA) publishes its semiannual regulatory agenda in April and October to inform interested parties of progress on FEMA regulations. The agenda lists regulations that will be under development or review during the period April 30, 2002 to October 31, 2002.

ADDRESSES: For information about specific regulations, please contact the person listed as the agency contact in the agenda.

FOR FURTHER INFORMATION CONTACT: For general information on FEMA's regulatory agenda, contact Michael S. Herman, Office of the General Counsel, Federal Emergency Management Agency, 500 C Street SW., Washington, DC 20472, (202) 646-4097, (Fax) (202)

646-4536 or e-mail michael.herman@fema.gov.

SUPPLEMENTARY INFORMATION: Executive Order 12866 "Regulatory Planning and Review" directs each executive agency to publish only such regulations as are required by law, are necessary to interpret the law, or are necessary by compelling public need. We and other Federal departments and agencies publish an agenda of regulations semiannually in order to give you adequate notice of agency rulemaking activities. We also publish a regulatory agenda of rules likely to be significant regulatory actions when that is appropriate.

To fulfill the requirements of Executive Order 12866, this agenda describes current and projected regulatory actions and rules that will be under review or development during the period April 30, 2002 to October 31, 2002. This agenda also contains information on regulations on which we completed action since the last FEMA semiannual agenda was published on December 3, 2001 at 66 FR 62398 to 62405.

We invite your comments on the agenda, including comments by State and local governments. Please submit any comments to the Rules Docket Clerk, Office of the General Counsel, Federal Emergency Management Agency, 500 C Street SW., Washington, DC 20472, (Fax) (202) 646-4536 or e-mail: rules@fema.gov. Please refer to the title of the rule that you are inquiring about, or commenting on, and to the rule's Regulation Identifier Number (RIN) found at the end of each agenda entry.

The agenda is not limited to significant regulatory actions and it contains information about FEMA regulations to be developed, reviewed, or published in the next 12 months, except for routine flood elevation determinations, listings of eligible communities under the National Flood Insurance Program, listings of suspended communities and similar designations under the National Flood Insurance Program, and FEMA organizational and management matters.

Dated: March 15, 2002.

Michael D. Brown,
General Counsel.
