BILLING CODE 4410–01–M

DEPARTMENT OF LABOR

Office of the Secretary of Labor

29 CFR Part 56

Work Incentive (WIN) Programs for AFDC Recipients; Removal of Obsolete Work Program Regulations

AGENCY: Office of the Secretary of Labor.

ACTION: Final rule.

SUMMARY: The Department of Labor is removing obsolete provisions from the Code of Federal Regulations. These provisions involve work program activities under the Work Incentive (WIN) Programs, which were superseded when State welfare agencies began their Job Opportunities and Basic Skills (JOBS) Programs in 1989–1990.

EFFECTIVE DATE: June 28, 1996.

FOR FURTHER INFORMATION CONTACT:

Terence Finegan, Director, Division of Policy, Legislation, and Dissemination, Employment and Training Administration, 200 Constitution Avenue NW., Room N5637, Washington, D.C. 20210; tel. (202) 219–7669 x126 (this is not a toll-free call).

SUPPLEMENTARY INFORMATION: In September 1993, the President issued Executive Order 12866, which called for Federal regulations which were less burdensome, more effective, and more consistent with Administration priorities. In response, the Department of Labor (DOL or the Department) published a notice in the Federal Register providing a plan for periodic review of existing rules and soliciting ideas. 59 FR 57800 (November 14, 1994).

In March 1995, the President issued a new directive to federal agencies regarding their responsibilities under his Regulatory Reinvention Initiative. This initiative is part of the National Performance Review and calls for more immediate, comprehensive regulatory reform. The President directed all agencies to undertake an exhaustive review of all their regulations with and eye towards eliminating or modifying those that are obsolete or which are otherwise in need of reform. This notice represents a step in the DOL's response to this directive.

Work Programs

Under the Family Support Act of 1988, Pub. L. 100–485, Congress created the Job Opportunities and Basic Skills (JOBS) program to improve the job prospects of welfare recipients and help them become self-sufficient. It required States to begin operating their JOBS programs by October 1, 1990. If a State began operating its JOBS programs sooner, the regulations governing the separate work programs authorized under parts A and C of title IV of the Social Security Act—i.e., the Work Incentive (WIN) program; the Work Incentive Demonstration (WIN Demo) program; the Community Work Experience Program (CWEP); the Work Supplementation Program; and the Employment Search Program—became inapplicable at the start of the JOBS program. Nationwide, these programs were repealed as of October 1, 1990. Thus, the regulations which governed these programs are obsolete.

On May 17, 1995, the Administration for Children and Families of the Department of Health and Human Services (HHS) published in the Federal Register a final rule that removed, among others, the regulations at 45 CFR part 224, addressing HHS's administrative responsibilities for the WIN program. 60 FR 26373 (May 17, 1995). Because the WIN program was jointly administered by HHS and DOL, the HHS provisions at 45 CFR part 224 were identical to those contained at 29 CFR part 56, issued by DOL.

Accordingly, this notice removes part 56, governing the WIN program, from title 29.

Publication in Final

The Department of Labor has determined, pursuant to 5 U.S.C. 553(b)(B), that good cause exists for waiving the public comment on this rule. Publication of a proposed rule and solicitation of comments would be neither necessary nor fruitful, since this final rule affects only obsolete provisions and programs.

Effective Date

The Department has determined, pursuant to 5 U.S.C. 553(d)(3), that good cause exists for waiving the customary requirement to delay the effective date of a final rule for 30 days following its publication. It is unnecessary to postpone the effective date, since none of the provisions being removed are in effect, and no time for implementation is required. Therefore, this final rule is effective immediately upon publication.

Statutory Authority

DOL is publishing these rules under the general authority provided under section 1102 of the Social Security Act, 42 U.S.C. § 1302. This section requires publication of regulations that may be necessary for the efficient administration of the functions under the Social Security Act.

Regulatory Procedures—Executive Order 12866

This final rule has been reviewed by DOL pursuant to Executive Order 12866. Executive Order 12866 requires that regulations be reviewed for consistency with the priorities and principles set forth in the Executive Order. The Department has determined that this rule is consistent with these priorities and principles. Specifically, it responds directly to the President's Regulatory Reinvention Initiative by cutting obsolete regulations. It entails no increase in cost or burden on State and local governments or other entities. It is not a significant regulatory action under the Executive Order.

Small Business Regulatory Enforcement Fairness Act

The Department has determined that this final rule is not a "major rule" requiring prior approval by the Congress and the President pursuant to the Small Business Reduction Regulatory Fairness Act of 1996 (5 U.S.C. § 801 *et seq.*), because it is not likely to result in (1) An annual effect on the economy of \$100 million or more; (2) a major increase in costs or prices for
