## **FEDERAL DEPOSIT INSURANCE CORPORATION**

### **12 CFR Part 367**

**RIN 3064–AB76**

### **Suspension and Exclusion of Contractors and Termination of Contracts**

**AGENCY:** Federal Deposit Insurance Corporation.

**ACTION:** Final rule.

**SUMMARY:** The Board of Directors of the Federal Deposit Insurance Corporation (FDIC or Corporation) is adopting a final rule concerning suspension and exclusion of FDIC contractors and termination of contracts. The final rule is adopted pursuant to section 12(f) (4) and (5) of the Federal Deposit Insurance Act (FDI Act), and the rule-making authority of the FDIC found at section 9 of the Act. Additional provisions implementing these statutory directives appear in the FDIC’s regulation as published in the Federal Register on June 6, 1996 governing contractor conflicts of interest and the requirements that FDIC contractors meet minimum standards of competence, experience, fitness and integrity. This final rule is a companion to the conflict of interest regulation in that it sets forth procedures for the suspension and/or exclusion of contractors that have violated the conflicts of interest regulations (and hence, fail to meet minimum standards of fitness and integrity), or have otherwise acted in a manner warranting such action. In addition to FDIC contractors, this final rule also applies to subcontractors, key employees, management officials and affiliated business entities of FDIC contractors (all such terms are defined herein), and is designed to inform such contractors regarding their rights to notice and an opportunity to be heard on FDIC suspension and exclusion actions. The final rule is identical to an interim final rule adopted by the FDIC and published as an interim final rule on July 5, 1996 (61 FR 35115) except for one minor clarifying change.

**EFFECTIVE DATE:** This final rule is effective December 30, 1996.

**FOR FURTHER INFORMATION CONTACT:** Peter A. Ziebert, Counsel, Legal Division, (202) 736–0742; or Richard M. Handy, Assistant Executive Secretary (Ethics), Office of the Executive Secretary, (202) 898–7271.

### **SUPPLEMENTARY INFORMATION:**

#### **I. Background**

The final rule that is being adopted herein, to be codified at 12 CFR part 367, sets forth standards and procedures governing suspension and exclusion of FDIC contractors, which includes subcontractors, management officials, key employees and affiliated business entities of such contractors, for violations of 12 CFR part 366, the FDIC’s contractor conflict of interest regulation. This final rule also provides for the termination of awarded contracts of FDIC contractors. For the most part, this rule is modeled after the suspension and exclusion regulation used by the

Resolution Trust Corporation (RTC) until RTC sunset on December 31, 1995, which had been codified at 12 CFR part 1618. This rule also bears similarity to the suspension and debarment procedures utilized by other federal entities, which have been developed after extensive public comment and have withstood considerable judicial scrutiny. However, as discussed below, the rule departs in certain respects from the procedures used by other federal entities because the FDIC is not subject to the Federal Acquisition Regulation (FAR). The rule also revises the former RTC regulation in several ways as the FDIC now promulgates its own suspension and exclusion regulation.

Generally, this rule provides for more expedited and less formal procedures than are used by other federal agencies, while at the same time satisfying due process requirements regarding notice and an opportunity to be heard. These expedited procedures are necessary due to the urgent need to protect the FDIC and the public interest against further dissipation of assets now under FDIC control and previously under RTC control.

As noted above, FDIC has a statutory mandate to be vigilant in enforcing the highest ethical standards for its contractors. Accordingly, it is imperative that contractor suspension and exclusion proceedings be processed as expeditiously as possible consistent with due process requirements that affected contractors be afforded notice and an opportunity to be heard on such enforcement actions.

#### **II. Summary of Comments**

The FDIC did not receive any public comments to the interim final rule published on July 5, 1996.

#### **III. The Final Rule**

The FDIC has decided to adopt the interim final rule, without change, as a final regulation, except for one minor clarification. The interim final rule inadvertently failed to state that causes for exclusion are to be shown by an evidentiary standard of a “preponderance of the evidence”. That term was defined at § 367.2(q) of the interim final rule, and appears at that section in the final rule. The clarification will thus make clear that the causes for exclusion set forth at § 367.6 are to be established by a preponderance of the evidence. This clarification will contrast with language, set forth in the interim final rule and included in this final rule, concerning the evidentiary standard to be used in suspension actions, i.e., suspensions may be imposed upon a showing of

"adequate evidence" of one of the enumerated causes for suspension (See § 367.8).

#### IV. Regulatory Flexibility Analysis

The Board of Directors has concluded that the final rule will not impose a significant economic hardship on small institutions. Therefore, the Board of Directors hereby certifies pursuant to section 605 of the Regulatory Flexibility Act (5 U.S.C. 605) that the final rule will not have a significant economic impact on a substantial number of small business entities within the meaning of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*). Therefore, the provisions of that Act relating to an initial and final regulatory flexibility analysis do not apply.

#### V. Paperwork Reduction Act

The Paperwork Reduction Act (44 U.S.C. 3501 *et seq.*) is inapplicable to the final rule as it does not establish any new recordkeeping or collection of information requirement or amend any such existing requirement.

#### § 367.1 Authority, purpose, scope and application.

(a) *Authority.* This part is adopted pursuant to section 12(f) (4) and (5) of the Federal Deposit Insurance Act, 12 U.S.C. 1822(f) (4) and (5), and the rule-making authority of the Federal Deposit Insurance Corporation (FDIC) found at 12 U.S.C. 1819. Other regulations implementing these statutory directives appear at 12 CFR part 366.

(b) *Purpose.* This part is designed to inform contractors and subcontractors (including their affiliated business entities, key employees and management officials) regarding their rights to notice and an opportunity to be heard on FDIC actions involving suspension and exclusion from contracting and rescission of existing contracts. This part is in addition to, and not in lieu of, any other statute or regulation that may apply to such contractual activities.

(c) *Scope.* This part applies to:

(1) Contractors, other than attorneys or law firms providing legal services, submitting offers to provide services or entering into contracts to provide services to the FDIC acting in any capacity; and

(2) Subcontractors entering into contracts to perform services under a proposed or existing contract with the FDIC.

(d) *Application.* (1) This part will apply to entities that become contractors, as defined in § 367.2(f), on or after December 30, 1996. In addition, this part will apply to contractors as defined in § 367.2(f) that are performing contracts on December 30, 1996.

(2) This part will also apply to actions initiated on or after December 30, 1996 regardless of the date of the cause giving rise to the actions.

(3) Contracts entered into by the former Resolution Trust Corporation (RTC) that were transferred to the FDIC will be treated in the same manner as FDIC contracts under this part.

(4) RTC actions taken under the RTC regulations on or before December 31, 1995, will be honored as if taken by the FDIC. A contractor subject to an RTC exclusion or suspension will be precluded thereby from participation in the FDIC's contracting program unless that exclusion or suspension is modified or terminated under the provisions of this part.

#### § 367.2 Definitions.

(a) *Adequate evidence* means information sufficient to support the reasonable belief that a particular act or omission has occurred.

(ii) Is an adverse party to the FDIC, RTC, the former Federal Savings and Loan Insurance Corporation (FSLIC), or their successors in a lawsuit; or

(iii) Has ever been suspended, excluded, or debarred from contracting with a federal entity or has ever had a contract with the FDIC, RTC, FSLIC or their successors rescinded or terminated prior to the contract's completion and which rescission or termination involved issues of conflicts of interest or ethical responsibilities; or

(2) Any other facts exist which the FDIC, in its sole discretion, determines may, through performance of a proposed or existing FDIC contract, provide a contractor with an unfair competitive advantage which favors the interests of the contractor or any person with whom the contractor has or is likely to have a personal or business relationship.

#### **§ 367.3 Appropriate officials.**

(a) The *Ethics Counselor* is the Executive Secretary of the FDIC. The Ethics Counselor shall act as the official responsible for rendering suspension and exclusion decisions under this part. (b) The *Corporation Ethics Committee* is the Committee appointed by the Chairman of the FDIC, or Chairman's designee, which provides review of any suspension or exclusion decision rendered by the Ethics Counselor that is appealed by a contractor who has been suspended and/or excluded from FDIC contracting.

(c) Information concerning the possible existence of any cause for suspension or exclusion shall be reported to the Office of the Executive Secretary (Ethics Section). This part does not modify the responsibility to report allegations of fraud, waste and abuse, including but not limited to criminal violations, to the Office of Inspector General.

#### **§ 367.4 [Reserved]**

#### **§ 367.5 Exclusions.**

(a) The Ethics Counselor may exclude a contractor from the FDIC contracting program for any of the causes set forth in § 367.6, using procedures established in this part.

(b) Exclusion is a serious action to be imposed when there exists a preponderance of the evidence that a contractor has violated one or more of the causes set forth in § 367.6. Contractors excluded from FDIC contracting programs are prohibited from entering into any new contracts with FDIC for the duration of the period of exclusion as determined pursuant to this part. The FDIC shall not solicit offers from, award contracts to, extend or modify existing contracts, award task orders under existing contracts, or consent to subcontracts with such contractors. Excluded contractors are also prohibited from conducting business with FDIC as agents or representatives of other contractors. *Provided however*, that these limitations do not become effective upon the notification of the contractor that there is a possible cause to exclude under § 367.13. Rather, they become effective only upon the Ethics Counselor's decision to exclude the contractor pursuant to § 367.16. *Provided further*, that the causes for exclusion set forth in § 367.6(a)(1) through (4) reflect statutorily established mandatory bars to contracting with the FDIC.

(c) Except when one or more of the statutorily established mandatory bars to contracting are shown to exist, the existence of a cause for exclusion does not necessarily require that the contractor be excluded; the seriousness of the contractor's acts or omissions and

any mitigating or aggravating circumstances shall be considered in making any exclusion decision.

#### **§ 367.6 Causes for exclusion.**

The FDIC may exclude a contractor, in accordance with the procedures set forth in this part, upon a finding that:

(a) The contractor has been convicted of any felony;

(b) The contractor has been removed from, or prohibited from participating in the affairs of, any insured depository institution pursuant to any final enforcement action by the Office of the Comptroller of the Currency, the Office of Thrift Supervision, the Board of Governors of the Federal Reserve System, or the FDIC or their successors;

(c) The contractor has demonstrated a pattern or practice of defalcation;

(d) The contractor has caused a substantial loss to Federal deposit insurance funds;

(e) The contractor has failed to disclose, pursuant to 12 CFR 366.6, a material fact to the FDIC;

(f) The contractor has failed to disclosed any material adverse change in the representations and certifications provided to FDIC under 12 CFR 366.6;

(g) The contractor has miscertified its status as a minority and/or woman owned business (MWOB);

(h) The contractor has a conflict of interest that was not waived by the Ethics Counselor or designee;

(i) The contractor has been subject to a final enforcement action by any federal financial institution regulatory agency, or has stipulated to such action;

(j) The contractor is debarred from participating in other federal programs;

(k) The contractor has been convicted of, or subject to a civil judgment for:

(1) Commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public or private agreement or transaction, or conspiracy to do the same;

(2) Violation of federal or state antitrust statutes, including those proscribing price fixing between competitors, allocation of customers between competitors, and bid rigging, or conspiracy to do the same;

(3) Commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, receiving stolen property, making false claims, obstructing of justice, or conspiracy to do the same;

(4) Commission of any other offense indicating a breach of trust, dishonesty or lack of integrity, or conspiracy to do the same;

(l) The contractor's performance under previous contract(s) with FDIC or RTC has resulted in:

(1) The FDIC or RTC declaring such contract(s) to be in default; or

(2) The termination of such contract(s) for poor performance; or

(3) A violation of the terms of a contract that would have resulted in a default or termination of the contract for poor performance if that violation had been discovered during the course of the contract; or

(m) The contractor has engaged in any conduct:

(1) Indicating a breach of trust, dishonesty, or lack of integrity that seriously and directly affects its ability to meet standards of present responsibility required of an FDIC contractor; or

(2) So serious or compelling in nature that it adversely affects the ability of a contractor to meet the minimum ethical standards required by 12 CFR part 366.

#### **§ 367.7 Suspensions.**

(a) The Ethics Counselor may suspend a contractor for any of the causes in § 367.8 using the procedures established in this section.

(b) Suspension is an action to be imposed when there exists adequate evidence of one or more of the causes set out in § 367.8. This includes, but is not limited to, situations where immediate action is necessary to protect the integrity of the FDIC contracting program and/or the security of FDIC assets during the pendency of legal or investigative proceedings initiated by FDIC, any federal agency or any law enforcement authority.

(c) The duration of any suspension action shall be for a temporary period pending the completion of an investigation and such other legal proceedings as may ensue.

(d) A suspension shall become effective immediately upon issuance of the notice specified in § 367.13(b).

(e) Contractors suspended from FDIC contracting programs are prohibited from entering into any new contracts with the FDIC for the duration of the period of suspension. The FDIC shall not solicit offers from, award contracts to, extend or modify existing contracts, award task orders under existing contracts, or consent to subcontracts with such contractors. Suspended contractors are also prohibited from conducting business with FDIC as agents or representatives of other contractors.

#### **§ 367.8 Causes for suspension.**

(a) Suspension may be imposed under the procedures set forth in this section upon adequate evidence:

(1) Of suspension by another federal agency;

(2) That a cause for exclusion under § 367.6 may exist;

(3) Of the commission of any other offense indicating a breach of trust, dishonesty, or lack of integrity that seriously and directly affects the minimum ethical standards required of an FDIC contractor; or

(4) Of any other cause so serious or compelling in nature that it adversely affects the ability of a contractor to meet the minimal ethical standards required by 12 CFR part 366.

(b) Indictment for any offense described in § 367.6 is adequate evidence to suspend a contractor.

(c) In assessing the adequacy of the evidence, FDIC will consider how much information is available, how credible it is given the circumstances, whether or not important allegations are corroborated and what inferences can reasonably be drawn as a result.

#### **§ 367.9 Imputation of causes.**

(a) Where there is cause to suspend and/or exclude any affiliated business entity of the contractor, that conduct may be imputed to the contractor if the conduct occurred in connection with the affiliated business entity's performance of duties for or on behalf of the contractor, or with the contractor's knowledge, approval, or acquiescence. The contractor's acceptance of the benefits derived from the conduct shall be evidence of such knowledge, approval, or acquiescence.

(b) Where there is cause to suspend and/or exclude any contractor, that conduct may be imputed to any affiliated business entity, key employee, or management official of a contractor who participated in, knew of or had reason to know of the contractor's conduct.

(c) Where there is cause to suspend and/or exclude a key employee or management official of a contractor, that cause may be imputed to the contractor if the conduct occurred in connection with the key employee or management official's performance of duties for or on behalf of the contractor, or with the contractor's knowledge, approval, or acquiescence. The contractor's acceptance of the benefits derived from the conduct shall be evidence of such knowledge, approval, or acquiescence.

(d) Where there is cause to suspend and/or exclude one contractor participating in a joint venture or similar arrangement, that cause may be imputed to other participating contractors if the conduct occurred for or on behalf of the joint venture or similar arrangement, or with the knowledge, approval, or acquiescence of these contractors. Acceptance of the

benefits derived from the conduct shall be evidence of such knowledge, approval, or acquiescence.

(e) Where there is cause to suspend and/or exclude a subcontractor, that cause may be imputed to the contractor for which the subcontractor performed services, if the conduct occurred for or on behalf of the contractor and with the contractor's knowledge, approval, or acquiescence. Acceptance of the benefits derived from the conduct shall be evidence of such knowledge, approval, or acquiescence.

*§ 367.10–367.11 [Reserved]*

**§ 367.12 Procedures.**

(a) FDIC shall process suspension and exclusion actions as informally as practicable, consistent with its policy of providing contractors with adequate information on the grounds that give rise to the proposed action and affording contractors with a reasonable opportunity to respond.

(b) For purposes of determining filing dates for the pleadings required by this part, including responses, notices of appeal, appeals and requests for reconsideration, the provisions relating to the construction of time limits in 12 CFR 308.12 will control.

**§ 367.13 Notices.**

(a) *Exclusions.* Before excluding a contractor, the FDIC shall send it a written notice of possible cause to exclude. Such notice shall include:

(1) Notification that exclusion for a specified period of time is being considered based on the specified cause(s) in § 367.6 to be relied upon;

(2) Identification of the event(s), circumstance(s), or condition(s) that indicates that there is cause to believe a cause for exclusion exists, described in sufficient detail to put the contractor on notice of the conduct or transaction(s) upon which an exclusion proceeding is based;

(3) Notification that the contractor is not prohibited from contracting with the FDIC unless and until it is either suspended from FDIC contracting or the FDIC Ethics Counselor issues a decision excluding the contractor, *provided however*, in any case where the possible cause for exclusion would also be an impediment to the contractor's eligibility pursuant to 12 CFR part 366, the contractor's eligibility for any contract will be determined under that part; and

(4) Notification of the regulatory provisions governing the exclusion proceeding and the potential effect of a final exclusion decision.

(b) *Suspensions.* Before suspending a contractor, the FDIC shall send it notice, including:

(1) Notice that a suspension is being imposed based on specified causes in § 367.8;

(2) Identification of the event(s), circumstance(s), or condition(s) that indicate that there is adequate evidence to believe a cause for suspension exists, described in sufficient detail to put the contractor on notice of the basis for the suspension, recognizing that the conduct of ongoing investigations and legal proceedings, including criminal proceedings, place limitations on the evidence that can be released;

(3) Notification that the suspension prohibits the contractor from contracting with the FDIC for a temporary period, pending the completion of an investigation or other legal proceedings; and

(4) Notification of the regulatory provisions governing the suspension proceeding.

(c) *Service of notices.* Notices will be sent to the contractor by first class mail, postage prepaid. For purposes of compliance with this section, notice shall be considered to have been received by the contractor if the notice is properly mailed to the last known address of such contractor. Whenever practical, a copy of the notice will also be transmitted to the contractor by facsimile. In the event the notice is not sent by facsimile, a copy will be sent by an overnight delivery service such as Express Mail or a commercial equivalent.

**§ 367.14 Responses.**

(a) The contractor will have 15 days from the date of the notice within which to respond.

(b) The response shall be in writing and may include: information and argument in opposition to the proposed exclusion and/or suspension, including any additional specific information pertaining to the possible causes for exclusion; and information and argument in mitigation of the proposed period of exclusion.

(c) The response may request a meeting with an FDIC official identified in the notice to permit the contractor to discuss issues of fact or law relating to the suspension and/or proposed exclusion or to otherwise resolve the pending matters.

(1) Any such meetings between a contractor and FDIC shall take such form as the FDIC deems appropriate.

(2) In cases of suspensions, no meeting will be held where a representative of the Department of Justice has advised in writing that the

substantial interests of the Government would be prejudiced by such a meeting and the Ethics Counselor determines that a suspension is based on the same facts as pending or contemplated legal proceedings referenced by the representative of the Department of Justice.

(d) Failure to respond to the notice shall be deemed an admission of the existence of the cause(s) for suspension and/or exclusion set forth in the notice and an acceptance of the period of exclusion proposed therein. In such circumstances, the FDIC may proceed to a final decision without further proceedings.

(e) Where a contractor has received more than one notice, the FDIC may consolidate the pending proceedings, including the scheduling of any meetings, in accordance with this section.

**§ 367.15 Additional proceedings as to disputed material facts.**

(a) In actions not based upon a conviction or civil judgment, if the Ethics Counselor finds that the contractor's submission raises a genuine dispute over facts material to the proposed suspension and/or exclusion, the contractor shall be afforded an opportunity to appear (with counsel, if desired), submit documentary evidence, present witnesses, and confront any witnesses the FDIC presents.

(b) The Ethics Counselor may refer disputed material facts to another official for analysis and recommendation.

(c) If requested, a transcribed record of any additional proceedings shall be made available at cost to the contractor.

**§ 367.16 Ethics Counselor decisions.**

(a) *Standard of proof:*

(1) An exclusion must be based on a finding that the cause(s) for exclusion is established by a preponderance of the evidence in the administrative record of the case; and

(2) A suspension must be based on a finding that the cause(s) for suspension is established by adequate evidence in the administrative record of the case.

(b) The administrative record consists of the portion of any information, reports, documents or other evidence identified and relied upon in the Notice of Possible Cause to Exclude, the Notice of Suspension and/or supplemental notices, if any, together with any material portions of the contractor's response. When additional proceedings are necessary to determine disputed material facts, the Ethics Counselor shall base the decision on the facts as found, together with any information

and argument submitted by the contractor and any other information in the administrative record.

(c) In actions based upon a conviction, judgment, a final enforcement action by a federal financial institution regulatory agency, or in which all facts and circumstances material to the exclusion action have been finally adjudicated in another forum, the Ethics Counselor may exclude a contractor without regard to the procedures set out in §§ 367.13 and 367.14. Any such decisions will be subject to the review and reconsideration provisions of § 367.20.

(d) *Notice of decisions.* Contractors shall be given prompt notice of the Ethics Counselor's decision in the manner described in § 367.13(c). If the Ethics Counselor suspends a contractor or imposes a period of exclusion, the decision shall:

(1) Set forth the cause(s) for suspension and/or exclusion included in the notice that were found by a preponderance of the evidence with reference to the administrative record support for that finding;

(2) Set forth the effect of the exclusion action and the effective dates of that action;

(3) Refer the contractor to its procedural rights of review and reconsideration under § 367.20; and

(4) Inform the contractor that a copy of the exclusion decision shall be placed in the FDIC Public Reading Room.

(e) If the FDIC Ethics Counselor decides that a period of exclusion is not warranted, the Notice of Possible Cause to Exclude may be withdrawn or the proceeding may be otherwise terminated. A decision to terminate an exclusion proceeding may include the imposition of appropriate conditions on the contractor in their future dealings with the FDIC.

#### **§ 367.17 Duration of suspensions and exclusions.**

(a) *Suspensions.* (1) Suspensions shall be for a temporary period pending the completion of an investigation or other legal or exclusion proceedings.

(2) If legal or administrative proceedings are not initiated within 12 months after the date of the suspension notice, the suspension shall be terminated unless a representative of the Department of Justice requests its extension in writing. In such cases, the suspension may be extended for an additional six months. In no event may a suspension be imposed for more than 18 months, unless such proceedings have been initiated within that period.

(3) FDIC shall notify the Department of Justice of an impending termination

of a suspension at least 30 days before the 12-month period expires to give the Department of Justice an opportunity to request an extension.

(4) The time limitations for suspension in this section may be waived by the affected contractor.

(b) *Exclusions.* (1) Exclusions shall be for a period commensurate with the seriousness of the cause(s) after due consideration of mitigating evidence presented by the contractor.

(2) If a suspension precedes an exclusion, the suspension period shall be considered in determining the exclusion period.

(3) Exclusion for causes other than the mandatory bars in 12 CFR 366.4(a) generally should not exceed three years, but where circumstances warrant, a longer period of exclusion may be imposed.

(4) The Ethics Counselor may extend an existing exclusion for an additional period if the Ethics Counselor determines that an extension is necessary to protect the integrity of the FDIC contracting program and the public interest. However, an exclusion may not be extended solely on the basis of the facts and circumstances upon which the initial exclusion action was based. The standards and procedures in this part shall be applied in any proceeding to extend an exclusion.

#### **§ 367.18 Abrogation of contracts.**

(a) The FDIC may, in its discretion, rescind or terminate any contract in existence at the time a contractor is suspended or excluded.

(b) Any contract not rescinded or terminated shall continue in force in accordance with the terms thereof.

(c) The right to rescind or terminate a contract in existence is cumulative and in addition to any other remedies or rights the FDIC may have under the terms of the contract, at law, or otherwise.

#### **§ 367.19 Exceptions to suspensions and exclusions.**

(a) Exceptions to the effects of suspensions and exclusions may be available in unique circumstances, where there are compelling reasons to utilize a particular contractor for a specific task. Requests for such exceptions may be submitted only by the FDIC program office requesting the contract services.

(b) In the case of the modification or extension of an existing contract, the Ethics Counselor may except such a contracting action from the effects of suspension and/or exclusion upon a determination, in writing, that a compelling reason exists for utilization

of the contractor in the particular instance. The Ethics Counselor's authority under this section shall not be delegated to any lower official.

(c) In the case of new contracts, the Corporation Ethics Committee may except a particular new contract from the effects of suspension and/or exclusion upon a determination in writing that a compelling reason exists for utilization of the contractor in the particular instance.

#### **§ 367.20 Review and reconsideration of Ethics Counselor decisions.**

(a) *Review.* (1) A suspended and/or excluded contractor may appeal the exclusion decision to the Corporation Ethics Committee.

(2) In order to avail itself of the right to appeal, a suspended and/or excluded contractor must file a written notice of intent to appeal within 5 days of the Ethics Counselor's decision.

(3) The appeal shall be filed in writing within 30 days of the decision.

(4) The Corporation Ethics Committee, at its discretion and after determining that it is in the best interests of the FDIC, may stay the effect of the suspension and/or exclusion pending conclusion of its review of the matter.

(b) *Reconsideration.* (1) A suspended and/or excluded contractor may submit a request to the Ethics Counselor to reconsider the suspension and/or exclusion decision, reduce the period of exclusion or terminate the suspension and/or exclusion.

(2) Such requests shall be in writing and supported by documentation that the requested action is justified by:

(i) Reversal of the conviction or civil judgment upon which the suspension and/or exclusion was based;

(ii) Newly discovered material evidence;

(iii) Bona fide change in ownership or management;

(iv) Elimination of other causes for which the suspension and/or exclusion was imposed; or

(v) Other reasons the FDIC Ethics Counselor deems appropriate.

(3) A request for reconsideration based on the reversal of the conviction or civil judgment may be filed at any time.

(4) Requests for reconsideration based on other grounds may only be filed during the period commencing 60 days after the Ethics Counselor's decision imposing the suspension and/or exclusion. Only one such request may be filed in any twelve month period.

(5) The Ethics Counselor's decision on a request for reconsideration is subject to the review procedure set forth in paragraph (a) of this section.

By order of the Board of Directors.

Dated at Washington, DC, this 11th day of December, 1996.

Federal Deposit Insurance Corporation.

Jerry L. Langley,

*Executive Secretary.*

[Docket No. 95-NM-265-AD; Amendment 39-9851; AD 96-25-08]

RIN 2120-AA64

#### Airworthiness Directives; de Havilland Model DHC-7 Series Airplanes

**AGENCY:** Federal Aviation Administration, DOT.

**ACTION:** Final rule.

**SUMMARY:** This amendment adopts a new airworthiness directive (AD), applicable to all de Havilland Model DHC-7 series airplanes, that requires performing a review of the airplane maintenance records to determine if any insulation blankets have been repaired or changed during service, and various follow-on actions, if necessary. This amendment is prompted by reports of corrosion forming on areas of the airplane structure where black film thermal insulation blankets are used. The actions specified by this AD are intended to prevent such corrosion, which could result in degradation of the structural capability of the airplane fuselage and consequent sudden loss of cabin pressure.

**DATES:** Effective February 3, 1997.

The incorporation by reference of certain publications listed in the regulations is approved by the Director of the Federal Register as of February 3, 1997.

**ADDRESSES:** The service information referenced in this AD may be obtained from Bombardier, Inc., Bombardier Regional Aircraft Division, Garratt Boulevard, Downsview, Ontario M3K 1Y5, Canada. This information may be examined at the Federal Aviation Administration (FAA), Transport Airplane Directorate, Rules Docket, 1601 Lind Avenue, SW., Renton, Washington; or at the FAA, New York Aircraft Certification Office, Engine and Propeller Directorate, 10 Fifth Street, Third Floor, Valley Stream, New York; or at the Office of the Federal Register, 800 North Capitol Street, NW., suite 700, Washington, DC.

**FOR FURTHER INFORMATION CONTACT:** Sol Maroof, Aerospace Engineer, Airframe and Propulsion Branch, ANE-171, FAA, New York Aircraft Certification Office, Engine and Propeller Directorate, 10 Fifth Street, Third Floor, Valley Stream, New York 11581; telephone (516) 256-7522; fax (516) 568-2716.

**SUPPLEMENTARY INFORMATION:** A proposal to amend part 39 of the Federal Aviation Regulations (14 CFR part 39) to include an airworthiness directive (AD) that is applicable to all de Havilland Model DHC-7 series airplanes was published in the Federal Register on September 30, 1996 (61 FR 51062). That action proposed to require performing a review of the airplane maintenance records to determine if any insulation blankets have been repaired or changed during service, and various follow-on actions, if necessary.

Interested persons have been afforded an opportunity to participate in the making of this amendment. No comments were submitted in response to the proposal or the FAA's determination of the cost to the public.

#### Conclusion

The FAA has determined that air safety and the public interest require the adoption of the rule as proposed.

#### Cost Impact

The FAA estimates that 50 de Havilland Model DHC-7 series airplanes of U.S. registry will be affected by this AD, that it will take approximately 1 work hour per airplane to accomplish the required actions, and that the average labor rate is \$60 per work hour. Based on these figures, the cost impact of the AD on U.S. operators is estimated to be \$3,000, or \$60 per airplane.

The cost impact figure discussed above is based on assumptions that no operator has yet accomplished any of the requirements of this AD action, and that no operator would accomplish those actions in the future if this AD were not adopted.

#### Regulatory Impact

The regulations adopted herein will not have substantial direct effects on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. Therefore, in accordance with Executive Order 12612, it is determined that this final rule does not have sufficient federalism implications to warrant the preparation of a Federalism Assessment.

For the reasons discussed above, I certify that this action (1) is not a

“significant regulatory action” under Executive Order 12866; (2) is not a “significant rule” under DOT Regulatory Policies and Procedures (44 FR 11034, February 26, 1979); and (3) will not have a significant economic impact, positive or negative, on a substantial number of small entities under the criteria of the Regulatory Flexibility Act. A final evaluation has been prepared for this action and it is contained in the Rules Docket. A copy of it may be obtained from the Rules Docket at the location provided under the caption **ADDRESSES**.

#### Adoption of the Amendment

Accordingly, pursuant to the authority delegated to me by the Administrator, the Federal Aviation Administration amends part 39 of the Federal Aviation Regulations (14 CFR part 39) as follows:

#### PART 39—AIRWORTHINESS DIRECTIVES

1. The authority citation for part 39 continues to read as follows:

Authority: 49 U.S.C. 106(g), 40113, 44701.

#### § 39.13 [Amended]

2. Section 39.13 is amended by adding the following new airworthiness directive:

96-25-08 De Havilland, Inc.: Amendment 39-9851. Docket 95-NM-265-AD.

*Applicability:* All Model DHC-7 series airplanes, certificated in any category.

Note 1: This AD applies to each airplane identified in the preceding applicability provision, regardless of whether it has been otherwise modified, altered, or repaired in the area subject to the requirements of this AD. For airplanes that have been modified, altered, or repaired so that the performance of the requirements of this AD is affected, the owner/operator must request approval for an alternative method of compliance in accordance with paragraph (e) of this AD. The request should include an assessment of the effect of the modification, alteration, or repair on the unsafe condition addressed by this AD; and, if the unsafe condition has not been eliminated, the request should include specific proposed actions to address it.

*Compliance:* Required as indicated, unless accomplished previously.

To prevent degradation of the structural capability of the fuselage and sudden loss of cabin pressure, accomplish the following:

(a) Within six months after the effective date of this AD, perform a review of the airplane maintenance records to determine if any insulation blankets have been repaired or changed during service, in accordance with
